The attached NJ Save application is a source of help offered by the State of New Jersey that can save you up to \$5,000 per year in prescription, Medicare and other costs.

If you have questions about your benefits or need other assistance, call 1-800-792-9745 to speak to one of our agents.

If you need help with the application, you can call 866-NJ-SAVE-5 or 866-657-2835 to connect you to an assister.

An assister can help you apply and keep your benefits offered through the NJSave program. Assistance includes:

- How NJSave works
- Benefits available on the application
- · Eligibility requirements

- · The application process
- What documents to submit with your application

Please complete and return the application, along with all requested documents, in the self-addressed postage paid envelope provided. This one application gives you access to numerous programs and other special benefits including the following:

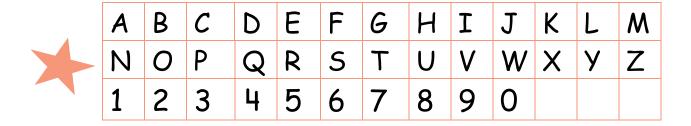

- MSP: Qualified Medicare Beneficiary (QMB), Specified Low-Income Medicare Beneficiary (SLMB), and
 Qualifying Individual (QI) programs. If eligible, these programs pay for your monthly Medicare Part B premium,
 which currently costs most people \$174.70 per month and, in addition, QMB helps with additional Medicare costs;
 and
- PAAD program or the Senior Gold program. The PAAD program helps with the cost of your prescribed medications, including the payment of certain Medicare Part D premiums and deductibles. Senior Gold is a prescription discount program for individuals not eligible for PAAD; and
- Lifeline Utility Credit/Tenants Lifeline Assistance program. This program offers an annual \$225 utility benefit on electric and gas utility bills provided you meet the PAAD eligibility requirements; and
- Hearing Aid Assistance to the Aged and Disabled (HAAAD) program. This program provides a \$500
 reimbursement or \$1,000 for two when deemed necessary by a physician to help offset the purchase of a hearing
 aid if you meet the PAAD eligibility requirements; and
- New Jersey Hearing Aid Project (NJ HAP). This program can provide a free refurbished hearing aid if you are 65 years or older and meet PAAD income and residency guidelines; and
- Screening for Extra Help with Medicare Part D. This program covers Medicare Part D prescription drug plan costs, for those individuals eligible for PAAD; and
- Screening for benefits provided by the Universal Service Fund (USF) and the Low-Income Home Energy Assistance Program (LIHEAP). These are two more programs that help pay for utility costs, if eligible; and
- **Reduced motor vehicle fees.** This benefit is available through the Division of Motor Vehicles to those individuals eligible for PAAD and Lifeline.
