New Jersey honors departing aviators

By Tech. Sgt. Mark Olsen, NJDMAVA/PA

"New Jersey is doing its part and we are so proud of you," said Governor Jon S. Corzine to the Soldiers of the 1st-150th Assault Helicopter Battalion and their families.

The 250 plus Soldiers were joined by family members, friends and veterans group leaders at a standing room Departure Ceremony at the War Memorial in Trenton, N.J. on Sunday, Jan. 25.

Also in attendance were Senators' Robert Menendez and Frank Lautenberg, and Maj. Gen. Glenn K. Rieth, The Adjutant General of New Jersey.

The Battalion is leaving for pre-mobilization training at Fort Sill, Okla., and then on to Iraq.

"Freedom isn't free," Corzine said. "It comes with great sacrifice from men and women in uniform, and from families that are here."

The unit headquarters is in West Trenton and its Soldiers hail from all of New Jersey's 21 counties.

"Wherever there was a need for an American Soldier, the New Jersey National Guard has been there," said Maj. Gen. Rieth. "The day that you put the uniform on to serve our nation, each and every one of you are an American hero."

Lt. Col. John Scannell, 1st-150th Battalion Commander put into words the impact the deployment would have on his Soldiers: "Many years from now you will be able to proudly say you had an impact, a positive impact, on the global war on terrorism."

Administration sets agenda for veteran care

By Army Staff Sgt. Michael J. Carden, American Forces Press Service

WASHINGTON, Jan. 21, 2009 - President Barack Obama has promised to deliver the care the nation's military veterans deserve while transforming the Department of Veterans Affairs into a 21st century organization, according to an administration agenda posted on the White House site.

"Keeping faith with those who serve must always be a core American value and a core American patriotism," Obama said during a speech April 2007 in Kansas City, Mo. "Because commitment to its servicemen and women begins at enlistment, and it must never end."

Obama, who served on the Senate Veterans Affairs Committee, plans to reverse the 2008 enrolling modest-income veterans into the VA system, allowing all veterans the opportunity according to the agenda on veterans. The administration also plans to continue the fight against employment discrimination for Guardsmen and Reservists.

Additionally, the administration aims to improve the process of transitioning from active duty to civilian life for military members leaving the service or returning from deployment. To improve the benefit decision system, the administration will look at hiring additional claims workers with improved accountability and training criteria, according to the agenda.

Also, the administration plans to launch new programs and expand proven programs to prevent homelessness among veterans, as well as to explore the possibility of a national "zero tolerance" policy to ensure no veterans end up on the streets.

As they work to make VA a national leader in health care reform, the agenda says, administration officials will explore ways to improve mental health studies, polytrauma care, prosthetic development, spinal cord injury treatment and women's health.

New Jersey State Colleges, Nine-Strong, vow support for veterans

Trenton, January 21, 2009--The nine New Jersey state colleges and universities have positioned themselves to welcome thousands of military service veterans who will be enrolling in college starting next fall with support from the new federal Post 9/11 G.I. bill. So say officials with the New Jersey Association of State Colleges and Universities (ASCU) which represents the nine institutions in Trenton.

At a recent meeting of the presidents of the "Nine Strong" institutions, there was agreement that all, pending trustee board support, would take steps to become "military service friendly" this year. The new G.I. bill takes effect in August 2009. According to Wendy Lang, coordinator of the Association's student veterans' information and program support, the following are fundamental components of a "military service friendly" institution:

- ❖ Establishment of an office and a contact person for student veterans who need guidance or assistance, and publicize the existence of the same (see example at end of release);
- ❖ Development of a common protocol for *assessing fees* and ensuring that there is no interruption of student veterans' education should there be delays or snafus in receipt of funding through the federal G.I. bill; and
- ❖ Creation of a website page with contact information for student veterans including a portal to the Association's *Operation Promise for Servicemembers* (OPS) resource pages.

Lang says ASCU anticipates that these three steps will be the beginning of a broader effort to assure that veterans are well served by the state colleges.

