<sup>&</sup>quot;There are some who've forgotten why we have a military. It's not to promote war; it's to be prepared for peace."

<sup>-</sup> Ronald Reagan

PHILIP D. MURPHY

New Jersey is home to more than 340,000 proud veterans, yet many live with wounds we cannot see and among them, there are more than 53,000 disabled veterans, many of whom struggle with mental illness stemming from their service. Hundreds of veterans are homeless. In gratitude for and out of respect for that service, the New Jersey Resource Guide for Servicemembers, Veterans, and Families is intended to connect the veteran's community with critical resources and programs.

As a state, we are focused on employment and skills development, mental health, education, promoting veteran-owned businesses, and the transition back to civilian life for servicemembers and their families. I congratulate the Department of Military and Veterans Affairs and Governor's Council on Alcoholism and Drug Abuse for the countless hours they dedicated to this project.

For our veterans have borne untold burdens in America's wars and have stood guard over our country in peacetime. I am pleased to release this guide on Veterans Day 2018. We observe this hallowed occasion not to commemorate a great battle, but on the day - one hundred years ago - when World War I ended and our country returned to peace. This centennial serves as a reminder that we will forever be in the debt of the women and men who wore the uniform of the Armed Forces of the United States.

On behalf of the people of New Jersey, I wish to extend our heartfelt thanks to servicemembers, veterans, and their families for answering the call and performing your duty selflessly and with honor. You have protected the very ideals on which this country was founded: patriotism and liberty.

For those New Jerseyans deployed today to far away places, know this: when your deployment comes to a close, when you set foot on American soil, when you hang up your uniform for the last time, this state and this country will be there for you just as you have been there for us. That is my promise - indeed, America's promise - to you.

My very best,

Philip D. Murphy

Governor

#### Introduction

The Governor's Council on Alcoholism and Drug Abuse (GCADA) and the New Jersey Department of Military and Veterans Affairs (DMAVA) are honored to publish this third edition of this Resource Guide for Military, Veterans and Families.

America's veterans are the bedrock of our communities. The continuing personal and family sacrifices in service to our nation involve long periods of deployment, often to combat zones, leaving many military families feeling isolated and confused. These difficulties, as well as the combat experience itself, can cause both visible and invisible wounds for veterans and their families.

As with the first two editions of this resource guide, this publication would not be possible without the commitment of the professionals and volunteers who work each day at GCADA and DMAVA to provide quality care, services, and support to Garden State residents. We also acknowledge the support given by Governor Phil Murphy to New Jersey's active and reserve military service personnel, veterans and their families.

As combat veterans, we know firsthand the challenges facing servicemembers and their families. Today, there are more than 24 million Americans who have worn the uniform of our Armed Forces and strengthened our nation by their example of service and sacrifice. They hail from different generations, backgrounds, cultures, and experiences. All have contributed to the character and to the greatness of America.

For those who have confronted and continue to confront the grave challenges that face the United States in the world, we say thank you. To those who have supported a loved one in the course of that service, we salute your sacrifice and commitment to our country. May this guide serve as a resource to your family and you.

# New Jersey Prevention Network: Achieving Personal Balance Program

Military men and women serving multiple tours experience life as a revolving door of war, home, then back to combat — sometimes within months — and face the same dangers, the same stressors and the same agonizing separation from loved ones. Achieving Personal Balance (APB) is a gender-specific program designed to develop and apply effective coping strategies to deal with stressors at work and home specific for men and women who are serving or have served in the military.

Programs are available around the state. For more information or to register, please visit <a href="https://www.njpn.org/military">https://www.njpn.org/military</a>

### NJ National Guard State Family Readiness Council Fund

Taxpayers will now be able to make voluntary contributions on their income tax returns to provide support to the state's National Guard members and their families.

The "NJ National Guard State Family Readiness Council Fund" will provide support to members of the NJ National Guard and their families to help them cope when a wage-earner has temporarily left civilian employment to be placed on active military duty.

Founded in 2004, the Readiness Council is a nonprofit organization that provides education, counseling and financial planning to members and to the spouses of deployed Guard members.

