**Commissioner Carabelli concluded the Appeals and Legislation Committee Report**

**Administrator Cunningham asked Chairman James Sharrock to report on the business of the Standards Committee.**

1. Commissioner Sharrock indicated that **Agenda Item 6A** was a Consideration of **Requests** from Daniel Colucci, President, Academy Directors Association; Darryl Breckenridge, Director, Monmouth County Police Academy, and Michael A. Fedorko, Atlantic County Department of Public Safety to comingle SLEO II trainees with BCPO trainees.

Administrator Cunningham received several letters requesting to relax the PTC Directive concerning the prohibition on co-mingling SLEO II and BCPO Trainees. I received the requests from the below listed individuals on behalf of their organization or academy:  
Daniel Colucci, President, Academy Directors Association  
Darryl Breckenridge, Director, Monmouth County Police Academy  
Michael A. Fedorko, Director, Atlantic County Department of Public Safety  
All of the above individuals are requesting that SLEO II Trainees be allowed to comingle with BCPO Trainees, thus, having both the SLEO II and BCPO candidates receive the same course of instruction. The Commission, citing concerns of improper certification by some PTC Academies, discontinued the practice of co-mingling. The main concern became the issuing of BCPO Certifications to candidates who did not possess appointments as full time officers. It became apparent that academies were having SLEO II candidates, erroneously complete BCPO, PTC 3 Cards, therefore, circumventing established PTC Rules and Regulations. The Commission, over the past year has discussed this matter informally, should the Commissioners

agree to allow the co-mingling it is imperative that strict policy and procedures are established. In addition, individuals who attend co-mingled classes will receive a SLEO II Certification; therefore, requiring submission of a Waiver Request by appointing agencies should they wish to receive training credit from SLEO II to BCPO. Further, many SLEO II Officers work limited hours during their 3 year waiver eligibility period, gaining little to no experience, making a waiver course imperative.

Daniel Colucci and Darryl Breckenridge were present to answer questions and provide information. After a lengthy discussion about the current SLEO II program, Commissioner Sharrock on behalf of the Standards Committee moved a motion to approve the request. Effective January 1, 2019, Atlantic, Morris and Monmouth County Police Academies are allowed to comingle SLEOII and BCPO classes as one year pilot program with the understanding that SLEO II recruits will only receive SLEO II certifications upon course completion. The PBA and FOP will also form a second committee to evaluate SLEOII practices. Commissioner Lyons seconded the motion. The Commissioners approved the motion. Commissioner Colucci abstained.

2. Commissioner Sharrock indicated that **Agenda Item 6B** was Consideration of a **Request** from Chief Dean Ackermann of the Glen Rock Police Department to appeal the Waiver Denials for ACO/ACI Kristen A. Gunderson, Kimberly Nagle and Carol A. Tyler. Glen Rock Police Chief, Dean Ackermann, is appealing a staff decision to deny Waivers of Training for ACO/ACI Kristen A. Gunderson, Kimberly Nagle, and Carol A. Tyler.

On July 23, 2018, Chief Ackermann submitted waiver requests from ACO/ACI to HLEO 2018 on behalf of his agency. Chief Ackermann requested that ACO/ACI Gunderson, Kimberly Nagel, and Carol Nagel receive training credit for completion of the Department of Health Animal Control Officer Course and the Animal Cruelty Investigators Course completed by the three candidates. On October 3, 2018, the Commission entered into a lengthy discussion in reference to potential Training Waivers for individuals who completed the PTC HLEO 2011 Course, DOH Animal Control Officer Course, and the DOH Animal Cruelty Investigator Course. The Commissioners determined that training credit, in accordance with N.J.A.C. 13:1-8.4, may be granted when the individual has received training, which is "substantially equivalent" to the required training. Upon review of the HLEO 2011, ACO, and ACI Courses, it is noted that the courses are not "substantially equivalent" to the HLEO 2018 Basic Course, approved by the Commission on June 6, 2018.

