N.J.A.C. 6A:23A-18.3 Tuition rate procedures

(a) The board of directors of an APSSD located in New Jersey shall determine the final tuition rate charged to be an amount less than or equal to the certified actual cost per student as determined by an independent school auditor. The board of directors shall identify the certified actual cost per student and final tuition rate charged in the audited financial statements submitted to the Department pursuant to N.J.A.C. 6A:23A-18.10.

1. When determining the actual allowable costs for the program, the board of directors shall ensure the costs are:
   
   i. Based on all costs required for student instruction from July 1 through June 30;
   
   ii. Consistent with the students' individualized education programs (IEP);
   
   iii. Inclusive of all costs required to implement all students' IEPs and all related services, except as set forth in (a)5 below;
iv. Reasonable, that is, ordinary and necessary and not in excess of the cost that would be incurred by an ordinarily prudent person in the administration of public funds; and

v. Based on goods actually received and placed in service and/or services rendered in the fiscal year expensed.

2. If any of the APSSD’s quarterly financial reports, completed pursuant to N.J.A.C. 6A:23A-18.5(a)11, demonstrates the year-to-date per diem rate exceeds the tentative tuition rate for the year by more than 10 percent, the APSSD shall notify each sending district board of education and the Commissioner, or his or her designee, that such an increase will be charged and the reason for the increase on or before the following dates: December 15 for the first quarter, March 15 for the second quarter, June 15 for the third quarter, and September 15 for the fourth quarter, or the next business day when applicable. The determination of a final tuition rate in excess of 10 percent above the tentative tuition rate charged shall be based on the completion of the required quarterly financial report in accordance with N.J.A.C. 6A:23A-18.5(a)11.

i. If the sending district board of education and the Commissioner, or his or her designee, are not notified on or before the dates noted in (a)2 above, the APSSD may charge an increase that shall not exceed 10 percent of the tentative tuition rate charged.

ii. The notification required in (a)2i above shall contain a detailed statement outlining changing costs and/or enrollment, the reasons for the changes, including management’s response to same, and the reason(s) the changes are
not offset by decreases in costs. If the notification does not include this statement, the Commissioner, or his or her designee, may prohibit an APSSD from charging an increase above 10 percent.

3. Costs for the program shall include instructional costs and administrative costs, as defined in the chart of accounts, as follows:

   i. For the 2016-2017 school year, minimum instructional costs of 55 percent and maximum administrative costs of 25 percent;

   ii. For the 2017-2018 school year, minimum instructional costs of 55.5 percent and maximum administrative costs of 24.5 percent;

   iii. For the 2018-2019 school year, minimum instructional costs of 56 percent and maximum administrative costs of 24 percent;

   iv. For the 2019-2020 school year, minimum instructional costs of 56.5 percent and maximum administrative costs of 23.5 percent;

   v. For the 2020-2021 school year, minimum instructional costs of 57 percent and maximum administrative costs of 23 percent; and

   vi. For the 2021-2022 school year and thereafter, minimum instructional costs of 57.5 percent and maximum administrative costs of 22.5 percent.

4. Unless otherwise determined pursuant to (b) below, the APSSD shall charge one tentative tuition rate as published by the Department, charge one final tuition rate determined by the APSSD, and calculate one certified actual cost per student for the school year that must be approved by the Commissioner, or his or her designee.
i. An APSSD shall report all tuition rates on a per diem and school-year basis, calculated as the number of enrolled days in the school year multiplied by the per diem rate.

ii. An APSSD that operates both a 10-month and an extended school year shall report tuition rates for both the July/August through June and September through June school years.

5. Except for extraordinary services, an APSSD shall provide required related services in the scope of services rendered pursuant to the tuition contract and may not bill the sending district board of education separately for related services that are required by a student's initial or any subsequent IEP with limited exception. If the related service required by an IEP is beyond what is typically provided during the school day, or the nature of the related services requires that it be provided beyond the school day/operating hours, the APSSD may address the costs and provision of such related services through a separate agreement with the sending district. However, if such related services beyond that typically provided during the school day or beyond the school day/operating hours are not in the scope of services rendered under the tuition contract, nothing in this section shall prevent a sending district board of education from providing those services itself or separately contracting for those services with an approved service provider other than the APSSD.

6. For programs in operation less than the minimum of 180 days of instruction (September 1 through June 30) the APSSD shall calculate total costs minus 1/180 for each day less than the 180-day requirement to determine actual allowable costs.
7. The ADE for students enrolled in an APSSD for a time period other than a full or half day shall be based on the total number of hours actually enrolled during the school year divided by the total possible number of hours in the school year.

8. For fiscal reporting purposes, an extended school year program means a program in which activities commence on or after July 1 and end on or before August 31 of the same year. For program activities that begin prior to July 1, an APSSD shall report all costs and revenues in the prior fiscal year.

