Mandatory Reporting

In 2010, New Jersey’s APS law (N.J.S.A. 52:27D-406 to 426) was amended to require health care professionals, law enforcement officers, firefighters, paramedics or emergency medical technicians who have reasonable cause to believe that a vulnerable adult is the subject of abuse, neglect or exploitation to report that information to the county Adult Protection Services office.

IT’S THE LAW.

Adults retain all their civil and constitutional rights unless some of those rights have been restricted by court action.
