**Re: Notice of Recission of
Revocation for Nurse Aide
Certification**

Precious Aladi vs. New Jersey
Department of Health
Certification No.: NA8030354
OPC No.: 19-12593

Dear Ms. Aladi:

Please be advised the August 26, 2022 revocation of your Certified Nurse Aide Certification was rescinded on November 10, 2022.

Please note that the Pretrial Intervention Order of Dismissal under R. 3:28-7(b)(1) attached to your October 19, 2022 letter does not establish that you did not commit the acts set forth in the June 28, 2019 Indictment. The Pretrial Intervention Program is a diversionary program that does not address the issues set forth in the Indictment.

Additionally, you state in your letter that you recently moved to a new address. The address reflected in PSI is not the address you provided to the Department in your Request for Hearing Form attached to your November 7, 2022 letter. It is your responsibility to ensure that your address remains current in PSI.

Finally, please note that you must still meet all requirements set forth in N.J.A.C. 8:39-43.6 because your certification expired on February 22, 2020.

Thank you.

Sincerely,

Marquis D. Jones, Jr.
