This endorsement entitles the holder to teach Family and Consumer Sciences in all public schools. Family and consumer sciences includes: family economics and resource management; family relations and human development including child care and development and parenting education; housing and environment including interior design; nutrition, health and food management and preparation; textiles and apparel design, construction and merchandising; and exploration in family and consumer sciences related occupations.

Degree Requirement
- A minimum of a bachelor's degree is required from a regionally accredited college/university.

Cumulative GPA Requirement
- New Jersey requires that candidates for certification achieve a cumulative GPA of at least 3.0 when a GPA of 4.00 equals an A grade for students graduating on or after September 1, 2016 (2.75 for those graduating before September 1, 2016) in a baccalaureate degree program, higher degree program or a State-approved post-baccalaureate certification program with a minimum of 13 semester-hour credits.
- Please note that there are GPA Flexibility Rules where a high praxis score may offset a GPA that is lower than 3.0, but higher than 2.75.

Subject Matter Preparation
- For certification as a Family and Consumer Sciences teacher, current regulations require that applicants complete a minimum of 30 credits in a coherent sequence in the subject field of Family and Consumer Science to include the following study:
  - Child and family development/care or human development
  - Food preparation, nutrition or food science
  - Apparel design/construction or textiles
  - Interior design or housing and environments
  - Personal/family finances or resource management

A coherent sequence requires that at least 12 credits are completed at the advanced level of study (junior, senior or graduate level). Please provide a course description if a course is not taken from the Family and Consumer Sciences Department. Courses in pedagogy/education are not accepted towards the subject matter preparation. The final determination as to which courses will be counted towards the Family and Consumer Sciences subject matter is based on professional and content standards found in the NJ Licensing Code. All credits must appear on a regionally accredited 2 or 4-year college/university transcript.

Testing Requirements
- Praxis II Test Requirement
  Official scores must be presented directly from Educational Testing Service to the NJ Department of Education. Only official scores are accepted. The New Jersey Department of Education code (R7666) and your Social Security number must appear on your test score report in order to be accepted. Please submit a copy of your test score report if you have taken the appropriate exam.
Professional Teacher Preparation
- Current regulations for certification require that applicants complete a coherent sequence of study in professional education which may be completed in a provisional teacher program or an approved teacher preparation program. This is to advise that courses presented by the applicant in professional education must be a coherent sequence of courses that culminates in supervised clinical practice.

Teacher Performance Assessment
- Candidates seeking initial certification must pass a Commissioner-approved performance-based assessment of teaching if they graduated on or after September 1, 2017. The Verification of Program Completion form needs to be completed in its entirety by your college/university.

Physiology and Hygiene Requirement
- This requirement may be completed by presenting evidence of basic military training, OR by completing a course such as biology, health or nutrition that appears on a regionally accredited 2 or 4 year college or university transcript, OR by completing a 35 question True/False test administered in the county office of education. Please contact a county office of education after you apply online.

Fee Requirement
