The Opioid Overdose Prevention Project is made possible by funding received from the New Jersey Governor's council on Alcoholism and Drug Abuse, New Jersey Department of Human Services, Division of Mental Health and Addiction Services and Morris County Prevention Is Key, INC.

No More Whispers.

Let's end the whispering about mental illness and addiction. There is no shame. You can't catch it, and like many other diseases, no one asks for it. It affects all ages, ethnicities, income levels and genders. We all know someone. Don't fear it. Don't judge it. Understand it. *Let's not whisper anymore.*