- 1. When a Soldier or family member contacts the Army Reserve Family Progams Office for financial counseling or assistance, the AFTB/AFAP Program Manager will assist by completing a request for financial assistance form for the Soldier or family member.

  The Program Manager in coordination with their family program director will evaluate the request and determine what resources are available.
- 2. Upon determination, the program manager will contact the appropriate resource and link the Soldier or family member to that resource for assistance.

  The program manager will follow-up with the Soldier or family member to ensure appropriate assistance was provided, and closes the request, notifies the director and files the request. <a href="https://www.goarmy.com">www.goarmy.com</a>

#### **Home Loans**

#### VA Guaranteed Home Loan

Veterans can apply for a VA loan with any mortgage lender that participates in the VA home loan program. Veterans are exempt from down payments.

The loan is made by a lender, such as a mortgage company, savings and loan or bank. VA's guarantee on the loan protects the lender against loss if the payments are not made, and is intended to encourage lenders to offer veterans loans with more favorable terms. The amount of guaranty on the loan depends on the loan amount and whether the veteran used some entitlement previously. With the current maximum guarantee, a veteran who hasn't previously used the benefit may be able to obtain a VA loan up to \$240,000 depending on the borrower's income level and the appraised value of the property. The local VA office can provide more details on guaranty and entitlement amounts.

**Note:** Although the veteran may be approved for a VA home loan guarantee, the veteran still needs to have a good credit rating to obtain a loan from a lending institution, such as a bank or credit union. Contact State Veterans Service Offices listed in appendix A for more information on loans

# NJ Housing and Mortgage Finance Agency (HMFA)

The New Jersey Housing and Mortgage Finance Agency offers low interest rate HMFA mortgages that provide veterans and their families with increased buying power and a savings of thousands of dollars in interest over the life of the loan. HMFA offers residential mortgages to United States veterans through the VA home buyer program. Most HMFA homeownership loans are originated by private lenders that are approved to participate in the programs.

#### Eligibility

New Jersey residents must first be eligible for a federal VA guaranteed home loan. Contact any state Veterans Service Office from page 17 to 20.

#### Details

Veterans can apply for an HMFA mortgage for any of the following: first time and urban home buyers, police and firefighters, purchase and rehabilitation mortgages, and reverse mortgages for seniors. More than 55 participating lenders with hundreds of locations throughout the state offer HMFA mortgage products, and can help determine the right mortgage for you.

VA home buyer loans often require no down payment and HMFA offers a below-market, fixed interest rate. Closing costs may not be included in the loan, however the seller is allowed to pay most costs, which makes it possible for a veteran to buy with virtually no cash down. Closing costs generally include VA appraisal, credit report, escrow, title evidence, recording fees, a 1% loan origination fee and discount points.

A reverse mortgage loans allow seniors (62 and over) to access the equity in their home without a monthly repayment schedule for as long as they live in the home. Loan proceeds can be taken in a lump sum, monthly payments, line of credit, or some combination of these options. Loan amount is determined by property value and borrower age. Counseling is required. No restriction on value of property. No income requirements or verification.

# LWYW Homebuyer Program (Live Where You Work)

The Live Where You Work (LWYW) program is a home mortgage incentive program that provides low-interest mortgage loans to homebuyers purchasing homes in towns where they are employed. The goal of LWYW is to build stronger communities by promoting homeownership and encouraging people to live closer to their jobs. This, in turn will reduce the need for cars and increase the use of alternative transportation such as walking, biking and public transit.

If you would like to buy a house in the town where you currently work, then LWYW might be right for you. Employees benefit from attractive mortgage rates, more flexible loan application review and underwriting criteria, and reduced commuting times to work. Municipalities benefit from having a committed workforce living nearby, and the activity and economic vibrancy that comes with people living near where they work.

## What are the eligibility requirements?

## **Eligible Properties Must:**

- 1. Be located in a municipality that is currently participating in the LWYW program.
- 2. Municipalities Currently Participating in the LWYW Program include: Trenton and Jersey City.
- 3. Be located in the same town as the buyer's employer.