(b) An APSSD may charge one tuition rate per school location for the school year. Prior to June 30, 2017, the Commissioner, or his or her designee, may approve APSSDs to charge separate tuition rates by class type and by school location for the school year. APSSDs that have not received written approval to charge separate tuition rates by class type and by school location prior to July 1, 2017, shall not be permitted to do so for the school year beginning July 1, 2017, and thereafter. APSSDs that are approved prior to June 30, 2017, to charge by class type shall:

1. Maintain bookkeeping and accounting records by class type and school location for the school year;

2. Charge a separate tuition rate for each class type served;

3. Prepare, in the Department-prescribed format, the audited costs by class type for the first two years that tuition is charged by class type, which will allow the Commissioner to determine the tentative tuition rates in accordance with (i) below; and

4. Determine, on a pro rata basis and when it is not possible to charge the actual amount expended, the individual share of a particular allowable cost item for a class type, in
accordance with the following ratios or an alternative method approved by the Commissioner:

i. Ratio of ADE in each class type to the total ADE;

ii. Ratio of square feet of floor space in each class type to the total square feet of floor space used; or

iii. Direct costs.

(c) An APSSD shall record, in the prescribed bookkeeping and accounting system pursuant to N.J.A.C. 6A:23A-18.5(a)8, all direct costs that can be specifically attributed to a program and/or revenue source.

(d) For indirect costs that are incurred for a common or joint purpose, but are not readily assignable to an APSSD and/or its program and/or a revenue source, an APSSD may establish indirect cost pools as appropriate for allocation to the APSSD at the end of the fiscal year as follows:

1. The expenditures included in the indirect cost pool shall be related to the APSSD’s function(s), operation(s), and/or program(s); and

2. Salary expenditures and associated fringe benefits included in an indirect cost pool shall be for individuals who are assigned, pursuant to a contract and/or job description, to perform work related to the APSSD’s function(s), operation(s), and program(s).

(e) An entity that operates only as an APSSD and operates one or more tuition programs at one or more locations shall charge costs as follows:

1. Direct costs for each program as determined pursuant to (c) above; and
2. Indirect costs, as defined in (d) above, are calculated in accordance with any of the following:
   i. An equitable allocation plan approved in writing by the Commissioner, or his or her designee;
   ii. Ratio of direct costs for each program determined pursuant to (c) above to total direct costs; or
   iii. Ratio of ADE for each program to total ADE.

(f) An entity that operates other programs in addition to an APSSD program(s) at one or more locations shall charge their costs as follows:

1. Direct costs for each program as determined pursuant to (c) above;

2. Indirect cost centers established as follows:
   i. A cost center that shall include indirect costs that are allowable costs in accordance with this subchapter; and
   ii. A cost center that shall include indirect non-allowable costs in accordance with this subchapter.

3. Allowable indirect costs, charged pursuant to (f)2i above, may be included on a consistent basis in the respective actual cost per student in accordance with:
   i. An equitable allocation plan approved by the Commissioner, or his or her designee;
   ii. Ratio of direct costs for each program determined pursuant to (c) above to total direct costs; or
   iii. Ratio of ADE for each APSSD to total ADE.
(g) Whenever a facility used by an APSSD is also used for unrelated activities and/or enterprises by related or unrelated parties, all direct and indirect costs associated with the facility and operations shall be charged according to the ratio of the square footage of the portion of the facility used for activities associated with the APSSD program(s), operation(s), and/or function(s) to the square footage of the total facility. Indirect costs for using the APSSD’s facilities in any other manner shall not be included in the certified actual cost per student.

1. If any facility or portion thereof as set forth in (g) above are jointly used by the APSSD for the APSSD program(s), operation(s), and/or function(s), and for unrelated activities and/or enterprises by related or unrelated parties, the direct and indirect costs associated with the facility and operations shall be charged according to the ratio of the time used for activities associated with the APSSD program(s), operation(s), and/or function(s) to the total time the facility is used for any purpose.

(h) A tentative tuition rate, calculated in accordance with (i) and (j) below, shall be established by written contractual agreement between the APSSD and the sending district board of education. The tentative tuition rate charged shall not exceed the maximum tentative tuition rate, calculated in accordance with (i) and (j) below, for the ensuing school year, and shall not be changed during the school year regardless of the APSSD’s financial or other circumstances. The written contract shall be on the mandated tuition contract form prescribed by the Commissioner and shall be executed prior to a student’s enrollment.

1. The contractual agreement shall require the sending district board of education to pay a tentative tuition charge based upon a per diem rate for the total number of days the student is enrolled during the month, for each month the student is enrolled. The
per diem rate is determined by dividing the tentative tuition rate for the school year by the estimated number of days school will be in session, but not less than 180 days, and rounding to the nearest two decimal places.

2. If applicable, the contractual agreement shall require the sending district board of education to pay the APSSD the tentative tuition charge for extraordinary services.

3. The contractual agreement shall require the sending district board of education to pay the APSSD the tentative tuition charge based on one of the following options as determined by the APSSD. The APSSD shall use the same option for all students enrolled in the APSSD:

   i. Option 1: A sending district board of education shall pay the APSSD no later than the first day of each month prior to the services being rendered.

      (1) For a student already enrolled in the APSSD, the sending district board of education shall pay the tentative tuition charge by the first day of the second month after services begin. A sending district board of education that fails to pay tuition by the 30th day after services begin may be charged interest by the APSSD calculated at the rate of one percent per month on the unpaid balance.

