I. Purpose and Intent

This Request for Proposals (RFP) is issued by the New Jersey Division of Mental Health and Addiction Services (DMHAS) to develop or expand supportive housing to serve a minimum of 15 individuals who are in a New Jersey State Psychiatric Hospital and have a history of forensic involvement.

The total annualized funding is $1,125,000, subject to State appropriations.

Specifically, the DMHAS seeks to facilitate the discharge of individuals on Conditional Extension Pending Placement (CEPP)\(^1\) status. The current RFP will pair housing subsidies funded by the DMHAS and administered by the New Jersey Housing Mortgage and Finance Agency (NJHMFA) with service dollars to develop or expand community supportive housing programs.

II. Background and Population to be Served

While DMHAS has a long history of seeking to develop or expand the network of community housing opportunities for persons with serious mental illness, this current RFP is part of a larger initiative related to the Olmstead Settlement Agreement (Olmstead), under which the DMHAS has committed to timely discharge of persons in the State hospital system determined to no longer require that level of care. DMHAS is committed to discharging these individuals as promptly as possible after the consumers are placed on CEPP status.

In past rounds of community development, DMHAS has concentrated on the overall development of service capacity as a means of addressing the availability of supports within a context of dynamic service demands. As DMHAS moves to meet its obligations under Olmstead, however, it has recognized the need to implement a new, more direct strategy of service development, based on the community support needs of individuals awaiting discharge from the State hospitals. This RFP is one (1) in a series of requests that will embrace this approach.

---

\(^1\) In New Jersey, the status of CEPP was created by a 1983 New Jersey Supreme Court decision in re: S.L., 94 N.J. 128 (1983), for individuals who no longer met the standard for involuntary commitment, but for whom there was no present appropriate placement in the community.
III. Who Can Apply?

To be eligible for consideration for this RFP, the bidder must satisfy the following requirements:

- The bidder must be a non-profit or for-profit entity or governmental entity;
- The bidder must be licensed by the Department of Human Services' (DHS') Office of Licensing prior to the start of services;
- For a bidder that has a contract with DMHAS in place when this RFP is issued, that bidder must have all outstanding Plans of Correction (PoC) for deficiencies submitted to DMHAS for approval prior to submission;
- The bidder must be fiscally viable based upon an assessment of the bidder's audited financial statements. If a bidder is determined, in DMHAS' sole discretion, to be insolvent or to present insolvency within the twelve (12) months after bid submission, DMHAS will deem the proposal ineligible for contract award;
- The bidder must not appear on the State of New Jersey Consolidated Debarment Report at http://www.state.nj.us/treasury/revenue/debarment/debarsearch.shtml or be suspended or debarred by any other State or Federal entity from receiving funds;
- The bidder shall not employ a member of the Board of Directors in a consultant capacity;
- Pursuant to N.J.S.A. 52:32-44, a for-profit bidder and each proposed subcontractor must have a valid Business Registration Certificate on file with the Division of Revenue. (This statutory requirement does not apply to non-profit organizations, private colleges and universities, or state and municipal agencies);
- The bidder must attend the Mandatory Bidders conference as described in the RFP.

IV. Contract Scope of Work

DMHAS seeks proposals to develop a minimum of five (5) forensic supportive housing slots and related services in each of the State hospital catchment areas. The hospital catchment areas are as follows:

- Trenton Psychiatric Hospital catchment area includes Mercer, Middlesex and Monmouth counties.
- Ancora Psychiatric Hospital catchment area includes Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Ocean, and Salem counties.

By virtue of this program development, services will be targeted to facilitating the discharge of persons on CEPP status in a state psychiatric hospital who have a history of forensic commitment(s). A description of the legal histories of the individuals served through this initiative include those who are forensically-involved including Megan’s Law.
Registrants and persons whose criminal histories include having been convicted by a court for one (1) or more of the following: murder, aggravated assault, manslaughter, aggravated sexual assault, sexual assault, criminal sexual contact, robbery in the first degree, aggravated assault, aggravated arson, arson, and kidnapping, or a crime that is similar to one of the aforementioned crimes. Many of these individuals have co-existing medical conditions, co-occurring substance use disorders, co-existing developmental disability, have experienced periods of long-term institutionalization, and/or are refusing to leave the hospital.