The following differences were noted:

HLEO 2011, ACO/ACI

Use of Force - 1 Hour

Arrest, Search, and Seizure - 1 Hour

Defensive Tactics — 3 Hours

Physical Conditioning — 0 Sessions

## HLEO 2018

Use of Force -16 Hours

Arrest, Search, and Seizure- 16 Hours

Defensive Tactics - 40 Hours

Physical Conditioning- Minimum 15 Sessions

In addition to the Physical Conditioning Sessions, the candidate must pass the Physical Conditioning Assessment in accordance with PTC Standards. The course was also updated to include changes made to the Animal Cruelty Statue, N.J.A.C. Title 4. The Humane Law Enforcement Course 2018 was developed in accordance with the legislative intent of P.L. 2017, Chapter 331, which was to professionalize, and properly train Humane Law Enforcement Officers in the State of New Jersey. The Commission has an obligation to ensure that all law enforcement officers in New Jersey are trained to highest standard, HLEO 2018 accomplishes this objective. Further, the safety of those enforcing the law, and the public they protect, must be of paramount concern, this is realized through proper training.

Detective Forest Lyons, Ridgewood Police Department, Carol A. Tyler, Glen Rock ACO/ACI, Chief Christopher Minchin. Ho-Ho-Kus Police Department, and Chief Dean Ackerman, Glen Rock Police Department were all available to answer questions and provide additional information. After a lengthy discussion about the training and certification of the current ACO/ACIs, Commissioner made a motion to deny the waiver request based on the fact that the individuals do not hold substantially equivalent training to the mandated training for the HLEO 2018 course. Commissioner Colucci seconded the motion. Commissioner Abbott abstained. The motion carried.

Commissioner Sharrock on behalf of the Standards Committee, moved and seconded a motion to deny the waiver request. Commissioner Sharrock noted that the Standards Committee recommended the waiver denial as it violates state statute. The motion carried and the waiver request for Charles Hancock was denied.

3. Commissioner Sharrock indicated that **Agenda Item 6C** was Consideration of a **Request** from Chief John T. Stranahan, Sr. of the Penns Grove Police Department to appeal the waiver denial for SLEO II John J Nero.

Penns Grove Police Chief, John T. Stranahan, is appealing a staff decision to deny a Waiver of Training for SLEO II, John J. Nero. On October 22, 2018, Chief Stranahan submitted a waiver request from SLED II to BCPO on behalf of his agency. John J. Nero attended and graduated from the Cape May County Police Academy on June 27, 2015 with a certification in the Basic Course for Special Law Enforcement Officer Class II. Upon review of the waiver request, it was noted that John J. Nero was appointed to the position of Police Officer; effective October 16, 2018; eligibility for a Waiver of Training had expired on June 27, 2018. In accordance with the provisions of N.J.A.C. 13:1-8.4(b), staff determined that John J. Nero was not eligible for a Waiver of Training, at the time of his appointment to the title of Police Officer, John J. Nero had

exhausted his three years of waiver eligibility.

Lieutenant Patrick Riley, Penns Grove Police Department, was available to provide additional information and answer questions.

Commissioner Colucci made a motion to deny the waiver request based on the fact that the officer's waiver eligibility expired on June 27, 2018. Commissioner DeMartino seconded the motion. The motion was approved and the waiver was denied.

4. Commissioner Sharrock indicated that **Agenda Item 6D** was Consideration of a Request from Chief R. Mattson, Borough of Woodstown Police Department to extend the Alternate Route Certification eligibility for Kevin P. O'Hara.