Stockton College and William Paterson, Montclair State and New Jersey City universities plan to offer in-state tuition to vets. Among other steps, several ASCU institutions will apply for "Yellow Ribbon" designation by the U.S. Veterans Administration (VA). To attain this designation, schools must have a formal agreement with the VA that they will charge in-state tuition rates to veterans regardless of where they reside. Richard Stockton College of New Jersey (Pomona, Atlantic County) has immediate plans to do so according to the college president, Herman Saatkamp, Jr. Saatkamp says these steps are "absolutely the right thing to do for people who have served their country--very often serving under harrowing and life-threatening conditions. We are pleased to offer this benefit to veterans."

Also seeking Yellow Ribbon designation at this time: William Paterson University (Wayne, Passaic County) New Jersey City University (Jersey City, Hudson County) and Montclair State University (Upper Montclair, Essex County).

ASCU is a nonprofit, nonpartisan advocacy organization created by the State of New Jersey in 1985. Its members are: The College of New Jersey, Kean University, Montclair State University, New Jersey City University, Ramapo College of New Jersey, Richard Stockton College, Rowan University, Thomas Edison State College and William Paterson University.

Example of a veterans services office effort: *Richard Stockton College*. Richard Stockton College is significantly increasing its outreach efforts to student veterans and active military students. The new Office of Veteran Affairs is being coordinated by Patrick Shields. The office, under the auspices of the Office of the Dean of Students, will provide information vital to service members and veterans pertaining to their academic needs as a Stockton student. A primary mission of the program is to bring

Here are some thoughts on use of our natural resources, pollution and recycling for you.

- ❖ Every year enough energy is saved by recycling steel to supply Los Angeles with nearly a decade's worth of electricity.
- ❖ Americans use 100 million steel cans a day. We throw away enough steel every year to build all the new cars made in America.
- ❖ If you stacked all the steel cans that were recycled each year, they would reach from here to the moon and back again more than three times.
- ❖ You could power 18 million American homes with the energy saved by recycling steel each year.
- ❖ Recycling one aluminum can saves enough energy to run a TV for three hours or a 100-watt light bulb for four hours.
- ❖ A recycled six-pack of aluminum cans could save enough energy to drive a car five miles; one can equals the amount of energy a can half-full of gasoline would produce.
- ❖ Americans discard 4 million tons of office paper every year. That's enough to build a 12 foot-high wall of paper from New York to California.
- ❖ If you and your family recycled a ton of writing paper, you would save as much as 7,000 gallons of water. How much water is that? You would have to drink 130 glasses every day for more than a year to get that much water.
- ❖ Every ton of recycled paper saves approximately four barrels of oil, 4,200 kilowatt hours of energy and enough energy to heat and air-condition the average North American home for almost six months.
- ❖ Most bottles and jars contain at least 25 percent recycled glass. Glass never wears out and it can be recycled forever.
- ❖ Recycling a glass bottle saves enough energy to light a 100-watt bulb for four hours.
- ❖ A quart of motor oil can pollute 250,000 gallons of water.
- ❖ Americans throw away about 10 percent of the food they buy at the supermarket. This results in dumping the equivalent of more than 21 million shopping bags full of food into landfills every year.
- ❖ One pound of red worms can consume half a pound of food waste every day.
- ❖ It takes 1,050 recycled milk jugs to make a 6-foot plastic park bench.
- ❖ If you lined up all the polystyrene foam cups made in just one day, they would circle the earth.
- ❖ Americans represent only five percent of the world's population, but generate 30 percent of the world's garbage.
- ❖ In the United States, we throw away enough garbage per day to fill 63,000 garbage trucks which each hold 7-14 tons of trash. On an annual basis, we fill up enough garbage trucks to form a line that would stretch from the earth halfway to the moon.
- ❖ In a lifetime, the average American will throw away 6,500 times his or her adult weight in garbage. If you add it up, this means that a 150 pound adult will leave a legacy of 90,000 pounds of trash for his or her children.
- ❖ For every \$11 Americans spend on food, \$1 is for packaging.