#### **Purchase Refinance**

Qualified first-time home buyers and urban target area buyers can receive below-market interest rate financing for the purchase and rehabilitation of a home, or the rehabilitation of a presently owned home. Seventy-five percent of the home's existing external walls and interior structural framework must remain in place as part of the rehabilitation. Must meet FHA 203(K) requirements. Please see the latest income and purchase price limits.

Further detail is available on our Fact Sheet. or call 1-800-654-6873.

Speech or hearing impaired individuals may call the TTY hotline at 1-877-325-6524.

#### **Smart Start Fact Sheet**

Accumulating the funds for down payment and closing costs is a common barrier to potential homeowners. The Smart Start Program is available to participants in the agency's first mortgage homebuyers program who are purchasing homes in Smart Growth areas and who earn less than 80% of HMFA's Home Buyer county income limits. The program helps these families by offering a second mortgage for down payment and/ or closing costs up to 4% of the first mortgage.

## **New Jersey Property Tax Benefits**

The New Jersey Property Tax Exemption and Deduction require veterans to serve during a specific war time period. See the New Jersey War Dates on page 326.

**NOTE:** For New Jersey Property Tax Exemption and Deduction, Haiti service is not included as a war time period.

The dwelling house is the veteran's primary legal residence.

The veteran or surviving spouse must own and occupy the house.

If the house is a multiple family building, the exemption is only granted for the portion actually occupied by the veteran or surviving spouse.

The definition of resident is the same for the property tax exemption and deduction. It is the legal domicile within the state. Seasonal or temporary residence in the state is not considered being a resident of New Jersey. Absence from the state for a period of 12 months shall be sufficient evidence of abandonment of domicile. The burden of establishing legal domicile in the state is the claimant's burden.

## **New Jersey Property Tax Exemption**

## Eligibility for Veterans who meet all of the following criteria:

- 1. Served during a specified wartime period.
- 2. Received an honorable discharge or under honorable conditions.
- 3. Rated 100 percent permanent service-connected by the VA. The 100 percent rating cannot be temporary or as a result of hospitalization, surgery or recuperation.

## Eligibility for spouses who meet the following criteria:

- 1. Not remarried.
- 2. Even if the marriage is terminated by death/divorce, the spouse is no longer entitled. However, if the marriage is annulled, the surviving spouse regains eligibility.
- 3. Veteran previously received exemption prior to death.
- 4. Veteran would have been found eligible if an application had been filed prior to death.

## And one of the following criteria:

- 1. The veteran had to be rated 100 percent permanent VA service-connected prior to death. A spouse is not eligible if the veteran was rated less than 100 percent permanent service-connected, but died of that service-connected disability.
- 2. The veteran died in active service during wartime in any branch of the United States Armed Forces.
- 3. Application Process: The application at the municipal property tax assessor's office is signed and filed with the following documentation:
  - A. Property Deed.
  - B. Discharge (DD214).
  - C. VA Property Tax Exemption Letter. The letter must be requested by contacting the VA at 1-800-827-1000. DO NOT submit the VA Award Letter indicating the monetary award. That may delay the effective date of the exemption.

## **New Jersey Property Tax Deduction**

There is an annual property tax deduction of two hundred and fifty dollars.

## Veteran's eligibility

- 1. A citizen of the United States.
- 2. Resident of New Jersey.
- 3. Honorably discharged or released under honorable conditions from active service in a war-time period, in any branch of the U.S. Armed Services.

## Surviving spouse's eligibility

- 1. The surviving wife or husband of a veteran who was a citizen of the United States and resident of New Jersey and one of the following:
- 2. Was receiving the deduction prior to the veteran's death.

- 3. Would have been eligible for the deduction had the veteran filed an application prior to death.
- 4. Has died on active duty in a wartime period.

## The application process

Filing an application with all required documentation prior to December 31 of the pre-tax year in order to be effective in the next year. Documentation includes the property deed and discharge (DD-214) for the veteran. The widow may need to submit the property deed, marriage certificate, death certificate and discharge (DD-214).

#### Continuance of Deduction

The tax assessor may at any time require the filing of a new application or request documentation to determine continuance of the deduction. However, the tax assessor cannot require a new application from every veteran or spouse every year.