Chief Ray Mattson, Woodstown Police Department, has requested an extension of Alternate Route certification eligibility for Kevin P. O'Hara, who was appointed to the position of police officer by the Borough of Woodstown on November 1, 2011. Prior to his appointment, Kevin P. O'Hara attended the Basic Course for Police Officers (BCPO) as an Alternate Route trainee at the Gloucester County Police Academy in PTC Class # 3254, which was conducted from March 1, 2010, through July 15, 2010. Even though an Alternate Route trainee completes the BCPO at a police academy, PTC certification is not granted until the individual is appointed to the position of police officer, and successfully completes the agency training portion of the curriculum. In the instance of Kevin P. O'Hara, there is no record of such training; therefore, he has not received final certification for successful completion of the BCPO.

The matter now before the Commission is the request from Chief Mattson that eligibility to complete agency training and receive certification in the BCPO be extended for Kevin P. O'Hara, who has served for the past 7 years as a police officer with the Woodstown Police Department. In accordance with PTC policy, an Alternate Route trainee must be appointed as a police officer within three years from the date of graduation, and then complete Agency Training to receive final BCPO certification. Although Kevin P. O'Hara was appointed within the three year period, he has not yet completed his training and finalized his PTC certification. Based upon the totality of the circumstances, including the fact that revisions have been made to the BCPO curriculum since 2010, PTC staff recommends that if an extension of Alternate Route eligibility is granted for Kevin P. O'Hara, it be conditioned upon successful completion of the following elements of the 2018 BCPO:

- Instructional Unit 1.9 - Suicide Awareness and Prevention for the Law Enforcement Officer
- Instructional Unit 3.12 - Racially Influenced Policing
- Functional Area 4 - Law
- Functional Area 5 - Arrest, Search, Seizure, Evidence, Use of Force
- Instructional Unit 10.27 - Domestic Terrorism
- Instructional Unit 10.28 - International Terrorism
- Instructional Unit 10.29 - Identifying Fraudulent or Altered Documents
- Instructional Unit 10.30 - Incident Command System
- Instructional Unit 10.31 - First Responder Hazardous Materials Awareness

- Instructional Unit 10.32 - Weapons of Mass Destruction Awareness
- Instructional Unit 10.33 - Officer Safety
- Functional Area 15 - Agency Training

Commissioner Colucci made a motion to grant the request with the provision that the officer complete the mandated training as listed above. Commissioner DeMartino seconded the motion. The motion was approved and the extension granted.

5. Commissioner Sharrock indicated that **Agenda Item 6E** was Consideration of a Request from Daniel Colucci, President, Police Academy Directors Association to review the Alternate Route regulations as it pertains to Essex County College Police Academy.

Administrator Cunningham was in receipt of correspondence from Daniel Colucci, President, Police Academy Directors Association, concerning the Alternate Route List recently generated by the Essex County College Police Academy. The Police Academy Director's Association has called to my attention the Alternate Route Rules, which became effective February 2017; "alternate route test results are not transferrable to another academy" (page # 5, Written Test). As you are aware, Essex County College Police Academy will no longer be a PTC Certified School, effective January 1, 2019. The Police Academy Director's Association is requesting clarification as to the transferability of the ECCPA Alternate Route List to the Essex County Police Academy.

Commissioner Rocco Miscia excused himself from all discussion and deliberations related to this agenda item. Director Anthony Perillo and Lt. James Byrd from Essex County Public Safety Academy were present. During discussion it was determined that the list can not be transferred. However, due to extenuating circumstances, the Commission agreed and approved that if the Essex County Police Academy submitted a request to Administrator Cunningham to have the list transferred; staff would be authorized to approve the transfer of the list.

6. Commissioner Sharrock indicated that **Agenda Item 6F** was a **Report** of a Request Director Robert Lyons, Passaic County Police Academy to utilize Hawthorne Police Department Range as a satellite facility.

Administrator Cunningham approved the request on behalf of the Commission.

**Commissioner Sharrock concluded the Standards Committee report.**

Administrator Cunningham announced **Agenda Item 8A** was a Status Report of the Law Enforcement Officers Training and Equipment Fund (LEOTEF).

