

STRATEGIC PLAN

OVERVIEW

DMHAS Strategic Plan

Four strategic planning sessions were held in Spring 2013:

1. Move to Managed Care (2)
2. Community Integration
3. Workforce Development

The information from those sessions is being used to develop a 3-year Strategic Plan.

- January 2014-December 2016
- Priorities split into two phases

The sessions helped to set priority areas:

- Community Support Services Implementation
- Rates and Financial Terms/Financial Impact Analysis
- Centralized Housing Authority
- ASO Procurement
- Stakeholder Communication
- Standard Level of Care Determination
- Community Integration Services/Processes
- Workforce Development
- Olmstead Compliance
- ASO Readiness and Implementation

The Strategic Plan has two phases:

First Phase

Move to Managed Care

- Community Support Services Implementation
- Rates and Financial Terms/Financial Impact Analysis
- ASO Procurement

Community Integration

- Olmstead Compliance
- Centralized Housing Authority
- Standard Level of Care Determination

The Strategic Plan has two phases:

Second Phase

Move to Managed Care

- ASO Readiness and Implementation

Community Integration

- Community Integration Services/Processes

Workforce Development

- Provider and DMHAS workforce development

DMHAS Strategic Plan

Team leaders and workgroup members have been discussing tasks and timelines for the priority areas.

A Stakeholder Communication Workgroup will keep you updated, at least quarterly.

- Communication may come from the website, email announcements, meetings with providers, etc.

Questions

If you want to become involved in the planning process, or you have questions/comments about the plan, email:
