- Q&A
Overview

- **NJ Mental Health Application for Payment Processing (NJMHAPP)** is a web based modular system, which provides ability for Providers that are transitioning to Fee For Service, to submit eligible encounters/claims for all fee for service programs/services to DMHAS.

- **NJMHAPP Phase II release** adds additional Functionality and Programs/Services to be utilized by the participating Provider Agencies.

- **NJMHAPP** provides ability to generate an extensive array of parameter driven reports.

- **Overview of Provider Agency functionality only.**
NJMHAPP 2.0 Features/Modules

- **NJMHAPP Modules**
  - Home/Login Page
  - Consumer Search

NJMHAPP 2.0 Features/Modules

- **Provider User Login function**
  - Displays and requires Terms and Conditions of use consent.

TERM AND CONDITIONS OF USE

The NJMHAPP web application contains health information, including mental health diagnosis and treatment information, that is protected under federal and state law, including the Health Insurance Portability and Accountability Act of 1996 (HIPAA), 45 C.F.R. Parts 160 & 164, and N.J.S.A. 30:4-24.3. Only authorized users are allowed to access the NJMHAPP web application; unauthorized access to the NJMHAPP web application is strictly forbidden.

As a NJMHAPP web application user, I understand that my work will involve access to confidential client health information, which is protected by federal and state laws, for the purpose of providing or arranging treatment, payment or other health care operations.

I acknowledge that I am engaged by a covered entity. I further acknowledge my responsibility to protect the privacy of and to guard against inappropriate use or disclosure of client health information by logging in as a user. I will use the NJMHAPP web application only for authorized purposes.

Please note, once Encounter Data is submitted, it can’t be edited.

- By checking the box to the left of this text, the NJMHAPP user entering the encounter information is confirming that such encounter data has been entered accurately based on information recorded in the client’s progress note on the entered date(s) with respect to the type and duration (number of units) provided to the client.
- Check the box to the left if 1) the service identified in the Encounter/Billing calendar is not a Medicaid covered-service or 2) you have checked the EMMVS and confirmed that the consumer receiving the service was not eligible for Medicaid on the date(s) for which you entered encounter units.
NJMHAPP 2.0 Features/Modules

Fiscal Dashboard (Snapshot and description)
- Avails the following Provider Agency fiscal information:
  - **Monthly Limit** – Budget dollars provided to the agency by the state
  - **Remaining Amount** – Budget amount remaining to date after Encumbered services are entered into the system
  - **Net Encumbered** – Encumbered services dollar amount
  - **Encounter/Billed** – Total amount billed to state in the system for the current month.
  - **Adjusted** - Amount adjusted by DMHAS Fiscal due to offline financial transactions.
- Displayed as part of Admission, Encumbrance, and Encounter/Billing modules.
- Is available as a pop-up window for an on-demand view in any module by selecting Fiscal Dashboard menu option.

![Fiscal Dashboard Example](image-url)
NJMHAPP 2.0 Features/Modules

NJMHAPP 2.0 Features/Modules

Notes Module

• Gives Providers ability to enter notes associated with Consumer Admission.
• Notes will be retained in the system and presented within the same Notes module with User ID and timestamp.
NJMHAPP 2.0 Features/Modules

Ticket Management module

• Gives Providers the ability to log issues related to Consumer as well as system, Program and Fiscal issues.
• All tickets are reviewed and addressed by DMHAS staff.
NJMHAPP 2.0 Features/Modules

HL7 Import Module

- Gives Providers ability to import Consumer Demographic and Address information extracted from their systems in HL7 format in order to streamline the data entry process and minimize data entry errors.
- Provides ability to review and delete specific Consumer/Consumer demographic information from imported set.
Pilot Provider Agencies’ NJMHAPP Training will be conducted at the Central office in Trenton on April 24th and 25th.

NJMHAPP will be made available for Pilot User Acceptance Testing (from Provider Agencies’ offices) from May 1st through May 23rd.

Additional training for All Providers will be conducted on May 15th through May 19th at Rutgers Academic Building Computer Lab 15 Seminary Place, Suite 1200, New Brunswick.

NJMHAPP will then be made available for Provider-wide Testing/Training from May 24th Through June 30th.
