The net salaries of all employees of the District were deposited in the Payroll Account. Employees' payroll deductions and employer's share of fringe benefits were deposited in the Payroll Agency Account.
Financial Planning, Accounting and Reporting (Continued)

Payroll Account

All payrolls were approved by the Superintendent and were certified by the President of the Board and the Board Secretary/Business Administrator and the Chief School Administrator.

Salary withholdings were promptly remitted to the proper agencies, including health benefits withholding due to the general fund.

Payrolls were delivered to the Board Secretary who then deposited with warrants in separate bank accounts for net payroll and withholdings.

The required certification (E-CERT1) of compliance with requirements for income tax on compensation of administrators to the NJ Department of Treasury was filed by the March 15 due date.

The Payroll Account records were maintained in satisfactory condition.

Employee Position Control Roster

No exceptions were noted during my examination of the Employee Position Control Roster.

Reserve for Encumbrances and Accounts Payable

A review of outstanding issued purchase orders was made as of June 30 for proper classification of orders as reserve for encumbrances and accounts payable. My review did not indicate any material discrepancies to the classification of orders.

Obligations of Federal Grant Awards and Requests for
Reimbursement of Expenditures against those Federal Grant Awards

No exceptions were noted during my examination of obligations of federal grant awards and requests for reimbursement of expenditures against those federal grant awards made during the period under audit.

Travel

No exceptions were noted in my study of compliance for travel expenses.

Classification of Expenditures

The coding of expenditures was tested for proper classification in accordance with N.J.A.C. 6A:23A-16.2(f) as part of my test of transactions of randomly selected expenditure items. I also reviewed the coding of all expenditures included in my compliance and single audit testing procedures. In addition to randomly selecting a test sample, my sample selection specifically targeted administrative coding classifications to determine overall reliability and compliance with N.J.A.C. 6A:23A-8.2. My review did not indicate any material discrepancies with respect to classification of expenditures.
Financial Planning, Accounting and Reporting (Continued)

Board Secretary/Business Administrator's Record

The financial and accounting records of the Board Secretary/School Business Administrator's office were reviewed and the following was noted.

Finding 2018-001:

The 2016 referendum was over-expended as of June 30, 2018.

Recommendation:

That no expenditures be made in excess of the voter approved bond referendum.

Elementary and Secondary Education Act of 1965 (E.S.E.A.)/ Improving America’s Schools Act (I.A.S.A.) as reauthorized by the Every Student Succeeds Act (ESSA)

The E.S.E.A./ESSA financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the projects under Title I, Title IIA, and Title IV of the Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act.

No exceptions were noted in my study of compliance for the E.S.E.A./ESSA projects.

Other Special Federal and/or State Projects

The District's Special Projects were approved as listed on Schedule A and Schedule B located in the CAFR.

My audit of the Federal and State funds on a test basis indicated that obligations and expenditures were incurred during the fiscal year or project period for which the project was approved.

The financial exhibits are contained within the Special Revenue Section of the CAFR. This section of the CAFR documents the financial position pertaining to the aforementioned special projects.

No exceptions were noted in my study of compliance for special projects.

T.P.A.F. Reimbursement

My audit procedures included a test of the biweekly reimbursements filed with the Department of Education for district employees who are members of the Teachers Pension and Annuity Fund. No exceptions were noted.

T.P.A.F. Reimbursement to the State for Federal Salary Expenditures

The amount of the expenditure charged to the current year’s Final Reports for all federal awards for the school district to reimburse the state for the TPAF/FICA payments made by the State on behalf of the school district for those employees whose salaries are identified as being paid from federal funds was made prior to the end of the 90 day grant liquidation period required by the Office of Grants Management. The expenditure was reviewed subsequent to the reimbursement and no exceptions were noted.
Financial Planning, Accounting and Reporting (Continued)

Nonpublic State Aid

The study of compliance for nonpublic state aid indicated no areas of noncompliance and/or questionable costs.

School Purchasing Programs

Contracts and Agreements Requiring Advertisement for Bid

The bid thresholds in accordance with N.J.S.A. 18A:18A-2 and 18A:18A-3(a) are $40,000 (with a Qualified Purchasing Agent) and $29,000 (without a Qualified Purchasing Agent), respectively. The law regulating bidding for public school transportation contracts under N.J.S.A. 18A-39-3 is $19,000.

The School District has the responsibility of determining whether the expenditures in any category will exceed the statutory thresholds within the contract year. Where question arises as to whether any contract or agreement might result in violation of the statute, the Solicitor's opinion should be sought before a commitment is made.

Based on the results of my examination, the following was noted:

Finding 2018-002:
One vendor was paid in excess of the bid threshold and there is no evidence that bids were obtained.

Recommendation:

Resolutions were adopted authorizing the awarding of contracts or agreements for "Professional Services" per N.J.S.A. 18A:18A-5.

School Food Service

For the fiscal year ended June 30, 2018, the School District expended less than $100,000 in federal and/or state funds for its Child Nutrition Program.

Recommendation:
That supporting documentation is maintained for all receipts and expenditures.
**Student Body Activities**

The financial records for the Student Activity Fund were reviewed and the following was noted:

**Finding 2018-004:**

Receipts for High School and Middle School Activity Funds did not appear to be deposited promptly.

**Recommendation:**

That all student activity funds be deposited promptly.

**Application for State School Aid**

My audit procedures included a test of information reported in the October 13, 2017 Application for State School Aid (A.S.S.A.) for on-roll, private schools for the handicapped, low-income and bilingual. I also performed a review of the District procedures related to its completion. The information on the A.S.S.A. was compared to the District workpapers without exception. The information that was included on the workpapers was verified without exception. The results of my procedures are presented in the Schedule of Audited Enrollments.

The District maintained workpapers on the prescribed state forms or their equivalent.

The District has adequate written procedures for the recording of student enrollment data.

**Pupil Transportation**

My procedures included a test of on roll status reported in the 2017-2018 District Report of Transported Resident Students (DRTRS). The information that was included on the DRTRS was verified to the DRTRS Eligibility Summary Report without exception. The results of my procedures are presented in the Schedule of Audited Enrollments.

My procedures also included a review of transportation related contracts and purchases. Based on my review, the District complied with proper bidding procedures and award of contracts. No exceptions were noted in my review of transportation related purchases of goods and services.

**Facilities and Capital Assets**

My procedures included a review of the School Development Authority (SDA) grant agreement for consistency with recording SDA revenue and awarding of contracts for eligible facilities construction.

**Testing for Lead of all Drinking Water in Educational Facilities**

The School District adhered to all the requirements of N.J.A.C. 26-1.2 and 12.4 related to the testing for lead of all drinking water in educational facilities.

The School District submitted the Annual Statement of Assurance to the Department of Education, pursuant to N.J.A.C. 6A:26-12.4(g)
Follow-up on Prior Years' Findings

In accordance with government auditing standards, my procedures included a review of all prior year recommendations. Corrective action has been taken on the following prior year recommendations with the exception of the following:

1) That supporting documentation is maintained for all Community Education/Adult School receipts and expenditures.

Acknowledgment

I received the complete cooperation of all the officials of the Haddonfield School District and I greatly appreciate the courtesies extended to the members of the audit team.