      (2) For a student enrolled after the first day of the month, the sending district board of education shall pay the tentative tuition charge for the first two months of enrollment no later than 60 days after the first day services begin. Payment in subsequent months is due by the first of each month prior to the services being rendered. A sending district board of education that fails to pay tuition by the 30th day after services begin may
be charged interest by the APSSD calculated at the rate of one percent per month on the unpaid balance.

ii. Option 2: A sending district board of education shall pay the APSSD no later than 60 days after the last day of each month in which services were rendered. A sending district board of education that fails to pay tuition by the 60th day after the last day of a month in which services were rendered may be charged interest by the APSSD calculated at the rate of one percent per month on the unpaid balance.

(i) The Commissioner, or his or her designee, will issue notification of the maximum tentative tuition rate for each APSSD no later than January 1 for the ensuing school year, calculated as follows:

1. The maximum tentative tuition rate per student shall equal the product of the audited actual cost per student for the school year prior to the current school year inflated by twice the tax levy growth limitation of two percent and any applicable change to this percentage identified in N.J.S.A. 18A:7F-38, or the consumer price index (CPI) as defined in N.J.S.A. 18A:7F-45, whichever is greater.

2. The maximum tentative tuition rate shall include:
   
i. For profit-making schools, the annual surcharge permitted in accordance with N.J.A.C. 6A:23A-18.7; and
   
ii. For nonprofit schools, a public school placement restricted working capital fund in accordance with N.J.A.C. 6A:23A-18.8.

(j) The Commissioner, or his or her designee, may approve a higher tentative tuition rate for any year in which the APSSD can demonstrate, to the Commissioner’s or designee’s
satisfaction, that the maximum tentative tuition rate for the ensuing fiscal year is inadequate and would cause an undue financial hardship on the APSSD.

1. In the event of such hardship claim, the APSSD shall submit its request for a higher tentative tuition rate for the entire school year to the Commissioner, or his or her designee, no later than January 31 preceding the beginning of the ensuing school year. The APSSD shall submit the request with appropriate documentation, which shall include, but may not be limited to, the following information:

   i. A budget reflecting projected costs, working capital fund or surcharge, estimated enrollment, and the requested tuition rate based on this information;

   ii. A detailed narrative prepared by the APSSD’s administration and/or management demonstrating the need for increases in excess of increases already provided in the tentative tuition rate calculation; and

   iii. A properly completed interim financial report in the format prescribed by the Commissioner, or his or her designee, for the six months of operations ending December 31 immediately preceding the school year.

(k) Following a satisfactory compliance review of an independent auditor’s certified actual cost per student, the Commissioner will issue an approval that the final tuition rates charged are based on the certified actual cost per student pursuant to (a) above.

(l) If the Commissioner, or his or her designee, determines the tentative tuition rate for the school year established pursuant to (i) and (j) above is greater than the final tuition rate charged for the school year, the APSSD shall pay or credit the difference to subsequent tuition bills for each sending district board of education no later than June 30 of the school year.
year in which the final tuition rate charged is approved by the Commissioner, or his or her
designee, or not more than 30 days after an appeal on a certified amount is resolved. The
same final tuition rate charged shall be charged to each sending district board of education.

(m) If the tentative tuition rate for the school year established by written contractual agreement
pursuant to (h) above is less than the final tuition rate charged for the school year, the
APSSD may charge each sending district board of education all or part of the difference
owed, but the same final tuition rate shall be charged to each sending district board of
education. The sending district board of education shall pay the difference on a mutually
agreed upon date during the second school year following the year for which the actual
certified cost per student is approved by the Commissioner, or his or her designee.

(n) The APSSD shall prepare the contract and the form to establish the tentative tuition rate for
the ensuing school year, and if applicable, the tentative tuition rate for extraordinary
services on Commissioner-prepared forms.

(o) An APSSD shall reference as guidance the Commissioner-published list of maximum
allowable salaries by job title and county, according to the job titles contained in N.J.A.C.
6A:9B relevant to APSSDs. Except for administrative job titles referenced in (p) below,
maximum allowable salaries are based on the highest contracted salaries (not including
payment of unused sick and vacation days and severance pay) of certified staff by job title
in a district board of education for any prior year, indexed by the average increase in salary
between the two preceding school years for each job title. The salaries are based on a 12-
month contract period from July 1 through June 30 and the maximum allowable salary of
an APSSD staff member shall be prorated for staff employed for less than 12 months.
Under no circumstances shall the maximum allowable salary calculated be less than the
corresponding salary in the prior year for the same job title and county. Unrecognized job titles shall be correlated to similar job titles in public schools based on their functional activities. The maximum allowable salary of a staff member holding a part-time or split-time position shall be prorated including the salary of staff employed in entities defined in (e) and (f) above.

