

# Department of Human Services Information Bulletin

**To:** Agency Providers, Distribution  
**From:** Kathy Patrick, Director of the Office of Licensing  
**Date:** 03/05/21  
**Subject:** **Guidance on Medical Marijuana**

---

## Guidelines

The Office of Licensing will not take negative licensing action against a provider who does not take adverse employment action against an individual who tests positive for marijuana but is a registered user under the Medicinal Marijuana Program.

The Office of Licensing may take negative licensing action against providers who permit registered users to use or be under the influence of cannabis while on duty.
