

STATE OF NEW JERSEY DEPARTMENT OF EDUCATION

Federal Loan Forgiveness and Cancellation

The New Jersey Department of Education has developed this guide to help every eligible New Jersey educator reap the benefits of the [national loan forgiveness](#) programs.

STEPS FOR TEACHERS LOOKING TO QUALIFY FOR LOAN FORGIVENESS OR CANCELLATION:

Step 1: Identify your type of loans

✓ Loan Forgiveness

A Direct Subsidized Loan, Direct Unsubsidized Loan, Subsidized Federal Stafford Loan, and Unsubsidized Federal Stafford Loan all qualify

✓ Loan Cancellation

A Perkins loan qualifies

✓ NOTE: A PLUS Loan does NOT qualify for forgiveness or cancellation

Step 2: Determine if you are an eligible educator

✓ Loan Forgiveness Eligibility Requirements

Any teacher who:

- Has 5 consecutive years of full time service in an eligible school as listed on the Teacher Cancellation Low Income (TCLI) List; or at an Educational Service Agency after 2007-2008.
 - To be on the [TCLI](#) list your school had to
 - submit annual data via NJSMART or the non-public enrollment report stating that they served **more than 30% of the students Free and Reduced Price lunches**
 - be located in a **Title I eligible school district**
- Began teaching after the **1997-1998 school year**
- Has no outstanding balances or is in default on any loans
- Has loans that have been created before the end of the 5-year commitment

✓ Loan Cancellation Eligibility Requirements

Any educator who:

- Has 1 year of full-time teaching service in the area of Special Education or a shortage area; has 1 year of full-time teaching in a non-profit private school; or has worked at an Education Service Agency after August 14, 2008
 - Special Education includes: speech, physical therapy, occupational therapy, psychologists and counseling services, and recreational therapy
 - Shortage area includes: Bilingual/Bicultural, World languages, Science, Math, ESL, Elementary w/subject specialization in Math, Science, or World Languages, and Special Education and all CTE areas
- Has applied to defer loan payments while teaching

Step 3: Request an application

✓ Loan Forgiveness

- Access the application:

<http://ifap.ed.gov/dpcletters/attachments/GEN1216Attac18450059TLFAppFINALExp20140531.pdf>

✓ Loan Cancellation

- Request the form from the school that administered your Perkins Loan

Step 4: Submit documentation to the loan provider

✓ Loan Forgiveness

- The amount of forgiveness varies on the subject you teach, when you taught, and whether or not you were considered a Highly Qualified full-time teacher

✓ Loan Cancellation

- 15% for 1st year and 15% for 2nd year
- 20% for 3rd year and 20% for 4th year
- 30% for 5th year, totaling 100% over 5 years

Troubleshooting

If you have completed AmeriCorps service...

- DO NOT USE or APPLY any of the AMERICORPS funding towards any loans prior to receiving forgiveness. Using any kind of AmeriCorps grants or funding will disqualify an educator from being able to receive forgiveness.
- If you have already applied some of your grant money, you may still be able to apply for cancellation for only your Perkins loans.

If you are a Teach for America teacher...

- TFA corps members qualify after their coursework is complete. Corps members that already have their teaching certificate will only have to teach for 5 years, but an uncertified corps member needs to teach for 7 years to be able to qualify for forgiveness; this is because during the first two years your loans were not in repayment.
- DO NOT USE or APPLY any of your AMERICORPS funding towards your loans- this includes interest payments- otherwise you are no longer eligible for forgiveness.
- If you have already applied some of your grant money, you may still be able to apply for cancellation for only your Perkins loans.

If you have changed schools multiple times...

- You must have ALL administrators from ALL of your schools sign off on the application.
 - *For example: You are requesting forgiveness for 5 years of service and during that 5 years you were at 3 different **yet eligible** schools. Therefore, you must have each of those 3 administrators confirm your service at their school during those years.*

If you stopped teaching in the middle of a school year...

- For that year to count towards eligibility you must prove that at least half of the year was served and your employer considered it a full year for pension, retirement or salary applications; or your FMLA was approved; or you had active duty for more than 30 days; or you were a part-time student in area they are teaching.

If you consolidated your loans...

- Only the **Direct and FFEL Consolidation Loan programs** are approved for any forgiveness. Also, only the portion of the consolidation loan used to repay the eligible loans (see top) qualifies for loan forgiveness.

If your school is not listed on the [TLCI](#) list...

- ✓ Verify that the school district receives Title I funding, or the school/center provides services to a Title I school district for each of the years you are requesting eligibility. To complete the verification process, please prepare on **letterhead**, and submit the following to loans@doe.state.nj.us:
 - For each year of eligibility - the total student population, and the free and reduced price lunch eligible student count (for calculation purposes for each school year). Include supporting documentation from your lunch program showing those numbers.
 - Include a copy of the school or center's contract, if contracting with an Abbott/Title I school district.
- ✓ Upon verification of the information and data, if the school is eligible, the Department will add them to the TLCI list.

NOTE: The school should be reporting yearly data to the Department indicating that they serve more than 30% of their students Free and Reduced Lunch. For more information, contact: loans@doe.state.nj.us

Glossary

Educational Service Agency: A regional public multiservice agency (not a private organization) that is authorized by state law to develop, manage, and provide services or programs to local education agencies, such as public school districts.

Eligible School: A public or other nonprofit elementary or secondary school in a school district that is eligible each year for assistance under Title I, and provides more than 30% of the students free and reduced lunch out of the total enrollment of that school.

Loan Cancellation: A process by which educators can qualify for part or all of the total amount of the loan to be canceled while still in deferment. Cancellation is considered on a yearly basis and educators must re-apply each year.

Loan Forgiveness: A process by which the Federal Government forgives a part of specific loans once an educator's loans have entered into repayment.

Subsidized Loan: A loan where the federal government pays the accrued interest before loans are paid back.

Unsubsidized Loan: A loan where the borrower is completely responsible for all interest accrued.