1. Effective July 1, 2017, through June 30, 2024, maximum allowable salaries pursuant to (o) above shall be published at the rates contained in the maximum allowable salary list published for the 2016-2017 school year, with the following exceptions:
   i. Beginning July 1, 2017, the maximum published salaries for the job titles of occupational therapist, physical therapist, and speech and language specialist shall increase annually from the 2016-2017 published list of maximum allowable salaries by CPI determined consistent with N.J.S.A. 18A:7F-45;
   ii. Beginning July 1, 2017, the Commissioner, or his or her designee, shall publish a maximum allowable salaries list that contains the total maximum hourly rate for occupational therapists, physical therapists, and speech and language specialists contracted by APSSDs as purchased service providers or independent contractors. The published total hourly rates shall include an allowance of 35 percent more than the maximum allowable salary rate calculated and published pursuant to (o)1i above for the same job titles. The total maximum hourly rates shall be applicable only to contracted service providers.
   iii. Beginning July 1, 2017, an APSSD may contract with an approved clinic and agency pursuant to N.J.A.C. 6A:14-5.1(c) and 5.2 and may pay the approved
Appendix A
Code Effective July 1, 2017

clinic or agency for the contracted services at a rate above the maximum allowable salary published rate detailed in (o) above, so long as the APSSD:
(1) Acquires quotes for the contracted services from at least three approved clinics or agencies prior to contracting with an approved clinic or agency. If any of the three approved clinics or agencies are a related party, the APSSD shall contract with the lowest of the three quotes; and
(2) Provides documentation of the three quotes required by (o)1iii(1) above to the Department upon request.

2. Subparagraphs (o)1i and ii above shall sunset on June 30, 2024, and the Commissioner, or his or her designee, shall resume use and publication of a list of maximum allowable salaries calculated pursuant to (o) above.

3. Beginning with the 2021-2022 fiscal year, the Department shall initiate a study examining the maximum allowable salary structure. In conducting the study, the Department may seek and/or include input from an APSSD representative(s). The study shall include a data-driven review of maximum salaries and recommendations, if any, for changes to the maximum allowable salary calculation formula contained in (o) above and (p) below.

(p) An APSSD shall reference as guidance the Commissioner-published list of maximum allowable salaries by administrative and job titles and county according to the job titles contained in N.J.A.C. 6A:9B and 6A:23A-18.2 relevant to APSSDs. Maximum allowable salaries are based on the highest contracted salary (not including payment of unused sick and vacation days and severance pay) by administrative job title for the entire State in a district board of education, special services district board of education, and educational
services commission with comparable average daily enrollments for any prior year, indexed by the average increase in salary between the two preceding school years for each job title. The salaries are based on a 12-month contract period from July 1 through June 30 and the maximum allowable salary of the APSSD staff member shall be prorated for staff employed for less than 12 months. Each district board of education, special services district board of education, and educational services commission with an ADE equal to or less than the highest APSSD ADE will be considered comparable. Under no circumstances shall the maximum allowable salary calculated be less than the corresponding salary in the prior year for the same job title. The maximum allowable salary of a staff member holding a part-time or split-time position shall be prorated including the salary of staff employed in entities defined in (e) and (f) above.

1. Effective July 1, 2017, through June 30, 2024, maximum allowable salaries established pursuant to (p) above shall be published at the rates contained in the maximum allowable salary list published for the 2016-2017 school year;

2. Paragraph (p)1 above shall sunset on July 1, 2024, and the Commissioner, or his or her designee, shall resume use and publication of a list of maximum allowable salaries calculated pursuant to (p) above.

(q) An APSSD shall use the recognized position title list published annually by the Commissioner, or his or her designee, to employ staff whose position requires certification in accordance with N.J.A.C. 6A:9B or a bachelor's or master’s degree, pursuant to N.J.A.C. 6A:23A-18.2. An APSSD shall hire only staff or consultants in job titles that require certification or a bachelor's or master’s degree if the titles are included on the recognized job titles list, or if such titles are unrecognized job titles that are approved
annually by an executive county superintendent in accordance with N.J.A.C. 6A:9B-5.5. The APSSD may use unrecognized administrative job titles, but maximum salaries for the titles are restricted in accordance with N.J.A.C. 6A:23A-18.6(a)9. The maximum salaries of APSSD-hired staff in administrative or support job titles, such as, but not limited to, chief executive officer or chief financial officer, shall be limited to the maximum salary of a director in accordance with (p) above.

(r) For non-administrative individual employees, the Commissioner, or his or her designee, may approve a salary higher than the maximum allowable salary identified in (o), (p), or (q) above. Approval may be given for no more than two APSSD employees in any fiscal year in which the APSSD demonstrates, to the Commissioner’s or his or her designee’s satisfaction, the maximum allowable salary is inadequate and would cause a hardship to the APSSD. The hardship exception will be granted in limited circumstances and only if the Commissioner, or his or her designee, determines the APSSD has demonstrated an exception is warranted based upon the following:

1. The APSSD shall submit an application to the Commissioner, or his or her designee, postmarked or electronically transmitted no later than the May 1 preceding the applicable school year. The APSSD shall submit the application with appropriate documentation that shall include, but not be limited to, the following:
   i. Detailed information on the staff member for whom the increase is sought, including, but not limited to, job title and related description, experience and credentials, hire date, previous salary information and new salary sought, accomplishments/achievements of note, and publications or the like. If
applicable, the APSSD shall include the same detailed information for all staff employed under the same job title;

ii. A detailed budget demonstrating the impact the increased salary would have on the projected total expenditures, ADE, and budgeted tuition rate, if any;

iii. Detailed explanation of the need for a salary above the maximum allowable rate; and

iv. An outline of the educational impact of the employee.

2. The Commissioner, or his or her designee, shall review the application and respond in writing to the APSSD by June 30 of the school year preceding the applicable school year; and

3. Applications solely based on the length of service of the employee or familiarity with the school will not be granted.