LEOTEF Chairperson Daniel Colucci reported that technical assistance in preparing quarterly expense reports has been provided. Supplemental academy requests for LEOTEF purchases also have been reviewed and approved. Quarterly expense reports for the 3<sup>rd</sup> quarter of 2018 have been received from all academies except Mercer and John Stamler.

Fourteen of the fifteen police academies submitted applications for SFY 2018 LEOTEF Funds (30<sup>th</sup> distribution). Applications submitted for the SFY 2018 LEOTEF fund were reviewed and processed according to Attorney General standard operating procedures. Application revisions are needed from three academies. The Division of Criminal Justice Training Academy has yet to submit an application.

Pursuant to N.J.A.C. 13:1A-5.2, the needs for training equipment and instructional resources as well as consumables and equipment for the provision of basic training for recruits at Commission approved schools was assessed. A review of the responses submitted by the fourteen police academies indicated a large amount of LEOTEF funding was needed and going to be spent on consumable supplies and equipment. Award packages to include contracts and conditions have been sent to the 6 academies with approved budgets.

The Essex County College Public Safety Academy submitted its 3<sup>rd</sup> quarter financial report and an ending balance of \$59,185.42 was remaining as of September 30, 2018.

Administrator Cunningham announced **Agenda Item 8B** was a **Request** from Anthony Perillo, Essex County Public Safety Academy, to discuss the return of LEOTEF funds. Upon review of grant regulations, it was determined that any unused funds must be returned to the LEOTEF account. This information was conveyed to the academy staff, Anthony Perillo and Lt. Byrd who were present.

Administrator Cunningham announced **Agenda Item 9A** was the PTC's Computer System Update. Administrator Cunningham reported that staff has started working in the Acadis test site and is in the process of cleaning data in the current system to migrate over to the Acadis system. When the system is live, it will allow for police academies and agencies to access the system via a portal to send requests and information to PTC electronically. Overall, the system is still in the building process but making great progress.

Administrator Cunningham asked if there were any comments from the public. There were no comments from the public.

**Administrator Cunningham announced the next meeting is Monday, February 4, 2019.**

Administrator Cunningham asked for a motion to adjourn the meeting at 1:20 p.m. Commissioner Sharrock made a motion to adjourn the meeting. Commissioner Colucci seconded the motion. The Commissioners voted to approve the motion.

### **Commissioner Carabelli concluded the Appeals and Legislation Committee Report**

### **Administrator Cunningham asked Chairman James Sharrock to report on the business of the Standards Committee.**

1. Commissioner Sharrock indicated that **Agenda Item 6A** was a Consideration of **Requests** from Daniel Colucci, President, Academy Directors Association; Darryl Breckenridge, Director, Monmouth County Police Academy, and Michael A. Fedorko, Atlantic County Department of Public Safety to comingle SLEO II trainees with BCPO trainees.

Administrator Cunningham received several letters requesting to relax the PTC Directive concerning the prohibition on co-mingling SLEO II and BCPO Trainees. I received the requests from the below listed individuals on behalf of their organization or academy:

Daniel Colucci, President, Academy Directors Association Darryl Breckenridge, Director, Monmouth County Police Academy Michael A. agree to allow the co-mingling it is imperative that strict policy and procedures are established. In addition, individuals who attend co-mingled classes will receive a SLEO II Certification; therefore, requiring submission of a Waiver Request by appointing agencies should they wish to receive training credit from SLEO II to BCPO. Further, many SLEO II Officers work limited hours during their 3 year waiver eligibility period, gaining little to no experience, making a waiver course imperative.

Daniel Colucci and Darryl Breckenridge were present to answer questions and provide information. After a lengthy discussion about the current SLEO II program, Commissioner Sharrock on behalf of the Standards Committee moved a motion to approve the request. Effective January 1, 2019, Atlantic, Morris and Monmouth County Police Academies are allowed to comingle SLEOII and BCPO classes as one year pilot program with the understanding that SLEO II recruits will only receive SLEO II certifications upon course completion. The PBA and FOP will also form a second committee to evaluate SLEOII practices. Commissioner Lyons seconded the motion. The Commissioners approved the motion. Commissioner Colucci abstained.

