The Department received a single written comment. The hearing officer reviewed the single written comment and recommended that the Department proceed with the amendments without change.

Summary of Public Comment and Agency Response:

A written comment was submitted by Jean Public (submitted by email with no mailing address).

COMMENT: The following is the commenter's remarks in their entirety: The amounts to be paid out per week seem to be getting much too high. I think a new percentage should be established so that the payout does not exceed 500 per week. This comment is for the public record.

RESPONSE: The Department is required by statute, *N.J.S.A. 43:21-3* and *43:21-40*, to re-compute and promulgate on an annual basis the maximum weekly benefit rate for unemployment compensation and the maximum weekly benefit rate for State Plan temporary disability and family leave insurance benefits. The formula for calculating these new rates is also set forth within *N.J.S.A. 43:21-3* (unemployment compensation) and *43:21-40* (temporary disability and family leave insurance benefits). Specifically, *N.J.S.A. 43:21-3* states that the maximum weekly benefit rate for unemployment compensation shall be 56 and 2/3 percent of the Statewide average weekly remuneration paid to workers by employers subject to the Unemployment Compensation Law (*N.J.S.A. 43:21-1* et seq.), computed to the next lower multiple of \$ 1.00, if not already a multiple thereof. *N.J.S.A. 43:21-40* states that the maximum weekly benefit rate for State Plan temporary disability and family leave insurance benefits shall be 53 percent of the Statewide average weekly remuneration paid to workers by employers subject to the Unemployment Compensation Law (*N.J.S.A. 43:21-1* et seq.), computed to the next lower multiple of \$ 1.00, if not already a multiple thereof. The Statewide weekly wage of workers covered under the Unemployment Compensation Law for calendar year 2014 was \$ 1,161.04. 56 and 2/3 percent of \$ 1,161.04, computed to the next lower multiple of \$ 1.00 is \$ 657.00. 53 percent of \$ 1,161.04, computed to the next lower multiple of \$ 1.00 is \$ 615.00. The Department has no discretion under the law to deviate from these calculations.

Federal Standards Statement

The adopted amendments do not contain any standards or requirements that exceed standards or requirements imposed by Federal law. The adopted amendments affect benefit and contribution levels under the Unemployment Compensation and Temporary Disability Benefits Laws. As a result, an explanation or analysis of the adopted amendments pursuant to *N.J.S.A. 52:14B-22* et seq./Executive Order No. 27 (1994) is not required.