(s) For students who are transitioning back to a program of the sending district board of education, or to a third-party location, for a portion of the enrolled school day and who require the services of an APSSD staff person, the ADE for tuition-rate purposes shall be computed as follows:

1. Regardless of the time period the student is enrolled in a program outside the APSSD, the student shall be considered a full-time APSSD student, the student's ADE shall be considered as 1.0, and the sending district board of education shall pay the full-time tuition rate.

2. The sending district board of education shall pay all costs associated with the transition service if it involves a third party.
(t) For students who are transitioning back to a program of the sending district board of education, or to a third-party location, for a portion of the enrolled school day, the APSSD shall compute the tuition rate as follows:
1. The APSSD shall calculate the student's ADE based on the number of hours enrolled in the APSSD’s program relative to the total number of possible hours of the APSSD’s program.
2. The sending district board of education shall pay all costs associated with the transition service if it involves a third party.

(u) For tuition-rate purposes for a private placement student, the APSSD shall charge not less than the audited cost per student or shall finance by other means the costs that exceed the tuition rate charged.

6A:23A-18.4 New approved private schools for students with disabilities

(a) A prospective applicant shall file with the Office of Special Education Programs (OSEP) an application to establish an APSSD and shall obtain the Commissioner’s, or his or her designee’s, approval of the application prior to operating an APSSD.
1. A current APSSD that is adding additional classrooms to an existing approved educational program at a new location, or opening a new program, is considered a new APSSD subject to (a) above. For the purpose of this paragraph, a new location may include, but shall not be limited to, a new building.
2. A current APSSD that is adding additional classrooms to an existing approved educational program, or adding a new class type(s), either of which will be housed in
another building at the current location, shall not be considered a new APSSD and shall charge as a tentative tuition rate the tuition currently charged.

(b) An applicant applying for approval as a new APSSD shall provide to the Department evidence of sufficient need for the new private school as follows:

1. The applicant shall file with the OSEP an application to establish an APSSD and shall document there is a need and the new APSSD would likely serve a minimum of 24 public school placement students.

(c) Applicants that meet the criteria in (b) above shall be approved as follows:

1. The applicant school shall receive preliminary approval to operate for a two-year period, after which the applicant school shall provide documentation that it has a minimum ADE of 24 public school placement students by the end of the second school year;

   i. An applicant school meeting the minimum ADE of 24 public school placement students by the end of the second school year shall receive new APSSD approval if it meets all other Department requirements;

   ii. An applicant school not meeting the minimum ADE of 24 public school placement students by the end of the second school year shall have its preliminary approval status revoked and shall no longer be considered an APSSD;

   iii. Any APSSD approved prior to the 2004-2005 fiscal year that falls below the previous minimum ADE of 16 public school placement students in a school year shall have its status as an APSSD rescinded and shall be considered preliminarily approved. The school shall attain a minimum ADE of 16 public
school placement students by the end of the third school year after the year in
question or its approval shall be rescinded and it shall no longer be considered
an APSSD;

iv. Any APSSD approved to operate during the 2004-2005 fiscal year, or
thereafter, that falls below an ADE of 24 public school placement students in a
subsequent school year shall be considered preliminarily approved. The school
shall attain a minimum ADE of 24 public school placement students by the end
of the third school year after the year in question or its approval shall be
rescinded and it shall no longer be considered an APSSD;

v. APSSDs operating in and affiliated with a public school district are exempt
from (b)1 and (c)1i, ii, iii, and iv above; and

vi. An APSSD operating in and affiliated with a public school district shall be
restricted to operate only in the public school district location. An APSSD
operating in and affiliated with a public school district that chooses to move to
a location other than the public school district location shall comply with this
section.

(d) An APSSD shall straight line amortize start-up costs, if any, over a 60-month period.

(e) For the first two years of operation of an APSSD, the tentative tuition rate charged at each
site shall be established annually and be based on budgeted allowable costs. An APSSD
shall submit such estimated cost(s) to the Commissioner, or his or her designee, for
approval no later than 90 days preceding the beginning of each school year. The proposed
budget shall be on a form and/or electronic system prepared by the Commissioner, or his
or her designee, that provides for, but is not limited to, the following:
1. Fiscal and programmatic data;
2. Projected allowable cost items and projected enrollments;
3. A projected budget that reflects administrative costs not in excess of, and instructional costs not less than, the percentages identified in N.J.A.C. 6A:23A-18.3(a)3 and as defined in the chart of accounts;
4. A report of all funding resources;
5. An affidavit of compliance; and
6. A statement of assurance as required by the Office of Special Education Programs.

(f) If the Commissioner, or his or her designee, approves the tentative tuition rate calculated pursuant to (e) above, each sending district board of education shall pay tentative tuition charges based upon the approved estimated costs per student for the first two years of operation.

(g) If the tentative tuition rate charged differs from the final tuition rate charged after each year of operation, the tentative tuition charges will be adjusted in accordance with N.J.A.C. 6A:23A-18.3.

(h) An APSSD approved as a new school shall not begin operations before July 1 of the school year immediately following the school year in which the APSSD received approval to operate, except for an APSSD operating in and affiliated with a public school district.

(a) An APSSD shall maintain accounting and bookkeeping systems as prescribed in the Department’s Financial Accounting for New Jersey Private Schools for Students with Disabilities in accordance with the following standards:
1. 2. At a minimum, an APSSD shall use accrual accounting on a quarterly basis.

