Subject Matter Preparation

- For certification as a **Latin** teacher, current regulations require that applicants complete a minimum of 30 credits in a coherent sequence in the subject field of **Latin**. Please provide a course description if a course is not taken from the **Latin** Department. Courses in pedagogy/education are not accepted towards the subject matter preparation. The final determination as to which courses will be counted towards **Latin** subject matter is based on professional and content standards found in the NJ Licensing Code. **All credits must appear on a regionally accredited 2 or 4 year college/university transcript.**