The funding will provide new housing opportunities for a minimum of 15 individuals who are in a State psychiatric hospital and designated as CEPP. Housing subsidies, administered in a manner consistent with the principles of supportive housing, will be paired with community support services in order to meet the needs of the individuals served through this RFP.

DMHAS will identify the consumers to be served through this funding, and will work with successful bidders toward effective discharges to community living. The successful bidder must accept consumers identified by DMHAS as appropriate for supportive housing level of placement, since they meet the attributes delineated by the RFP, within the time frames identified by DMHAS. Agency staff will begin working with identified consumers as soon as possible after contract award but prior to actual discharge to facilitate relationship building, housing preferences and needs assessments.

In order to meet the needs of the individuals served through this RFP, DMHAS sponsored rental subsidies will be made available. The DMHAS rental subsidy program guidelines and NJHMFA Clearinghouse guidelines must be followed. No apartments can be rented over the Fair Market Rent as published by the New Jersey Department of Community Affairs (DCA) Housing Choice Voucher Program Payments Standards. The housing subsidies will be made available through a Housing Clearinghouse, known as the Supportive Housing Connection, administered by the NJHMFA. No capital funding is available through DMHAS for this initiative.

The Supportive Housing Connection, administered by NJHMFA, will manage the housing subsidies. The roles and responsibilities of the Supportive Housing Connection include:

- Providing tools such as a website that provides information on available, affordable housing to assist consumers in locating housing;
- Conducting initial and annual housing inspections to ensure the housing complies with quality standards;
- Serving as a Tenant Services Liaison to address disputes between the landlord and tenant that were unable to be resolved between the landlord and tenant (with the help of their advocate or service provider);
- Paying the landlord the housing subsidy payment and security deposit; and
- Providing the applicant (service provider) with one-time lease up dollars to purchase furnishings and pay utility deposits as necessary.
Awardees must adhere to all applicable State and Federal cost principles. Budgets should be reasonable and reflect the scope of responsibilities in order to accomplish the goals of this project.

As a model of supportive housing, awardee is to provide flexible support services paired with permanent leased based housing opportunities to meet the individual's varying needs and preferences. The model is based on a “Housing First” philosophy and endorsed as an opportunity to support innovative, person-centered service provision and to champion the inclusion of consumers as full partners in treatment and recovery. “Housing First” is a philosophy that homelessness can be most efficiently ended by providing someone with access to safe, decent and affordable housing. Although an individual experiencing homelessness may benefit from supportive services such as mental health or substance use counseling, participation in these services is not a prerequisite to access housing or a condition of maintaining it. In fact, the stability that a housing unit provides bolsters a tenant’s ability to participate in these services2 (Corporation of Supportive Housing, 2014). Teams will employ supportive services (grounded in rehabilitation principles) necessary to maintain housing, achieve identified wellness and recovery goals; as well as case management approaches to assure that consumers access the full array of other clinical and support services needed to function successfully within the community.

The proposed service model must demonstrate how services and supports will be provided in a holistic manner such that it enables individuals diagnosed with a serious mental illness to develop the skills necessary to become fully integrated into their communities, particularly in the areas of housing, employment, and in social contexts. The proposed service is to articulate how it will use a strengths-based approach to working with individuals, rather than a focus on an individual's deficits. Bidders who affirm that 1/3 (one-third) of their staffing will consist of individuals who possess and/or are actively pursuing certification to become a Certified Psychiatric Rehabilitation Practitioner (CPRP) will earn bonus points in the scoring of their proposal.

See the following link for information about certification: http://www.psychrehabassociation.org/certification.

Consumers, expected to be full partners in planning their own treatment, are to identify and direct the types of activities that would most help them maximize opportunities for successful community living. Staff support is provided through a flexible schedule, which must be adjusted as consumer needs or interests change. In order to avoid duplication of effort, individuals served by Programs for Assertive Community Treatment (PACT) or Integrated Case Management Services (ICMS) are not eligible for supportive housing services under contracts awarded pursuant to this RFP.

V. General Contracting Information

Bidders must currently meet or be able to meet the terms and conditions of the Department of Human Services (DHS) contracting rules and regulations as set forth in

the Standard Language Document (SLD), the Contract Reimbursement Manual (CRM), and the Contract Policy and Information Manual (CPIM). These documents are available on the DHS website at: http://www.state.nj.us/humanservices/ocpm/home/resources/manuals/index.html.