3. An APSSD shall capitalize fixed asset expenditures of $2,000 or more and depreciate such expenditures using the straight-line depreciation method and using a useful life consistent with current Federal tax law as defined in Internal Revenue Code Section 168 and class lives as defined in that section (also see IRS Publication 946), except for real property that may be depreciated using a useful life of 15 years or the term of the original mortgage, whichever is greater.

4. An APSSD shall:
   i. Capitalize leasehold improvements made to an existing structure leased by the APSSD and depreciate the improvements using the straight-line method and a useful life equal to the lease’s remaining term and any extension(s), but not less than five years;
   ii. Depreciate any leasehold improvement(s) to which a related party(ies) is the lessor using the straight-line method and a useful life equal to the lease’s remaining term and any extension(s), but not less than 10 years;
   iii. Not depreciate a leasehold improvement(s) made to a structure for any month(s) the structure is not in service as an APSSD, or in excess of amounts determined under (a)4i or ii above for any fiscal year; and
iv. Not depreciate a leasehold improvement(s) made to a structure that does not directly benefit public school placement students being educated or that is in excess of amounts determined pursuant to (a)4i, ii, or iii above.

5. An APSSD shall maintain asset, liability, and net asset accounts, as well as expenditure and revenue accounts.

6. Nonprofit organizations shall maintain financial records on a fund basis, which requires restricted or unrestricted donations to be maintained in funds separate from the public school restricted fund. Costs incurred as a result of restricted or unrestricted donations shall be charged to the appropriate fund and not through the public school restricted fund. Profit-making organizations shall maintain financial records on a modified fund basis.

7. A chart of accounts issued by the Commissioner, or his or her designee, shall be maintained by each APSSD. A Uniform Minimum Chart of Accounts consistent with Financial Accounting for Local and State School Systems 2014, developed by the National Center for Education Statistics, incorporated herein by reference, as amended and supplemented as prepared, published, and distributed by the Commissioner, or his or her designee, for use in the accounting systems of all APSSDs shall be used for financial reporting to the Department. Effective July 1, 2017, the Department will not consider requests for approval to use an alternative chart of accounts. APSSDs that received approval prior to July 1, 2017, to use an alternative chart of accounts may continue to do so.

i. Effective July 1, 2018, the first $15,000 of attorney’s fees or other costs per litigation and per fiscal year of costs incurred by an APSSD shall be included
within the administrative cost category limits identified in N.J.A.C. 6A:23A-18.3(a)3. Costs for litigation above the first $15,000 per litigation and per fiscal year shall be outside the total cost category assignment as indicated in the Department’s chart of accounts pursuant to (a)7 above.

ii. For purposes of (a)7i above, litigation means a suit brought by or against an APSSD for which a court of law or agency of the State or Federal government assigns a docket or other form of tracking number.

8. If multiple facilities for an APSSD have been approved, financial information in the bookkeeping records shall be segregated by facility. Bookkeeping records shall include, but not be limited to:
   i. Cash receipts journal;

   iii. General ledger;
   iv. Tuition ledger;
   v. Payroll journal; and
   vi. Fixed asset inventory.

9. An APSSD shall maintain documentation to verify all amounts recorded in the general ledger. Purchase orders shall be prepared in detail to document all payments for goods and services. Invoices or cash register receipts shall be attached to their related purchase orders to support all purchases of goods and services. Detailed vouchers signed by the payee shall be attached to their related purchase orders to support all payments for personal services, employee mileage reimbursements, or any
payment for which invoices or cash register receipts are not used. All documentation shall be subject to audit by the Department and shall support expenses charged by the APSSD in its audited financial statements.

10. An APSSD shall prepare a payroll that is supported by an accurate employee time record in a format prescribed or approved by the Commissioner, or his or her designee, signed by the employee and supervisor, prepared in the time period in which the work was done and completed semi-monthly, at a minimum. An employee time record shall be prepared for all employees of the APSSD, including all administrative employees. Upon receipt of written approval from the Commissioner, or his or her designee, APSSDs may use an electronic time record system in lieu of the Commissioner-prescribed format. Approval shall continue unless and until an APSSD alters the system or engages the services of a new provider for the electronic time record system.

11. At least quarterly, an APSSD shall prepare a financial report in a format prescribed or approved by the Commissioner, or his or her designee, for the school-year program. The financial report shall be submitted to the school's governing body and its acceptance shall be documented in the governing body’s meeting minutes.

Under no circumstances shall the APSSD employee’s salary plus the contingent pay increase exceed the maximum allowable salary determined pursuant to N.J.A.C. 6A:23A-18.3(o), (p), or (q). The criteria shall be submitted to the Commissioner, or his or her designee, for approval prior to implementation. The APSSD shall make payment of the contingent pay increase upon achievement of the contractual contingencies as set forth in the approved plan. The payment shall be based upon measurable criteria and shall not be at the management’s discretion. The employee contract shall contain the following:
   i. The date and signature of both the staff member and authorized APSSD representative;
   ii. The ADE contingency the APSSD must achieve to generate the increase; and
   iii. The specific dollar amount or percentage of original contracted salary to be paid pursuant to (a)14ii above.