Earn up to \$8,500 for officer accessions in G-RAP

From the desk of Warrant Officer Misty L. DiGangi, AMEDD Recruiter

Guard Recruiting Assistants can earn additional income assisting ARNG recruiting efforts by identifying well-qualified men and women for service in the ARNG. RAs may earn up to \$8,500 for each select Officer Candidate who accepts a Commission.

As a G-RAP RA you will cultivate quality Officer Candidates from within your spheres of influence and work with an Officer Strength Manager (OSM) or Warrant Officer Strength Manager (WOSM) to process the Officer Candidate and move them towards accession.

The total amount of payment for an Officer Accession is determined by the ARNG's current critical needs and the GRAP-O payment chart. There are four categories by which RAs will receive payment for Officer Accessions. Government offers free financial planning, information

These days, watching your pennies is close to becoming a national pastime like baseball and football. Planning for retirement, children's education, buying a home, investing – simply finding a way to save a few dollars – can tax the best of us. We could all use a financial planner, but who can afford one?

Drop in the Web site, Mymoney.gov, and find information on all aspects of financial planning. There is a section of links to calculators to help you plan your college budget and loans, determine if you are able to afford to buy a home, help with retirement planning, compare different types of mortgages, savings bonds values and more.

Are you thinking about starting your own business? You will find a page of links to help you; even to assist you in writing your business plan.

There is also a section for kids to learn about money matters. The site is also in Spanish.

So instead of drumming your fingers on the table as you worry about your financial situation, let them walk over to www.Mymoney.gov and get answers to your pressing money questions.

Honor Guard program wants YOU!

Looking for a way to serve and get some satisfaction at the same time? The Honor Guard program is looking for members of the Army and Air Guard to join the team to perform honor guard duties at the funerals of veterans. There is an initial eight hours of training for all new enrollees, with on-going sustainment training. As an honor guard member, you will receive a day of pay for each day's mission, minimum of \$50, and traditional drilling Guard members receive a retirement point for each day's duties.

If you are interested in applying for the Honor Guard program, call retired Sgt. Maj. Ed Goetschius at 609-530-7090.

Information for N.J. state employees

Direct Deposit – A safe and reliable way to receive your pay

From the desk of Lisa Dandrea, Human Resources, Personnel Assistant

This is just a reminder that the convenience of direct deposit is offered to all state employees. It is encouraged that our employees consider taking advantage of direct deposit with all that it has to offer.

Enrolling into direct deposit means having your money directly deposited into your checking or savings account. You're going to be on vacation on pay day? Tired of waiting for Postal Service to deliver your money? Eliminate that with direct deposit. It is a convenient and reliable way to receive your pay and know it is safe in your account, when you need it to be. And the service is free!

To get enrolled you must complete the "Authorization Agreement for Automatic Payroll Deposits" form, and turn it in to your Human Resources Payroll Department. A copy of this form is available on DMAVANet under [Human Resources – Helpful Forms](#). Just print, fill out and send to Human Resources. Please allow up to three pay periods (six weeks) for your direct deposit to take effect.

To request a form or more information, contact Lisa Dandrea in Human Resources at 609-530-6888.

Pension loan applications to be submitted through MBOS

From the desk of Lisa Dandrea, Human Resources, Personnel Assistant

NOTICE from the Division of Pensions and Benefits:

Effective Nov. 1, 2008, an eligible member who wishes to borrow against their pension account, **MUST** submit the loan request through the Pension Loan Application accessible through a personal account with the Member Benefits Online System (MBOS). Please note the following changes:

- ❖ The *Loan Application* will no longer be available as a printed form or through the Division's Web site.
- ❖ Paper *Loan Applications* that are received by mail as of Nov. 1, 2008, will be returned to members with instructions on submitting the loan request through MBOS.
- ❖ The loan fax number, which has been phased out of use since the introduction of loans through MBOS, will be completely disabled.
- ❖ Limited access to a computer or a member's reluctance to use MBOS **will not** be considered sufficient circumstances to allow manual loan processing.

