**SUBJECT: Update to Annual Information for 2014-2015**

---

Please be advised that the Office of School Finance ("OSF") is reviewing its process for distributing annual information to Private Schools for Students with Disabilities ("PSSD"). The first such modification, which may be further modified in the future, is that we will issue one memo containing and/or itemizing the updates to the annual information that is published on [www.state.nj.us/education](http://www.state.nj.us/education). Each document/form will be labeled and contain a link to a .pdf, excel, or MS Word file. The directions for completion of any forms that require submission to OSF will now be contained in the same document as the form.

Please ensure that appropriate personnel in the school's administrative offices receive this memo and the applicable forms. If there are any questions regarding this change, please contact OSF at [doepssd@doe.state.nj.us](mailto:doepssd@doe.state.nj.us).

(6) Allowable Reimbursement for the Cost of Meals and Hotel Accommodations

In accordance with N.J.A.C. 6A:23A-18.5(a)35, a cost that is not allowable in the calculation of the certified actual cost per student, is the cost of meals and hotel accommodations associated with daily or overnight travel, in excess of those contained in New Jersey Office of Management and Budget (OMB) Circular Letter 11-05-OMB (supersede all previous travel regulations). Circular Letter 11-05-OMB refers to the Federal Per Diem Rates Schedule, which provides a listing of all states and major cities, along with the amounts allowed to be expended per day for the major categories of lodging and meals/incidentals at each location.

The per diem rates reflected under the column heading "M&IE" for meals and incidental expenses include all taxes and gratuities. The per diem rates reflected under the column heading "Lodging Rate" do not include any type of taxes (all taxes are reimbursed in addition to the amount indicated).

The following restrictions apply to the allowable per diem reimbursements:

1. No overnight travel is permitted within the State unless the Commissioner has approved a waiver of the prohibition on overnight travel requested by the sponsoring organization;
2. For all official business travel, allowable per diem reimbursement for lodging and meals will be actual reasonable costs, not to exceed the federal per diem rates as established in the Federal Register for the current year;
3. If an employee's destination is somewhere other than the locations listed in the Federal Register, then the maximum per diem reimbursement allowable is \$46 for meal/incidental expenses and \$70 for lodging;
4. No allowance for meals is permitted for in-State travel except in limited circumstances authorized in Circular Letter 11-05-OMB;
5. The following expenses are not allowable:
  - Charges for alcoholic beverages;
  - Charges for laundry, valet service, entertainment;
  - Reverse telephone charges or third party calls;
  - Charges for telephone calls applying for or inquiring about leaves of absence or extensions thereof, inquiring as to payment of salary or expense vouchers, or calls concerning any matter of purely a personal nature; and
  - Recall of any employee to duty during a period of leave of absence shall be avoided, except in cases of extreme emergency.

The listing of the per diem rates will be posted on the Department's Web site at the private schools for students with disabilities page at <http://www.nj.gov/education/finance/fp/psd/1415/annual.shtml>.

(7) Administrative Code:

A .pdf version of the current administrative code governing private schools for students with disabilities is available on the Department of Education's website at <http://www.nj.gov/education/finance/fp/psd/1415/annual.shtml>.

(8) Tuition Contracts

The private school for students with disabilities mandated tuition contracts are now available on the Department of Education's website at <http://www.nj.gov/education/finance/fp/psd/1415/annual.shtml>. Instructions are also available at this link.

The contracts provide the private schools/school districts the ability to execute only one contract for each pupil which would include all the available services, if applicable (ten month school year, extended school year and extraordinary services). There is no need to execute separate contracts for a pupil for each time period and/or service. OSF recommends that the parties (private schools/school districts) execute only one contract per pupil for the entire July through June school year.
