Part 1: Student Assessment Information

To earn a New Jersey high school diploma, a student must demonstrate proficiency in both English language arts (ELA) and mathematics. A student may do this as explained on the [Graduation Assessment Requirements](#) webpage.

Tables 1 and 2 below are used to help school officials determine whether the student passed a graduation assessment in ELA and/or mathematics. If the student met the designated cut score in a particular subject, then no portfolio appeal is necessary for that subject. Include a copy of the student's most current transcript with this document.

This Education Proficiency Plan is for the following content area(s) — check the option that applies:

English Language Arts

Mathematics

Both

In 2023, updates were made to reflect the updated graduation assessment requirements.

Table 1: High School Graduation Assessments for ELA (2023-2024 Cut Scores)

Important Notes:

- Beginning in fall 2023, the following scores are no longer provided:
 - PSAT10 Reading; and
 - PSAT/NMSQT Reading.
- Beginning in 2024, the SAT Reading score is no longer provided.
- For PSAT10, PSAT/NMSQT and SAT, Evidence Based Reading and Writing (EBRW) has been simplified and will use the naming convention Reading and Writing moving forward.

Part 2: Student Strengths and Needs

Complete one or both rows depending on whether the student needs to submit a portfolio appeal for ELA, mathematics, or both. This table is intended to help schools focus on providing students with interventions during grade 12 that will ensure successful completion of the portfolio appeals process. The Constructed Response Tasks completed by students will serve as the evidence collected to measure proficiency in the New Jersey Student Learning Standards for ELA and/or mathematics.

Table 3: Strengths and Needs Analysis

Subject Area	Areas of Strength (identify 2-3)	Areas That Need Improvement (identify 2-3)	Interventions Used to Address Areas in Need of Improvement (align with areas identified in the previous column)