2. Commissioner Sharrock indicated that **Agenda Item 6B** was Consideration of a **Request** from Chief Dean Ackermann of the Glen Rock Police Department to appeal the Waiver Denials for ACO/ACI Kristen A. Gunderson, Kimberly Nagle and Carol A. Tyler. Glen Rock Police Chief, Dean Ackermann, is appealing a staff decision to deny Waivers of Training for ACO/ACI Kristen A. Gunderson, Kimberly Nagle, and Carol A. Tyler.

On July 23, 2018, Chief Ackermann submitted waiver requests from ACO/ACI to HLEO 2018 on behalf of his agency. Chief Ackermann requested that ACO/ACI Gunderson, Kimberly Nagel, and Carol Nagel receive training credit for completion of the Department of Health Animal Control Officer Course and the Animal Cruelty Investigators Course completed by the three candidates. On October 3, 2018, the Commission entered into a lengthy discussion in reference to potential Training Waivers for individuals who completed the PTC HLEO 2011 Course, DOH Animal Control Officer Course, and the DOH Animal Cruelty Investigator Course. The Commissioners determined that training credit, in accordance with N.J.A.C. 13:1-8.4, may be granted when the individual has received training, which is "substantially equivalent" to the required training. Upon review of the HLEO 2011, ACO, and ACI Courses, it is noted that the courses are not "substantially equivalent" to the HLEO 2018 Basic Course, approved by the Commission on June 6, 2018.

The following differences were noted:

HLEO 2011, ACO/ACI

Use of Force - 1 Hour

Arrest, Search, and Seizure - 1 Hour

Defensive Tactics — 3 Hours

Physical Conditioning — 0 Sessions

## HLEO 2018

Use of Force -16 Hours

Arrest, Search, and Seizure- 16 Hours

Defensive Tactics - 40 Hours

Physical Conditioning- Minimum 15 Sessions

In addition to the Physical Conditioning Sessions, the candidate must pass the Physical Conditioning Assessment in accordance with PTC Standards. The course was also updated to include changes made to the Animal Cruelty Statue, N.J.A.C. Title 4. The Humane Law Enforcement Course 2018 was developed in accordance with the legislative intent of P.L. 2017, Chapter 331, which was to professionalize, and properly train Humane Law Enforcement Officers in the State of New Jersey. The Commission has an obligation to ensure that all law enforcement officers in New Jersey are trained to highest standard, HLEO 2018 accomplishes this objective. Further, the safety of those enforcing the law, and the public they protect, must be of paramount concern, this is realized through proper training.

Detective Forest Lyons, Ridgewood Police Department, Carol A. Tyler, Glen Rock ACO/ACI, Chief Christopher Minchin. Ho-Ho-Kus Police Department, and Chief Dean Ackerman, Glen Rock Police Department were all available to answer questions and provide additional information. After a lengthy discussion about the training and certification of the current ACO/ACIs, Commissioner made a motion to deny the waiver request based on the fact that the individuals do not hold substantially equivalent training to the mandated training for the HLEO 2018 course. Commissioner Colucci seconded the motion. Commissioner Abbott abstained. The motion carried.

Commissioner Sharrock on behalf of the Standards Committee, moved and seconded a motion to deny the waiver request. Commissioner Sharrock noted that the Standards Committee recommended the waiver denial as it violates state statute. The motion carried and the waiver request for Charles Hancock was denied.

3. Commissioner Sharrock indicated that **Agenda Item 6C** was Consideration of a **Request** from Chief John T. Stranahan, Sr. of the Penns Grove Police Department to appeal the waiver denial for SLEO II John J Nero.

