Data were collected on 1,085 clients in 2009 who went through the Mercer County Intoxicated Driver Resource Center program or were monitored by the Mercer County IDRC. The following tables and graphs give demographic information about these clients. Clients' reported alcohol and other drug use characteristics are also described. Information was gathered from a mandatory self-administered questionnaire given during the IDRC classes and the counselors' screening/evaluation scoring forms.

Mercer County IDRC Client Demographics
