

WE HAVE A COVID-19 VACCINE FOR YOU

The New Jersey Department of Health, working with NJ FamilyCare, has a COVID-19 vaccination appointment for you!

Call the NJ vaccine call center to book your appointment, or schedule online at www.covid19.nj.gov/finder. The call center can help in scheduling you or anyone you know in NJ, ages 12 and up. **There is no cost for the vaccine.**

- Immigration status will not preclude you from receiving the vaccine (*please see [here](#) for additional immigration resources*).
- You can receive the vaccine even without health insurance (*please see [here](#) for additional insurance resources*).

The NJ vaccine call center is available at 1-855-568-0545 between 8am – 8pm
(Spanish and 240 languages are available)
