

**The New Jersey WIC Special Supplemental Nutrition Program for Women, Infants and Children (WIC) Program is accepting applications from current authorized vendors for participation in the Vendor reimbursement program for eWIC hardware / software upgrades or new Point of Sale (POS) equipment.**

New Jersey WIC will be providing full or partial reimbursement for upgrades to existing point of sales (POS) systems and / or new equipment that you purchase for your store(s) to transition to eWIC.

The English version and the Spanish version of the application is attached. The application has all the details on the reimbursement program.

As a first step, complete the fillable form attached with the application and obtain a quote from a POS provider (suggested providers are in the application). Submit both to [NJ.WICVendor@doh.nj.gov](mailto:NJ.WICVendor@doh.nj.gov) by the designated deadlines below:

- Vendors located in Mercer, Middlesex, and Monmouth counties (eWIC Pilot areas), must submit applications by 5:00pm on March 22<sup>nd</sup>, 2021.
- Vendors located in the remaining counties, must submit applications by 5:00pm on April 23<sup>rd</sup>, 2021.

**A technical assistance call is scheduled for Wednesday, January 27<sup>th</sup> to further detail the program and the reimbursement process.**