15. An APSSD that incurs merit pay increases shall have adopted a formal policy that outlines the criteria of the merit pay plan(s). The APSSD employee’s salary plus the merit pay shall not exceed the maximum allowable salary determined pursuant to N.J.A.C. 6A:23A-18.3(o), (p), or (q). The plan(s) shall be submitted for approval to the Commissioner, or his or her designee, prior to implementation. The APSSD shall accrue the merit pay and any resultant employer payroll tax expense in the fiscal year in which the merit pay is awarded. Payment of such merit pay increase upon
achievement of the criteria set forth in the approved plan shall occur no later than the following January 31. The payment shall not be at the management’s discretion. The plan(s) shall include the following:

18. Mileage records shall be maintained for each school-owned vehicle, leased vehicle, or vehicle contained in a related party transaction involving the purchase of transportation services in a format prescribed by the Commissioner, or his or her designee. The mileage records shall be maintained on a trip-by-trip basis and shall include any personal use including to/from work commutation. At the end of the fiscal year, the percentage determined by the total personal miles to total miles shall
be applied to all costs associated with the vehicle(s) and the personal costs shall be excluded from the actual allowable costs. Vehicle costs may include, but not be limited to, the following: depreciation, lease costs, gas, oil, repairs and maintenance, and insurance.

21. A nonprofit entity that has chosen to cease operations as a nonprofit APSSD shall distribute its accumulated public school placement restricted working capital fund to each sending district board of education that had enrolled students during the APSSD’s last five years of operation. Public school placement restricted working capital may be retained if an APSSD reconfigures its operations and continues to serve a majority of the same sending district boards of education from the last five years of operation.
   i. The distribution shall be based on the ratio of each sending district board of education's total ADE in the APSSD for the last five years of operation to the APSSD’s total ADE for the same period.
ii. Within 90 days of filing with the Department the required year-end audited financial statements in accordance with N.J.A.C. 6A:23A18.10, the APSSD shall submit to the Commissioner, or his or her designee, a listing of the total distribution of the public school placement restricted working capital fund, by sending district board of education.

22. An APSSD shall ensure school staff; consultants; subcontractors, including members of a management company; and anyone working with students hold the proper school certification, license, or bachelor's degree required pursuant to N.J.A.C. 6A:23A-18.2 to provide the services being rendered.

(b) An APSSD that receives a refund(s) from a current or prior-year expenditure, or that cancels an accounts payable, shall apply the refund or accounts payable as a reduction to the original general expenditure account charged to reduce the current-year expenditure account even if the original expenditure was not made in the current fiscal year.

1. The county office of education may conduct an on-site facility review to determine if there is sufficient space at the APSSD’s educational facility for these operations; and/or

2. The APSSD shall submit to the Commissioner, or his or her designee, documents that substantiate the need for additional space.

All administrative and business functions on the APSSD’s premises whether the premises are owned or leased by the APSSD, and during the APSSD’s normal hours of operation, except for meetings and/or conferences held offsite related to the job function. If the APSSD’s facilities are not deemed feasible for any administrative or business function, the APSSD shall provide written justification to the Commissioner, or his or her designee, and request approval of a reasonable alternative work location.

(f) An APSSD shall establish and maintain an employee handbook that shall be distributed to all staff each school year and made available to the Department upon request. The APSSD’s employee handbook shall include an outline of all employee fringe benefits. All
employee fringe benefits shall be adopted at a board of directors meeting and documented in board minutes prior to implementing the fringe benefit. Employee fringe benefits that are consistent with N.J.A.C. 6A:23A-18.6(a)23 for which costs are deemed allowable are as follows:

An independent auditor shall compute imputed interest on funds that are loaned at less than the prime interest rate or interest free. Imputed interest revenue shall be netted first against short-term interest costs and then against long-term interest costs incurred by an APSSD. If the APSSD has not incurred interest costs, the imputed interest revenue shall be netted against costs incurred in account numbers classified as undistributed expenditures—central services.

(h) A nonprofit APSSD that has a positive public school placement restricted working capital fund balance but reports a net deficit unrestricted fund balance for more than three consecutive fiscal year-ends shall submit to the Commissioner, or his or her designee, within 60 days after the third fiscal year’s end, a corrective action plan to reduce the net overall deficit fund balance. The nonprofit APSSD shall be subject to Department monitoring to ensure implementation of and adherence to the corrective action plan. 3. Is due to a staff member’s additional job responsibilities such as a coach, advisor, or mentor;
4. Is in accordance with (a)14 or 15 above; or
5. Has been approved by the Department after review of a formal written request to the Commissioner, or his or her designee, documenting the facts supporting the increase.

N.J.A.C. 6A:23A-18.18 Sale or disposition of assets of an approved private school for students with disabilities

(a) In the event of the bulk sale or non-bulk sale of the capital assets of an APSSD to any
individual or entity, including another APSSD, the selling APSSD shall:

1. Agree to an independent valuation of the acquired assets for the purpose of allocation of the total purchase price to the various acquired capital assets;

The written agreement of sale shall clearly identify the transferred capital assets and, at a minimum, include the date(s) of acquisition and historical cost(s), the dates of capital improvement(s) and historical cost(s), the term of depreciation, the method of depreciation, and the accumulated depreciation for financial purposes of each transferred capital asset. The written agreement of sale shall allocate the total consideration provided to the selling APSSD based upon the independent valuation of the acquired assets;

3. Within 30 days of sale, the selling APSSD shall provide the Department with a copy of the sale agreement, the independent valuation of the capital assets, and the allocation of the purchase price as defined in Internal Revenue Code (IRC) Section 1060 and documented by Internal Revenue Service Form 8594 or successor form.

