

Division of Mental Health and Addiction Services

Supportive Housing Services for Persons Discharged from State Psychiatric Hospitals
Awarded: April 21, 2015

Name of Program: Supportive Housing Services for Persons Discharged from State Psychiatric Hospitals

Purpose: The DMHAS has made 4 awards to develop or expand supportive housing to serve individuals who are in a New Jersey State Psychiatric Hospital. These awards will be targeted to facilitating the discharge of a minimum of 30 individuals, on Conditional Extension Pending Placement (CEPP) status who are in a New Jersey State Psychiatric Hospital.