Penns Grove Police Chief, John T. Stranahan, is appealing a staff decision to deny a Waiver of Training for SLEO II, John J. Nero. On October 22, 2018, Chief Stranahan submitted a waiver request from SLED II to BCPO on behalf of his agency. John J. Nero attended and graduated from the Cape May County Police Academy on June 27, 2015 with a certification in the Basic Course for Special Law Enforcement Officer Class II. Upon review of the waiver request, it was noted that John J. Nero was appointed to the position of Police Officer; effective October 16, 2018; eligibility for a Waiver of Training had expired on June 27, 2018. In accordance with the provisions of N.J.A.C. 13:1-8.4(b), staff determined that John J. Nero was not eligible for a Waiver of Training, at the time of his appointment to the title of Police Officer, John J. Nero had

exhausted his three years of waiver eligibility.

Lieutenant Patrick Riley, Penns Grove Police Department, was available to provide additional information and answer questions.

Commissioner Colucci made a motion to deny the waiver request based on the fact that the officer's waiver eligibility expired on June 27, 2018. Commissioner DeMartino seconded the motion. The motion was approved and the waiver was denied.

4. Commissioner Sharrock indicated that **Agenda Item 6D** was Consideration of a Request from Chief R. Mattson, Borough of Woodstown Police Department to extend the Alternate Route Certification eligibility for Kevin P. O'Hara.

Chief Ray Mattson, Woodstown Police Department, has requested an extension of Alternate Route certification eligibility for Kevin P. O'Hara, who was appointed to the position of police officer by the Borough of Woodstown on November 1, 2011. Prior to his appointment, Kevin P. O'Hara attended the Basic Course for Police Officers (BCPO) as an Alternate Route trainee at the Gloucester County Police Academy in PTC Class # 3254, which was conducted from March 1, 2010, through July 15, 2010. Even though an Alternate Route trainee completes the BCPO at a police academy, PTC certification is not granted until the individual is appointed to the position of police officer, and successfully completes the agency training portion of the curriculum. In the instance of Kevin P. O'Hara, there is no record of such training; therefore, he has not received final certification for successful completion of the BCPO.

The matter now before the Commission is the request from Chief Mattson that eligibility to complete agency training and receive certification in the BCPO be extended for Kevin P. O'Hara, who has served for the past 7 years as a police officer with the Woodstown Police Department. In accordance with PTC policy, an Alternate Route trainee must be appointed as a police officer within three years from the date of graduation, and then complete Agency Training to receive final BCPO certification. Although Kevin P. O'Hara was appointed within the three year period, he has not yet completed his training and finalized his PTC certification. Based upon the totality of the circumstances, including the fact that revisions have been made to the BCPO curriculum since 2010, PTC staff recommends that if an extension of Alternate Route eligibility is granted for Kevin P. O'Hara, it be conditioned upon successful completion of the following elements of the 2018 BCPO:

- Instructional Unit 1.9 - Suicide Awareness and Prevention for the Law Enforcement Officer
- Instructional Unit 3.12 - Racially Influenced Policing
- Functional Area 4 - Law
- Functional Area 5 - Arrest, Search, Seizure, Evidence, Use of Force
- Instructional Unit 10.27 - Domestic Terrorism
- Instructional Unit 10.28 - International Terrorism
- Instructional Unit 10.29 - Identifying Fraudulent or Altered Documents
- Instructional Unit 10.30 - Incident Command System
- Instructional Unit 10.31 - First Responder Hazardous Materials Awareness

- Instructional Unit 10.32 - Weapons of Mass Destruction Awareness
- Instructional Unit 10.33 - Officer Safety
- Functional Area 15 - Agency Training

Commissioner Colucci made a motion to grant the request with the provision that the officer complete the mandated training as listed above. Commissioner DeMartino seconded the motion. The motion was approved and the extension granted.

5. Commissioner Sharrock indicated that **Agenda Item 6E** was Consideration of a Request from Daniel Colucci, President, Police Academy Directors Association to review the Alternate Route regulations as it pertains to Essex County College Police Academy.