Bidders are required to comply with the Affirmative Action Requirements of Public Law 1975, c. 124 (N.J.A.C. 17:27) and the requirements of the Americans with Disabilities Act of 1991 (P.L. 101-336).

Budgets should be reasonable and reflect the scope of responsibilities in order to accomplish the goals of this project.

All bidders will be notified in writing of the State’s intent to award a contract. All proposals are considered public information and will be made available for a defined period after announcement of the contract award and prior to final award, as well as through the State Open Public Records Act process at the conclusion of the RFP process.

The contract awarded as a result of this RFP will be structured as cost-based, deficit funded contracts for the phase-in period of the award, until all consumers are successfully placed in the contracted number of slots. At some point after that, to be determined by DMHAS in consultation with the provider, the cost-based contract will terminate, and the service will be contracted on a Fee-for-Service basis. Our current expectation is that all Community Support Services (CSS) will transition from a cost-based contract to a fee-for-service contract as of 7/1/17. Should services awarded through this contract not be fully implemented by 7/1/17, a decision will be made on a case-by-case basis whether to continue a cost-based contract after 7/1/17 or transition to fee-for-service. Funds awarded through the cost-based contract may only be used to support services that are specific to this award; hence, this funding may not be used to supplant or duplicate existing funding streams. Actual funding levels will depend on the availability of funds and satisfactory performance.

In accordance with DHS Policy P1.12 available on the web at www.state.nj.us/humanservices/ocpm/home/resources/manuals/index.html, programs awarded pursuant to this RFP will be separately clustered until the DMHAS determines, in its sole discretion, that the program is stable in terms of service provision, expenditures, and applicable revenue generation, or until such time as the contract is converted to a Fee-for-Service contract.

Should service provision be delayed through no fault of the provider, funding continuation will be considered on a case-by-case basis based upon the circumstances creating the delay. In no case shall the DMHAS continue funding when service commencement commitments are not met, and in no case shall funding be provided for a period of non-service provision in excess of three (3) months. In the event that the timeframe will be longer than three (3) months, DMHAS must be notified so the circumstances resulting in the anticipated delay may be reviewed and addressed.
Should services not be rendered, funds provided pursuant to this agreement shall be returned to DMHAS.

The bidder must comply with all rules and regulations for any DMHAS program element of service proposed by the bidder. Additionally, please take note of Community Mental Health Services Regulations, N.J.A.C. 10:37, which apply to all contracted mental health services. These regulations can be accessed at http://www.state.nj.us/humanservices/providers/rulefees/regs/.

The timeframe for filling vacancies that occur after initial implementation and initial full occupancy is achieved must comport with DMHAS Administrative Bulletin 5:11, which may be found on the DMHAS website at http://www.state.nj.us/humanservices/dmhas/regulations/bulletins/.

VI. Mandatory Bidders Conference

A bidder intending to submit a proposal in response to this RFP must attend the Mandatory Bidders Conference. It is the responsibility of the bidder to arrive promptly at the beginning of the Mandatory Bidders Conference and sign in to confirm attendance. A proposal submitted by a bidder not in attendance will not be considered. The Mandatory Bidders Conference will be held as follows:

- **Date:** July 15, 2016

- **Location:** 222 South Warren Street, Trenton 1st floor Conference Room A&B

The Mandatory Bidders Conference will provide the bidder with an opportunity to ask questions about the RFP requirements, the award process, and to clarify technical aspects of the RFP. This ensures that all potential bidders have equal access to information. Questions regarding intent or allowable responses to the RFP, outside the Mandatory Bidders Conference, are not permitted. Specific individual guidance will not be provided to individual bidders at any time.

Potential respondents to this RFP are requested to register for the Mandatory Bidders Conference via the registration link https://njsams.rutgers.edu/training/shcss/register.aspx. The meeting room and facility is accessible to individuals with physical disabilities. Anyone who requires special accommodations should notify RFP.Submissions@dhs.state.nj.us. For sign language interpretation, please notify RFP.Submissions@dhs.state.nj.us at least five (5) business days in advance of the Mandatory Bidders Conference. Once reserved, a minimum of 48 hours is necessary to cancel this service, or else the cost will be billed to the requestor.
VII. Required Proposal Content

All bidders must submit a written narrative proposal that addresses the following topics, and adheres to all instructions and includes required supporting documentation noted below.