4. The selling APSSD shall include in the annual audited financial statement as required by N.J.A.C. 6A:23A-18.10 in the year of sale, a separate schedule showing the sale or disposition of its assets and any corresponding tuition refund(s) to the sending district(s) based on the sale of assets (books, supplies, desks, computers, equipment under $ 2,000, depreciable equipment, etc.) other than Class VI or VII as defined in the IRC cited above (goodwill, going concern, etc.);

6. If the buyer is an APSSD that is a less-than-arm’s-length buyer or a related party to the selling APSSD, the buying APSSD shall carry forward the selling APSSD’s acquisition dates(s), historical cost(s) plus improvements, term and method of financial depreciation, accumulated depreciation, and book value of the acquired asset(s) for purposes of determining the allowable annual depreciation or amortization pursuant to the acquisition.

(b) In the fiscal year of the sale or disposition pursuant to (a) above, the gain or loss on the sale of capital or non-capital asset(s) shall not be included in the calculation of allowable costs used to determine the certified actual cost per student, the calculation of surcharge pursuant to N.J.A.C. 6A:23A-18.7, or public school placement restricted working capital pursuant to N.J.A.C. 6A:23A-18.8.

(c) In addition to the provisions of (a) above, the following conditions shall apply in the event of a sale of real property by an APSSD:

1. If the selling APSSD acquires real property placed in service for the express purpose of operating the APSSD using all of the proceeds from the sale of real property within 30 business days of the sale, the selling APSSD shall not be subject to (c)2 through 4 below.

2. The selling APSSD shall immediately deposit the proceeds received upon the sale at settlement into a bank account maintained by the APSSD and credited to the retained earnings of the profit-making APSSD or the working capital from sale of real property account of the nonprofit APSSD, except for the simultaneous purchase of
real property placed in service for the express purpose of operating the APSSD. The sale and treatment of the proceeds shall be included in a separate schedule in the annual audited financial statement as required by N.J.A.C. 6A:23A-18.10 in the year of sale and all subsequent years through the fiscal year in which any corresponding tuition refund(s) has been completed.

3. The selling profit-making APSSD shall:
   i. Not withdraw any amount deposited pursuant to (c)1 above from the APSSD-maintained bank account and/or retained earnings for a period of 12 months, except to acquire real property to be owned by the APSSD and to be placed in service for the express purpose of operating the APSSD, or to distribute proceeds as provided for in (c)3ii below; and
   ii. Within 13 months after the sale, distribute the proceeds not used to acquire real property owned by the APSSD and placed in service for the express purpose of operating the APSSD from retained earnings to sending school districts that paid tuition to the APSSD during the five years of operation prior to and including the year of sale as set forth below:
      (1) The amount of sale proceeds to be refunded to the sending school districts shall be equal to, but shall not exceed, the allowable accumulated depreciation of the property;
      (2) The distribution shall be based on the ratio of each sending district board of education’s total ADE in the APSSD to the APSSD’s total ADE for the five years of operation prior to and including the year of sale or disposition of the real property;
(3) Remaining proceeds may remain in the APSSD’s retained earnings for use at the discretion of the profit-making APSSD’s management;

(4) Interest earned on the sale proceeds shall be subject to the provisions of N.J.A.C. 6A:23A-18.7; and

ii. Within 13 months after the sale by the APSSD, distribute the proceeds not used to acquire real property owned by the APSSD and placed in service for the express purpose of operating the APSSD, or distributed as required by N.J.A.C. 6A:23A-18.5(a)21 to sending school districts that paid tuition to the APSSD during the five years of operations prior to and including the year of sale as set forth below:

(1) The amount of sale proceeds to be refunded to the sending school districts shall be equal to, but shall not exceed, the allowable accumulated depreciation of the property;
(2) The distribution shall be based on the ratio of each sending district board of education’s total ADE in the APSSD to the APSSD’s total ADE for the five years of operation prior to and including the year of sale or disposition of the real property;

(3) Remaining proceeds may be transferred to the APSSD’s working capital account within the limitations at N.J.A.C. 6A:23A-18.8 for use at the discretion of the APSSD’s management; and

(4) Interest earned on the sale proceeds shall be subject to the provisions of N.J.A.C. 6A:23A-18.8.

(d) In the event of a sale of stock representing ownership of a profit-making APSSD, the new owner of the APSSD assumes the carryover book value of all assets and liabilities held by the profit-making APSSD. Any gain or loss on the sale of the stock shall be outside of the operations of the APSSD and shall not impact the calculation of the certified actual cost per student or the surcharge pursuant to N.J.A.C. 6A:23A-18.7 in the year of sale or disposition.

Nothing in this subsection shall be construed to prevent or limit criminal prosecution.

1. The name, location, and date(s) of the event supported by a copy of the agenda or program for the event;
2. A statement justifying the necessity for each staff member(s) attendance, including the primary purpose of the event, the relevance of the event to the staff member’s work duties, and how the event will improve instruction or the operation of the APSSD; and