Administrator Cunningham was in receipt of correspondence from Daniel Colucci, President, Police Academy Directors Association, concerning the Alternate Route List recently generated by the Essex County College Police Academy. The Police Academy Director's Association has called to my attention the Alternate Route Rules, which became effective February 2017; "alternate route test results are not transferrable to another academy" (page # 5, Written Test). As you are aware, Essex County College Police Academy will no longer be a PTC Certified School, effective January 1, 2019. The Police Academy Director's Association is requesting clarification as to the transferability of the ECCPA Alternate Route List to the Essex County Police Academy.

Commissioner Rocco Miscia excused himself from all discussion and deliberations related to this agenda item. Director Anthony Perillo and Lt. James Byrd from Essex County Public Safety Academy were present. During discussion it was determined that the list can not be transferred. However, due to extenuating circumstances, the Commission agreed and approved that if the Essex County Police Academy submitted a request to Administrator Cunningham to have the list transferred; staff would be authorized to approve the transfer of the list.

6. Commissioner Sharrock indicated that **Agenda Item 6F** was a **Report** of a Request Director Robert Lyons, Passaic County Police Academy to utilize Hawthorne Police Department Range as a satellite facility.

Administrator Cunningham approved the request on behalf of the Commission.

**Commissioner Sharrock concluded the Standards Committee report.**

Administrator Cunningham announced **Agenda Item 8A** was a Status Report of the Law Enforcement Officers Training and Equipment Fund (LEOTEF).

LEOTEF Chairperson Daniel Colucci reported that technical assistance in preparing quarterly expense reports has been provided. Supplemental academy requests for LEOTEF purchases also have been reviewed and approved. Quarterly expense reports for the 3<sup>rd</sup> quarter of 2018 have been received from all academies except Mercer and John Stamler.

Fourteen of the fifteen police academies submitted applications for SFY 2018 LEOTEF Funds (30<sup>th</sup> distribution). Applications submitted for the SFY 2018 LEOTEF fund were reviewed and processed according to Attorney General standard operating procedures. Application revisions are needed from three academies. The Division of Criminal Justice Training Academy has yet to submit an application.

Pursuant to N.J.A.C. 13:1A-5.2, the needs for training equipment and instructional resources as well as consumables and equipment” for the provision of basic training for recruits at Commission approved schools was assessed. A review of the responses submitted by the fourteen police academies indicated a large amount of LEOTEF funding was needed and going to be spent on consumable supplies and equipment. Award packages to include contracts and conditions have been sent to the six academies with approved budgets.

The Essex County College Public Safety Academy submitted its 3<sup>rd</sup> quarter financial report and an ending balance of \$59,185.42 was remaining as of September 30, 2018.

Administrator Cunningham announced **Agenda Item 8B** was a **Request** from Anthony Perillo, Essex County Public Safety Academy, to discuss the return of LEOTEF funds. Upon review of grant regulations, it was determined that any unused funds must be returned to the LEOTEF account. This information was conveyed to the academy staff, Anthony Perillo and Lt. Byrd who were present.

Administrator Cunningham announced **Agenda Item 9A** was the PTC’s Computer System Update. Administrator Cunningham reported that staff has started working in the Acadis test site and is in the process of cleaning data in the current system to migrate over to the Acadis system. When the system is live, it will allow for police academies and agencies to access the system via a portal to send requests and information to PTC electronically. Overall, the system is still in the building process but making great progress.

Administrator Cunningham asked if there were any comments from the public. There were no comments from the public.

**Administrator Cunningham announced the next meeting is Monday, February 4, 2019.**

Administrator Cunningham asked for a motion to adjourn the meeting at 1:20 p.m. Commissioner Sharrock made a motion to adjourn the meeting. Commissioner Colucci seconded the motion. The Commissioners voted to approve the motion.