### **Deduction for Cooperatives**

For cooperatives, the procedure is different. The manager or superintendent must complete forms indicating the names and locations of the veterans or spouses within the co-op to the tax assessor. The deduction is then granted to the co-op, the co-op is responsible to either reduce the rent by deduction amount or present a check to the veteran or spouse.

#### **Refunds for Deductions**

NO RETROACTIVE payment for the deduction for any previous year(s) when an application was not filed with all supporting documentation.

## \$6,000 Income Tax Exemption

You are eligible for a \$6,000 exemption on your Income Tax Return if you are a military veteran who was honorably discharged or released under honorable circumstances from active duty in the Armed Forces of the United States on or any time before the last day of the tax year. Your spouse or civil union partner is also eligible for an exemption if he/she is a veteran who was honorably discharged or released under honorable

circumstances and you are filing a joint return. This exemption is in addition to any other exemptions you are entitled to claim and is available on both the resident and non-resident returns. You cannot claim this exemption for a domestic partner or for your dependents. For more information go to: <a href="https://www.state.nj.us/treasury/taxation/military/vetexemption.shtml">https://www.state.nj.us/treasury/taxation/military/vetexemption.shtml</a>

**Note:** This exemption can only be claimed by qualifying veterans, it does not pass through to a surviving spouse. Contact: 1-609-530-6826.

# Low Income Home Energy Assistance Program (LIHEAP) And Universal Service Fund (USF)

#### **Fact Sheet**

The Low Income Home Energy Assistance Program (LIHEAP) is designed to help low-income families and individuals meet home heating and medically necessary cooling costs. To apply for LIHEAP, contact the authorized local community action agency or community based organization in your area. A list of these agencies is enclosed. For persons age 60 or over, or who

are disabled, applications may be received and returned by mail. Other households may apply by mail at the discretion of the local agency.

To be eligible for LIHEAP benefits, the applicant household must be responsible for home heating or cooling costs, either directly or included in the rent; and have gross income at or below 200% of the federal poverty level. Persons who live in public housing and/or receive rental assistance are not eligible unless they pay for their own heating/cooling costs directly to the fuel supplier. The amount of the LIHEAP heating benefit is determined by income, household size, fuel type, and heating region. This year, the medically necessary cooling assistance benefit is set at \$200.

The LIHEAP application is also an application for the Universal Service Fund (USF) Program. Therefore, you apply for two energy assistance programs at the same time. USF is a program created by the New Jersey Board of Public Utilities to help make natural gas and electric bills more affordable for low-income households. If you are eligible, USF can lower the amount you pay for gas and electricity. To be eligible, a household gross income must be at or below 175% of the Federal Poverty Level (refer to guidelines on website) and pay more than 3% of its annual income for electric or more than 3% for natural gas. If a household has electric heat, it must spend more than 6% of its annual income on electricity to be eligible. For more information about USF call: 1-800-510-3102.

For further information on LIHEAP or to locate the nearest application agency, call 1-800-510-3102. Additional information about LIHEAP and USF, including an application, is also available at

## Transitional Housing Program for Homeless Veterans

Our nation and our State, grateful for its hard-won freedom and democracy, owes a special debt to its Veterans. For that reason, the word "Veteran" and the word "homeless" should never appear in the same sentence. Unfortunately, it is a reality. Therefore, it is imperative that New Jersey works to restore dignity and purpose to those who so unselfishly laid their lives on the line for our country.

The Veterans Transitional Housing Program aims to meet this challenge on the streets, in the shelters and at the front lines of human existence where our brothers and sisters find themselves in their time of greatest need.

The program is divided into three phases:

- Treatment
- Self-Reclamation
- Community Reintegration

Each phase lasts from three to six months and is tailored to individual treatment needs and vocational interests. Veterans completing the program return to vocations which will support them in years to come.

## **Stand Down Operations**

Stand Down helps New Jersey's homeless veterans "combat" life on the streets by providing a broad range of necessities, including food, clothing, medical, legal and mental health assistance, job counseling, and referrals, but most importantly, companionship and camaraderie.