2. A description of the bidder's Americans with Disabilities Act (ADA) accessibility to its facilities and/or offices for individuals with disabilities.

Budget (23 points)
Please note that an annualized budget is required for purposes of evaluating costs and revenues as well as scoring proposals. As noted in Section V, the contracting method will convert from a cost-based contract to a Fee-for-Service contract method after full implementation of the contracted program is achieved, after which an annualized budget will no longer be a contractual component.

DMHAS will consider the cost efficiency of the proposed budget as it relates to the scope of work. Therefore, bidders must clearly indicate how this funding will be used to meet the program goals and/or requirements. In addition to the required Budget forms, bidders are asked to provide budget notes.

The budget should be reasonable and reflect the scope of responsibilities required to accomplish the goals of this project. All costs associated with the completion of the project must be delineated and the budget notes must clearly articulate the details of all proposed budget items including a description of miscellaneous expenses and other costs.

1. A detailed budget using the Annex B Excel template is required. The standard budget categories for expenses include: A. Personnel, B. Consultants and Professionals, C. Materials & Supplies, D. Facility Costs, E. Specific Assistance to
Clients, and F. Other. Supporting schedules for Revenue and General and Administrative Costs Allocation are also required. The Excel budget template will be emailed to all attendees from the Mandatory Bidders Conference. The budget must include two (2) separate, clearly labeled columns:

a. Column 1 – Full annualized operating costs to satisfy the scope of work detailed in the RFP and revenues excluding one-time costs; and

b. Column 2 - Proposed one-time costs.

2. Budget Notes that detail and explain the proposed budget methodology and estimates and assumptions made for expenses and the calculations/computations to support the proposed budget. The State's proposal reviewers need to fully understand the bidder's budget projections from the information presented in its proposal. Failure to provide adequate information could result in lower ranking of the proposal. Budget Notes, to the extent possible, should be displayed on the Excel template itself.

3. The name and address of each organization – other than third-party payers – providing support and/or money to help fund the program for which the proposal is being submitted.

4. For all proposed personnel, the template should identify the staff position titles and staff names for current staff and total hours per workweek.

5. Identify the number of hours per clinical consultant.

6. Staff fringe benefit expenses, which may be presented as a percentage factor of total salary costs, should be consistent with the bidder's current fringe benefit package.

7. If applicable, General & Administrative (G&A) expenses, otherwise known as indirect or overhead costs, should be included if attributable and allocable to the proposed program. Since administrative costs for existing DMHAS programs reallocated to a new program do not require new DMHAS resources, a bidder that currently contracts with DMHAS should limit its G&A expense projection to “new” G&A only by showing the full amount of G&A as an expense and the off-set savings from other programs’ G&A in the revenue section.

8. Written assurance that if the bidder receives an award pursuant to this RFP, it will:
   a. Pursue all available sources of revenue and support upon award and in future contracts, including agreement to pursue Medicaid certification. **Failure to obtain approval and maintain certification as a Medicaid-eligible provider may result in termination of the service contract**;
   b. Pursue available resources (i.e. grants, vouchers, rental assistance, etc.) and collaborate with local housing authorities and/or other related housing development entities to develop, expand, and/or enhance housing options for enrolled consumers;
   c. Work in cooperation with the regional and central offices of DMHAS, County Mental Health Boards and state psychiatric hospitals to identify consumers to be served, meet data collection requirements, and participate in any standardized affiliation agreements that may be developed;
   d. Comply with DMHAS reporting requirements specific to this initiative; and
e. Provide the full range of services delineated in the DMHAS and related regulations to all enrolled consumers.

