Mandatory Reporting

In 2010, New Jersey's APS law (N.J.S.A. 52:27D-406 to 426) was amended to require health care professionals, law enforcement officers, firefighters, paramedics or emergency medical technicians who have reasonable cause to believe that a vulnerable adult is the subject of abuse, neglect or exploitation to report that information to the county Adult Protection Services office.

**IT’S THE LAW.**

Adults retain all their civil and constitutional rights unless some of those rights have been restricted by court action.