Employees who are already registered MBOS users currently have access to the online loan application through their MBOS account.

Employees who are new to MBOS can access MBOS after they register with both the *MyNewJersey* Web site *and* MBOS. Registration is free; however, the registration process requires several steps and new users should carefully follow the MBOS registration instructions. Visit <http://www.state.nj.us/treasury/pensions/mbosregister.htm> for a complete list of instructions. If, after following the MBOS Registration Instructions, you still need assistance registering for or using MBOS, please contact the MBOS Help Desk at (609) 777-0534 or send an e-mail with the subject line "MBOS E-mail" to: pensions.nj@treas.state.nj.us

Employees required to register for MBOS

From the desk of Lisa J. Dandrea, Human Resources, Personnel Assistant

MBOS is the Member Benefits Online System. Through MBOS, employees may review their pension contributions, loan status, health benefits information, update their beneficiary information, apply for retirement, as well as many other applications. It has been encouraged that all employees register for this helpful tool. However Pensions is now working on MBOS being a requirement in order for employees to make certain updates to their personal information.

Effective immediately, in all cases where an employee is eligible to become a member of the Public Employees' Retirement System (PERS), the employer will be required to

submit all enrollment information to Pensions via online. Important to note is that the online PERS Enrollment Application does not include the Designation of Beneficiary page. Instead, once the member is enrolled and issued a pension number, they must register for a MBOS account at: www.state.nj.us/treasury/pensions/mbosregister.htm and complete the online Beneficiary Designation form. Until the member completes his or her Designation of Beneficiary, the member's "Estate" will be the beneficiary of record.

Current employees –note, even if you are already enrolled into PERS, if you wish to make any changes to your beneficiary information, you too will need to be registered for MBOS. Members will not be able to submit the Change in Beneficiary Designation paper form since this will no longer be acceptable through the Division of Pensions and Benefits.

Visit the link above for complete instructions to register for MBOS. If you encounter any problems with registration, you may e-mail Pensions and Benefits with your questions/concerns and they can assist you through the process. You may also obtain a tri-fold brochure with MBOS instructions from your Human Resources Office.

State employees who move, marry must contact HR department

From the desk of Lisa Dandrea, Human Resources, Personnel Assistant

If you are a state employee, working for DMAVA, Vets Haven, and the Cemetery, and you have an address change and/or a name change, it is *extremely* important that you contact Lisa Dandrea in the Human Resources Office. There have been a lot of issues with tax W2s, pension statements and pay checks being returned to our office, as well as some employees not receiving their new health cards, all due to incorrect addresses. Your address change is not automatic and it is not limited to completing a new W4. There are specific forms for employees to complete that updates their new information statewide. Your change of address or name affects your paycheck, your pension statements, W2s, loans, any information sent out by your health care provider, promotional announcements from Dept. of Personnel, etc. If you have had an address/name change and have not updated your information, please make sure you contact Lisa Dandrea in HRD-ESB at 609-530-6888 or e-mail Lisa.Dandrea@njdmava.state.nj.us.

Association News

Join the Enlisted Association, make your voice heard

Now is the time to join the Enlisted Association of the National Guard of New Jersey.

The Association started out in 1965 as a chapter of the Active Army Association (NCOA) but membership was limited to NCOs of the Army National Guard. Six years later they reorganized as the Army and Air National Guard Noncommissioned Officer's Association. In 1992, a change to their current name expanded the membership to all enlisted Soldiers and Airmen.

Benefits of joining the EANGNJ include subscriptions to the New Patriot and Enlisted Voice newsletters, eligibility to apply for six \$1,000 scholarships, inexpensive term insurance, national membership with EANGUS and a voice on legislative issues.

