NEW JERSEY GOVERNMENT RECORDS COUNCIL

Administrative Complaint Disposition – No Correspondence Received by the Custodian Regarding This Request (Re-Issue)¹

Thomas & Christine Russi GRC Complaint No. 2014-294
    Complainant

v.

Mercer County Prosecutor’s Office
    Custodial Agency

Custodian of Record: Joseph L. Bocchini, Jr.²

Request Received by Custodian: None

GRC Complaint Received: August 19, 2014

Complaint Disposition: The Custodian certifies that he did not receive a records request, dated July 24, 2014, from the Complainant. Additionally, Complainants failed to provide any evidence to contradict the Custodian’s certification. Therefore, this complaint is without any reasonable factual basis to pursue.

Applicable OPRA Provision: “The custodian of a public agency shall adopt a form for the use of any person who requests access to a government record held or controlled by the public agency. The form shall provide space for the name, address, and phone number of the requestor and a brief description of the government record sought. The form shall include space for the custodian to indicate which record will be made available, when the record will be available, and the fees to be charged. The form shall also include the following: (1) specific directions and procedures for requesting a record; (2) a statement as to whether prepayment of fees or a deposit is required; (3) the time period within which the public agency is required by [OPRA], to make the record available; (4) a statement of the requestor's right to challenge a decision by the public agency to deny access and the procedure for filing an appeal; (5) space for the custodian to list reasons if a request is denied in whole or in part; (6) space for the requestor to sign and date the form; (7) space for the custodian to sign and date the form if the request is fulfilled or denied. The custodian may require a deposit against costs for reproducing documents sought through an anonymous request whenever the custodian anticipates that the information thus requested will cost in excess of $5 to reproduce.” N.J.S.A. 47:1A-5(f).

¹ The Council is re-issuing this complaint, based on a party notification error from the September 29, 2015, adjudication that is inconsistent with the GRC’s procedures. The GRC notes that the Council’s re-issuance of this matter restarts the time frame for both a request for reconsideration and appeal to the Appellate Division of the Superior Court of New Jersey.

² Mr. Bocchini retired in February 2015. The current Custodian of Record is Angelo J. Onofri.
“A request for access to a government record shall be in writing and hand-delivered, mailed, transmitted electronically, or otherwise conveyed to the appropriate custodian.” N.J.S.A. 47:1A-5(g).

“The council shall make a determination as to whether the complaint is within its jurisdiction or frivolous or without any reasonable factual basis.” N.J.S.A. 47:1A-7(e)(emphasis added).

This is the final administrative determination in this matter. Any further review should be pursued in the Appellate Division of the Superior Court of New Jersey within forty-five (45) days. Information about the appeals process can be obtained from the Appellate Division Clerk’s Office, Hughes Justice Complex, 25 W. Market St. PO Box 006, Trenton, NJ 08625-0006.
