

New Jersey Department of Education
 Nonpublic School State and Federally Funded Programs
 Recommended Timeline for Timely Delivery of Services and Products

Task/Activity	Timeframe
1. The school district determines how services/products will be provided for the upcoming school year – either by the district or by a third-party provider.	End of March
2. The school district consults with the nonpublic schools to understand the needs of eligible students and determine the services/products to be provided in the upcoming school year. For planning purposes, the school district can use the previous year’s entitlement amounts for cost estimates of the services/products to be provided. If a new provider for 192/193 or nursing service is sought, “timely and meaningful consultation” with the nonpublic school and parents should take place prior to any change, <i>by mid-April</i> .	By mid-April if there will be a change in the service provider By the end of May if there will be no change in the service provider
3. If a new provider/vendor is sought, the school district initiates the contracting process.	April
4. For <i>ESEA</i> grants: the district uploads the ESEA Affirmation of Consultation form in NJ Homeroom prior to the submission of the <i>ESEA</i> application in EWEG, due <i>before July 1</i> . If the nonpublic school elects not to participate in an <i>ESEA</i> program, a completed and signed Refusal of Funds form must be uploaded in the NJDOE’s Homeroom online portal.	May – end of June or when spring consultation is complete
5. The school district obtains necessary board approvals for contracts and purchase orders for nonpublic services and products that are needed at the start of the school year ¹ , whereupon contracts are finalized and purchase orders are placed (allow time for bidding process, if applicable). Once a decision to change providers has been made, and prior to the effective date of the change in service, the nonpublic school must be notified.	June - August Board Meeting
6. NJDOE provides entitlement figures to school districts. <ul style="list-style-type: none"> • Federal programs (<i>IDEA</i> and <i>ESEA</i>) • Nursing, security, textbooks and technology • Chapter 192/193 	<ul style="list-style-type: none"> • May - June • Mid-July • Mid-August

¹ Purchase orders for goods and services may be processed throughout the school year in which the funds are allocated.
