

Data were collected on 1816 clients in 2010 who went through the Camden County Intoxicated Driver Resource Center program or were monitored by the Camden County IDRC. The following tables and graphs give demographic information about these clients. Clients' reported alcohol and other drug use characteristics are also described. Information was gathered from a mandatory self-administered questionnaire given during the IDRC classes and the counselors' screening/evaluation scoring forms.

Camden County IDRC Client Demographics