The association holds four executive council meetings in February, May, August, and November. They will hold their annual business in Gettysburg, Pa., on **Oct. 9-11, 2009**.

Drop by the Association's Web site, www.EANG-NJ.org, and check out the page on the Annual Business meeting on Columbus Day weekend, Oct. 9-11 at the Eisenhower Conference Center Gettysburg, Pa. Check out the conference center at <http://www.eisenhower.com> <http://www.gettysburg.travel>

Information on the meeting, including a registration form, flyer about the Friday Night Social, package plan sheet and three tier payment flyer are all available on the site.

Join EANGNJ and help make your voice heard. EANGNJ has helped to get state tuition assistance for Guard members attending state institutions, up to 15 credits per semester with continuation through a master's degree. Their voice on a national level has helped to get increased educational benefits, additional TRICARE benefits and eliminated increased premiums to TRICARE.

Upcoming legislative goals include reducing the retirement age to 55 and continued funding for Post Traumatic Stress Disorder.

Membership is open to all enlisted Soldiers and Airmen, with associate memberships for officers, warrant officers, and DoD, state and federal employees. Cost is \$15 for E1-E4, \$20 for E5-E7 and \$25 for E8-E9. All associate memberships are \$10. You can find a membership application at their Web site: www.eang-nj.org.

Guard, Reserve members and families encourage to nominate employers

The Department of Defense opened the nomination season for the 2009 Secretary of Defense Employer Support Freedom Award on Nov. 1. National Guard and Reserve members and their families are eligible and encouraged to nominate employers who have gone above and beyond in their support of employees serving in the seven

reserve components.

Almost one-half of the U.S. military is comprised of the National Guard and Reserve. The Department of Defense shares these citizen warriors with their civilian employers, many of whom provide significant support to their employees who serve in the National Guard and Reserve.

In 2008 the Jersey City Fire Department was the first New Jersey employer to receive the Employer Support Freedom Award, one of fifteen employers bestowed with the high honor.

"The number of nominations was outstanding last year," said retired Army Col. Carmen Venticinqe, chairman, New Jersey state field committee for Employer Support of the Guard and Reserve. "I encourage the more than 20,000 citizen Soldiers, Airmen, Sailors, Marines and Coast Guard members to nominate their employer this year."

The New Jersey ESGR held a luncheon for all the Freedom Award nominees and the Jersey City Fire Department was honored with the Pro Patria award along with Campbell Soup and Jenny Engineering.

Nominations will be accepted at www.freedomaward.mil/nominate.aspx until **Jan. 19, 2009**. The Secretary of Defense Employer Support Freedom Award is the U.S. government's highest recognition given to outstanding employers.

The Freedom Award was instituted in 1996 under the auspices of the National Committee for Employer Support of the Guard and Reserve (ESGR) to recognize exceptional support from the employer community. More than 100 employers have received this prestigious award.

For questions regarding the nomination process, please contact Hank Pierre of the New Jersey ESGR at 609-562-0156.

DoD develops compensation and benefits handbook

DoD announced it has developed a comprehensive handbook describing compensation and other benefits service members and their families would be entitled to upon separation or retirement as a result of serious injury or illness.

"The Compensation and Benefits Handbook is the one source of information that covers everything a seriously ill and injured service member will need during his or her recovery, rehabilitation and reintegration," said Ronald A. Winter, principal deputy assistant secretary of the Air Force for manpower and reserve affairs.

The handbook was compiled in cooperation with the Departments of Veterans Affairs, Labor, Health and Human Services, and Education and the Social Security Administration. Additionally; there are references to assistance provided by other governmental and non-governmental agencies and organizations.

"The handbook describes the disability eligibility process, various program qualifications, application procedures, and numerous resources with associated contact information," said Sharon Gunselman, policy and resource analyst for the Department of Defense.

Web sites and toll-free numbers are provided, and the electronic version includes hyperlinks. The electronic version of the handbook will be updated frequently and the hard copy of the compensation and benefits handbook will be updated annually.