**Appendices**

The following items must be included as appendices with the bidder’s proposal.
1. Bidder mission statement;
2. Organizational chart;
3. Job descriptions of key personnel;
4. Resumes of proposed personnel if on staff, limited to two (2) pages each;
5. A description of all pending and in-process audits identifying the requestor, the firm’s name and telephone number, and the type and scope of the audit;
6. List of the board of directors, officers and terms;
7. Copy of documentation of the bidder’s charitable registration status;
8. Original and/or copies of letters of commitment/support;
9. Department of Human Services Statement of Assurances (RFP Attachment C);
10. Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion Lower Tier Covered Transactions (RFP Attachment D);
11. Disclosure of Investment in Iran ([www.nj.gov/treasury/purchase/forms.shtml](http://www.nj.gov/treasury/purchase/forms.shtml)); and

The documents listed below are also required with the proposal, unless the bidder has a current contract with DMHAS and these documents are current and on file with DMHAS.
1. Most recent single audit report (A133) or certified statements (submit only two [2] copies); and
2. Any other audits performed in the last two (2) years (submit only two [2] copies).

**VIII. Submission of Proposal Requirements**

DMHAS assumes no responsibility and bears no liability for costs incurred by the bidder in the preparation and submittal of a proposal in response to this RFP. The narrative portion of the proposal should not exceed 20 pages, be single-spaced with one (1”) inch margins, and no smaller than twelve (12) point Arial, Courier or Times New Roman font. For example, if the bidder’s narrative starts on page 3 and ends on page 23 it is 21 pages long, not 20 pages. DMHAS will not consider any information submitted beyond the page limit for RFP evaluation purposes.

The budget notes and appendix items do not count towards the narrative page limit. Proposals must be submitted no later than 4:00 p.m. Eastern Daylight Time on August 12, 2016. All bidders are required to submit one (1) original and five (5) copies of the proposal narrative, budget and appendices (six [6] total proposal packages) to the following address:
For U.S. Postal Service delivery:

Alicia Meyer, RFP Coordinator
Division of Mental Health and Addiction Services
PO Box 700
Trenton, NJ 08625-0700

OR

For private delivery vendor such as UPS or FedEx:

Alicia Meyer, RFP Coordinator
Division of Mental Health and Addiction Services
222 South Warren Street, 3rd Floor
Trenton, NJ 08608

The bidder may mail or hand deliver its proposal, however, DMHAS is not responsible for items mailed but not received by the due date. Note that U.S. Postal Service two-day priority mail delivery to the post office box listed above may result in the bidder’s proposal not arriving timely and, therefore, being deemed ineligible for RFP evaluation. The bidder will not be notified that its proposal has been received. The State will not accept facsimile transmission of proposals.

In addition to the required hard copies, the bidder must also submit its proposal (including budget, budget notes, and appendices) electronically by the deadline using a file transfer protocol site. Username and password are case sensitive and must be typed exactly as shown below. Once logged in, the upload button is on the upper left side. Upload the proposal and budget files separately, including the bidder’s name in both file names. Click on the green check mark in order to submit the files. Once the upload is complete, click the red logout button at the top right of the screen.

Go to: https://ftpw.dhs.state.nj.us.
Username - xbpupload
Password - Network1!
Directory - /ftp-dmhas/xbpupload

Proposal(s) must also be submitted to the County Mental Health Administrator(s) for the county(ies) in which the bidder is proposing services. Please refer to the Attachment regarding the submission preference for each of the County Mental Health Administrators, as some require copies while others prefer an electronic version or both methods. For those counties requiring postal mail submission, submit four (4) copies.
IX. Review of Proposals

There will be a review process for all timely submitted proposals. DMHAS will convene a review committee of public employees to conduct a review of each proposal accepted for review.

The bidder must obtain a minimum score of 70 points out of 100 points for the proposal narrative and budget sections in order to be considered eligible for funding.

DMHAS will award up to 20 points for fiscal viability, using a standardized scoring rubric based on the audit, which will be added to the average score given to the proposal from the review committee. Thus, the maximum points any proposal can receive is 120 points, which includes the combined score from the proposal narrative and budget as well as fiscal viability.

In addition, if a bidder is determined, in DMHAS’ sole discretion, to be insolvent or to present insolvency within the twelve (12) months after bid submission, DMHAS will deem the proposal ineligible for contract award.

Contract award recommendations will be based on such factors as the proposal scope, quality and appropriateness, bidder history and experience, as well as budget reasonableness. The review committee will look for evidence of cultural competence in each section of the narrative. The review committee may choose to visit a bidder’s existing program(s), invite a bidder for interview, and/or review any programmatic or fiscal documents in the possession of DMHAS. The bidder is advised that the contract award may be conditional upon final contract and budget negotiation.