Membership is open to Veterans and volunteers over the age of 18 who are willing and able to give of their time, efforts and resources in assisting programs for homeless veterans.

## **Program Goals:**

- 1. Provide immediate short-term relief from the trauma and stress of homelessness and a safe haven for a short period;
- 2. Bring services and assistance into the field directly to the homeless veteran; provide access to short term services and assistance such as food and clothing;
- 3. Provide access to longer-term solutions such as VA and social services benefits;
- 4. To build strong long term interagency and volunteer community working relationships;
- 5. To raise local and national awareness of the plight of homeless veterans with the hope of increasing community involvement;
- 6. Start the healing process by returning self-respect to a lost segment of our nation's veteran population;
- 7. To encourage replication of the program in other cities across the United States.

## **Housing Discrimination**

The New Jersey Division on Civil Rights is responsible for enforcing the New Jersey Law Against Discrimination (LAD). The LAD prohibits discrimination in housing, employment, or public accommodations on the basis of membership in a range of protected categories. Those protected categories include "liability for service in the Armed Forces of the United States," as well as categories such as race, national origin, sex, and mental or physical disability. A person who is liable for service in the Armed Forces is a person that is subject to being ordered into active service because of their membership in the National Guard or reserves. Accordingly, the LAD prohibits an employer, a landlord, or a public accommodation (like a college, restaurant or store) from discriminating against a service member because that service member may be called into active service. As just one example, the LAD prohibits an employer from refusing to hire a member of the National Guard or reserves simply because that person may be ordered into active service. The LAD does not, however, prohibit an employer from refusing to hire someone who has already received orders to report for active duty, although federal law may provide protection in such circumstances. If you believe that you have been discriminated against because of your liability for service in the Armed Forces, please call DCR at 1-973-648-2700 or 1-609-292-4605 or https://www.njoag.gov/about/divisions-and-offices/ division-on-civil-rights-home/ and click on Contact DCR to find the office location closest to you. A complaint must be filed with DCR within 180 days of the incident. For additional information, please visit https://www.njoag.gov/ about/divisions-and-offices/division-on-civil-rights-home/

Service members may also be protected by federal law such as the Uniformed Services Employment and Reemployment Rights Act (USERRA).

To file a claim under USERRA, please visit <a href="https://www.dol.gov/vets/programs/userra/fileaclaim.htm">https://www.dol.gov/vets/programs/userra/fileaclaim.htm</a>

## Suicide Signs Unique to Vets

Experts on suicide prevention say for veterans there are some particular signs to watch for.

- Calling old friends, particularly military friends, to say goodbye
- Cleaning a weapon that they may have as a souvenir
- Visits to graveyards
- Obsessed with news coverage of the war, the military channel
- Wearing their uniform or part of their uniform, boots, etc.
- Talking about how honorable it is to be a soldier
- Sleeping more (sometimes the decision to commit suicide brings a sense of peace of mind, and they sleep more to withdraw)
- Becoming overprotective of children
- Standing guard of the house, perhaps while everyone is asleep staying up to "watch over" the house, obsessively locking doors, windows
- If they are on medication, stopping medication and/or hording medication
- Hording alcohol -- not necessarily hard alcohol, could be wine
- Spending spree, buying gifts for family members and friends "to remember by"
- Defensive speech "you wouldn't understand," etc.
- Stop making eye contact or speaking with others

## **Hotline for Veterans**

# SD COACH

PTSD Coach is a free, easy-to-use mobile application. It was developed by the Department of Veterans Affairs (VA) in 2011, it is a convenient way to learn about the symptoms of posttraumatic stress disorder (PTSD). You can also learn about coping skills and PTSD treatments. Research studies have shown that PTSD Coach can reduce PTSD symptoms, especially when used as part of therapy. The app may also help with symptoms of depression. PTSD Coach is not meant to replace professional care.

#### LEARN ABOUT PTSD

Find answers to many of the common questions people have about PTSD, like:

- How does PTSD develop and how common is it?
- What are the symptoms of PTSD?
- What treatments work for PTSD?

