ADMINISTRATIVE ACTION

FINAL AGENCY DECISION

OAL DKT. NO. HMA 18191-16

As Director of the Division of Medical Assistance and Health Services, I have reviewed the record in this case, including the OAL case file and the Initial Decision approving the Settlement Agreement reached by the parties. Procedurally, the time period for the Agency Head to file a Final Agency Decision is March 9, 2017 in accordance with N.J.S.A. 52:14B-10, which requires an Agency Head to adopt, reject, or modify the Initial Decision within 45 days of receipt. The Initial Decision was received on January 23, 2017.

This matter arises from the denial of Medicaid eligibility. However, based upon the submission of additional information, the parties entered into a Settlement Agreement whereby Essex County agreed to reprocess Petitioner's application for benefits.

The ALJ approved the Settlement Agreement because it was consistent with the law, fully disposed of all issues in controversy and was voluntarily entered into by both parties, in accordance with N.J.A.C. 1:1-19.1.

Based upon my review of the record, I agree with the ALJ's conclusions and ADOPT the Settlement Agreement as based upon substantial credible evidence and consistent with applicable law.

THEREFORE, it is on this 30th day of March 2017,

ORDERED:

That the Initial Decision approving the Settlement Agreement in this matter is hereby ADOPTED.

Division of Medical Assistance
and Health Services