DMHAS reserves the right to reject any and all proposals when circumstances indicate that it is in its best interest to do so. DMHAS’ best interests in this context include, but are not limited to, loss of funding, inability of the bidder(s) to provide adequate services, an indication of misrepresentation of information and/or non-compliance with State and federal laws and regulations, existing DHS contracts, and procedures set forth in DHS Policy Circular P1.04 (http://www.state.nj.us/humanservices/ocpm/home/resources/manuals/index.html)

DMHAS recognizes the invaluable perspective and knowledge that consumers, family members and County Mental Health Boards possess. Input from these groups is an integral component of a system that holds wellness and recovery principles at its core. Consequently, DMHAS will convene an advisory group consisting of consumers and family members to provide input to the review committee regarding the proposals submitted.

County Mental Health Boards recommendations and comments will be received by DMHAS no later than September 6, 2016. This input will be incorporated in the final deliberations of the review committee.
X. Appeal of Award Decisions

An appeal of any award decision may be made only by a respondent to this RFP. All appeals must be made in writing and be received by DMHAS at the address below no later than 4:00 p.m. Eastern Daylight Time on September 26, 2016. The written appeal must clearly set forth the basis for the appeal.

Appeal correspondence should be addressed to:

Valerie Mielke, Assistant Commissioner
Division of Mental Health & Addiction Services
222 South Warren Street, 3rd Floor

Executive Order No. 189 establishes the expected standard of responsibility for all parties that enter into a contract with the State of New Jersey. All such parties must meet a standard of responsibility that assures the State and its citizens that such parties will compete and perform honestly in their dealings with the State and avoid conflicts of interest.

As used in this document, "provider agency" or "provider" means any person, firm, corporation, or other entity or representative or employee thereof that offers or proposes to provide goods or services to or performs any contract for the Department of Human Services.

In compliance with Paragraph 3 of Executive Order No. 189, no provider agency shall pay, offer to pay, or agree to pay, either directly or indirectly, any fee, commission, compensation, gift, gratuity, or other thing of value of any kind to any State officer or employee or special State officer or employee, as defined by N.J.S.A. 52:13D-13b and e, in the Department of the Treasury or any other agency with which such provider agency transacts or offers or proposes to transact business, or to any member of the immediate family, as defined by N.J.S.A. 52:13D-13i, of any such officer or employee, or any partnership, firm, or corporation with which they are employed or associated, in which such officer or employee has an interest within the meaning of N.J.S.A. 52:13D-13g.

The solicitation of any fee, commission, compensation, gift, gratuity or other thing of value by any State officer or employee or special State officer or employee from any provider agency shall be reported in writing forthwith by the provider agency to the Attorney General and the Executive Commission on Ethical Standards.

No provider agency may, directly or indirectly, undertake any private business, commercial or entrepreneurial relationship with, whether or not pursuant to employment, contract or other agreement, express or implied, or sell any interest in such provider agency to, any State officer or employee or special State officer or employee having any duties or responsibilities in connection with the purchase, acquisition or sale of any property or services by or to any State agency or any instrumentality thereof, or with any person, firm or entity with which he is employed or associated or in which he has an interest within the meaning of N.J.S.A. 52:13D-13g. Any relationships subject to this provision shall be reported in writing forthwith to the Executive Commission on Ethical Standards, which may grant a waiver of this restriction upon application of the State officer or employee or special State officer or employee upon a finding that the present or proposed relationship does not present the potential, actuality or appearance of a conflict of interest.

No provider agency shall influence, or attempt to influence or cause to be influenced, any State officer or employee or special State officer or employee in his official capacity in any manner which might tend to impair the objectivity or independence of judgment of said officer or employee.

No provider agency shall cause or influence, or attempt to cause or influence, any State officer or employee or special State officer or employee to use, or attempt to use, his official position to secure unwarranted privileges or advantages for the provider agency or any other person.

The provisions cited above shall not be construed to prohibit a State officer or employee or special State officer or employee from receiving gifts from or contracting with provider agencies under the same terms and conditions as are offered or made available to members of the general public subject to any guidelines the Executive Commission on Ethical Standards may promulgate.
