This endorsement entitles the holder to teach Japanese in all public schools.

Degree Requirement
- A minimum of a bachelor’s degree is required from a regionally accredited college/university.

Cumulative GPA Requirement
- New Jersey requires that candidates for certification achieve a cumulative GPA of at least 3.0 when a GPA of 4.00
equals an A grade for students graduating on or after September 1, 2016 (2.75 for those graduating before September 1, 2016)
in a baccalaureate degree program, higher degree program or a State-approved post-baccalaureate certification program with a minimum of 13 semester-hour credits.
- Please note that there are GPA Flexibility Rules where a high praxis score may offset a GPA that is lower than 3.0, but
higher than 2.75.

Subject Matter Preparation
- For certification as a Japanese teacher, current regulations require that applicants complete a minimum of 30 credits in
a coherent sequence in the subject field of Japanese. A coherent sequence requires that at least 12 credits are
completed at the advanced level of study (junior, senior or graduate level). Examples of courses accepted for Japanese
include Japanese language and culture. Related courses may be accepted depending on the course
description/content. Please provide a course description if a course is not taken from the Japanese Department. Courses in pedagogy/education are not accepted towards the subject matter preparation. The final determination as to
which courses will be counted towards Japanese subject matter is based on professional and content standards found
in the NJ Licensing Code. All credits must appear on a regionally accredited 2 or 4 year college/university
transcript.

Oral Proficiency Interview
- The Oral Proficiency Interview (OPI) in Japanese with a score of “Intermediate High” or higher is required. You must
possess linguistic competency in the designated world language as demonstrated on a Department-approved, nationally
recognized test of oral language proficiency for spoken language, reading/writing proficiency for classical languages or
receptive/expressive proficiency for American Sign Language. Information regarding this test may be found on the
Language Testing International website or by calling Language Testing International by phone at (914) 963-7110.

Second Language Acquisition & Related Methodologies
- Please note that before a CEAS or standard certificate may be issued, a minimum of three semester-hour credits in
second language acquisition theory and related methodologies offered by a regionally accredited two or four year
college or university must be completed. Please choose from our list of approved courses.

Professional Teacher Preparation
- Current regulations for certification require that applicants complete a coherent sequence of study in professional
education which may be completed in a provisional teacher program or an approved teacher preparation program. This
is to advise that courses presented by the applicant in professional education must be a coherent sequence of courses
that culminates in supervised clinical practice.

State Teaching Certificate
- Please submit a copy of a valid out-of-state teaching certificate that is equivalent to a NJ Standard Instructional
Certificate. Holders of a NJ Standard Instructional Certificate do not need to send in a copy of their certificate.
Record of Professional Experience
- Please submit the Record of Professional Experience form which must be filled out by your employer.

The New Jersey Department of Education will make the final determination as to whether or not the experience meets NJ reciprocity regulations.

Please Note: Holders of a NJ standard instructional certificate do not need to send in the above form with the exception of those who hold a standard Teacher of the Handicapped certificate.

Physiology and Hygiene Requirement
- This requirement may be completed by presenting evidence of basic military training, OR by completing a course such as biology, health or nutrition that appears on a regionally accredited 2 or 4 year college or university transcript, OR by completing a 35 question True/False test administered in the county office of education. Please contact a county office after you apply online.
