SCHEDULE OF AUDITED ENROLLMENTS

Enrollment Counts and Submissions to the Department

Finding 2018-01

Our audit procedures included tests of information reported on the October 15, 2017, and the last day of school for on-roll, special education, bilingual and low income. During our testing of 100% of the students classified as Limited English Proficient (LEP), two students did not have a formal assessment, accepted by the New Jersey Department of Education, rather, these students had an internal assessment performed by the Renaissance School.

Recommendation:

Management should ensure all students have an assessment completed that is accepted by the New Jersey Department of Education.

Management Response:

Once enrolled at Camden Prep, a parent must complete a student information packet that includes a home language survey. Any parent that informs the school that a non-English language is the primary language at home is flagged. First, the school will reach out to classroom teachers to determine whether language is presenting a barrier to academic performance. The school’s ESL teacher will also administer a formal assessment. The W-APT will be used to formally assess English proficiency in kindergarten and the WIDA screener in grades 1-7. Both assessments are accepted by the NJ Department of Education. Based on the student’s test results and classroom performance, the school will determine eligibility services.

Teacher’s Pension and Annuity Fund (TPAF) Reimbursement to the State for Federal Salary Expenditures

Our audit procedures included a test and review of the calculation of the TPAF reimbursement for the current fiscal year. As of June 30, 2018, the Renaissance School has not been approved to be included in the TPAF. As stated by N.J.S.A. 18A:66-90, the Renaissance School will be reimbursed for the expenses incurred for the Social Security and FICA cost for full-time TPAF employees. The reimbursement was estimated based on the number of full-time employees that would be eligible under the TPAF plan once the Renaissance School is approved.

Elementary and Secondary Education Act (E.S.E.A.)/Improving America’s Schools Act (IASA) as Reauthorized by the No Child Left Behind Act of 2001

The E.S.E.A. financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the projects under Titles I and VI of the Elementary and Secondary Education Act as amended. No exceptions noted.

Other Special Federal and/or State Projects

The Renaissance School’s Special Projects were approved as listed on Exhibit E-1 located in the CAFR.

Our audit of the federal and state funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with N.J.A.C. 6A23A-23A-16(f) as part of our test of transactions of randomly selected expenditure items. We also reviewed the coding of all expenditures included in our compliance and state single audit testing procedures. In addition to randomly selecting a test sample, our sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with N.J.A.C. 6A23A-8.3. As a result of the procedures performed, a transaction error rate of zero percent overall was noted and no additional procedures were deemed necessary to test the propriety of expenditure classification.
