

## **LEGAL NOTICE**

### **STATE OF NEW JERSEY DEPARTMENT OF HUMAN SERVICES DIVISION OF MEDICAL ASSISTANCE AND HEALTH SERVICES**

**TAKE NOTICE** New Jersey Department of Human Services (DHS), Division of Medical Assistance and Health Services (DMAHS) has discovered that the \$313.50 divisor figure used on Medicaid applications filed or pending on or after April 1, 2014 through March 31, 2015 in which a transfer penalty was assessed may have caused an improper penalty. This only affects applications where the transfer penalty was calculated pursuant to Medicaid Communication No. 14-06. Transfer of assets where the penalty was assessed before April 1, 2014 or after March 31, 2015 are not impacted. DMAHS is taking steps to correct transfer penalties assessed during this time period and notify the applicant of the correction. If you believe your penalty may have been one of those affected, you should contact DMAHS at the address below to have your case reviewed. You will need to provide your name and other identifying information to insure the correct file is reviewed.
