v.

Berkeley Township (Ocean)
Custodial Agency

Custodian of Record: Karen Stallings
Request Received by Custodian: May 12, 2023
GRC Complaint Received: May 22, 2023

Complaint Disposition: The Custodian certified that all records responsive to the Complainant's OPRA request were provided to the Complainant within the statutorily mandated response time.¹ Additionally, the Complainant failed to provide any evidence to contradict the Custodian's certification. Thus, this complaint shall be dismissed because the Custodian timely provided all responsive records.

Applicable OPRA Provision: "A custodian shall promptly comply with a request to inspect, examine, copy, or provide a copy of a government record." N.J.S.A. 47:1A-5(g).

"Unless a shorter time period is otherwise provided by statute, regulation, or executive order, a custodian of a government record shall grant access to a government record . . . as soon as possible, but not later than seven business days after receiving the request, provided that the record is currently available and not in storage or archived." N.J.S.A. 47:1A-5(i).

This is the final administrative determination in this matter. Any further review should be pursued in the Appellate Division of the Superior Court of New Jersey within forty-five (45) days. ¹ The Complainant disputed that the Custodian failed to disclose an Animal Control summons that existed. However, the disclosed incident report shows that Animal Control assisted the police and does not indicate that a summons was issued. The forgoing is consistent with the Custodian's Statement of Information certification and supporting documentation.
