EOF PROGRAM IMPROVEMENT PROJECT

Purpose: Improve program services to encourage engagement, community, and persistence as well as ensure we are adequately addressing students needs

Total Award: \$12,300

WHERE WE ARE

To Do	In Progress	Completed
Distribute Survey to Students	Survey Development	Hired Evaluation Firm for Survey
Review Survey Results/Analysis		Created Survey Parameters
Run Focus Groups (qual. data)	Creation of Professional Development Modules	Identified Survey/Analysis Timeline
Staff Completion of Modules		Outlined Objectives for Modules
Evaluate and Re-Design Workshops		Hired Consultant for Professional Development
Implement Program Changes ★		

WHAT WE HOPE TO ACHIEVE

Better understand students' experiences with program services and their impact on their success

Build staff skills in curriculum development, program engagement, and assessment for more effective/targeted programs

Re-structure and improve EOF services/supports that best meets our students needs