#### Get tips on how to:

- Find and get connected with treatment.
- Communicate with family members or children

#### TRACK YOUR SYMPTOMS

#### MANAGE YOUR SYMPTOMS

- Practice relaxation, mindfulness, and other stress-management exercises

# Uniformed Services Employment and Reemployment Rights Act (USERRA)

USERRA replaced the Veterans' Reemployment Rights Law. USERRA guarantees reemployed person's pension plan benefits that accrued during military service, regardless of whether the plan is a defined benefit plan or a defined contribution plan.

USERRA provides health benefits continuation for service members and their families during military service for up to 18 months.

USERRA is enforced by the Department of Labor's Veterans' Employment and Training Services (VETS).

Eligibility - The Act applies to persons who perform duty, voluntarily or involuntarily, in the Army, Navy, Marine Corps, Air Force, Coast Guard, and Public Health Service Commissioned Corps, as well as the Reserves of each. Federal training or service in the Army National Guard and Air National Guard is also included. Uniformed service includes active duty, active duty for training, inactive duty training (such as drills), and initial active duty training. USERRA covers all employees except those serving in positions where there is "no reasonable expectation that employment will continue indefinitely or for a significant period" i.e. seasonal work.

**Basic Provisions/Requirements** - Service members returning from a period of service in the uniformed services must meet five eligibility criteria to be covered by USERRA:

- 1. The person must have held a civilian job;
- 2. The person must have given notice to the employer that he or she was leaving the job for service in the uniformed services;
- 3. The period of service must not have exceeded five years;
- 4. The person must have been released from service under honorable conditions; and

5. The person must have reported back to the civilian job in a timely manner or have submitted a timely application for reemployment.USERRA establishes a 5- year cumulative total on military service with a single employer, with certain exceptions allowed for call-ups during emergencies, for reserve drills and annually scheduled active duty for training, etc. USERRA also allows an employee to complete an initial period of active duty that exceeds 5 years, not including reenlistments. Under USERRA, restoration rights are based on the duration of military service rather than the type of military duty performed, e.g., active duty for training, inactive duty, etc.

Time limits for returning to work under USERRA, with the exception of fitness-for-service examinations, depend upon the duration of a person's military service. The applicable time limits are as follows:

Less than 31 days service: By the beginning of the first regularly scheduled work period after the end of the calendar day of duty plus time required to return home safely. If this is impossible or unreasonable, then as soon as possible. 31 to 180 days: Application for reemployment must be submitted no later than 14 days after completion of a person's service. If this is impossible or unreasonable through no fault of the person, then as soon as possible.

181 days or more: Application for reemployment must be submitted no later than 90 days after completion of a person's military service.

Service-connected injury or illness: Reporting or application deadlines are extended for up to two years for persons who are hospitalized or convalescing.

**Contact** - Information regarding USERRA may be obtained by calling the US Department of Labor at 1-866-487-2365 or going online to: <a href="www.dol.gov">www.dol.gov</a>

# NJ ESGR (Employer Support of the Guard and Reserve)

ESGR, a Department of Defense office will develop and promote employer support for Guard and Reserve service by advocating relevant initiatives, recognizing outstanding support, increasing awareness of applicable laws, and resolving conflict between employers and service members. ESGR also informs and educates service members and their civilian employers regarding their rights and responsibilities governed by USERRA. ESGR does not have statutory authority to enforce, but serves as a neutral, free resource to employers and service members. ESGR's trained ombudsmen provide mediation of issues relating to compliance with USERRA.

# Veterans' Employment and Training Service (VETS)

The mission of the Veterans' Employment and Training Service (VETS) is to provide Veterans and transitioning service members with the resources and services to succeed in the 21st century workforce by maximizing their employment opportunities, protecting their employment rights, and by

meeting labor-market demands with qualified Veterans. Additionally, there are supportive services provided to help make the Veteran employable.

## **Employment Services for Veterans**

The U.S. Department of Labor, Veterans' Employment and Training Service (VETS) offers employment and training services to eligible Veterans through a non-competitive Jobs for Veterans State Grants Program. Under this grant program, funds are allocated to State Workforce Agencies in direct proportion to the number of veterans seeking employment within their state. The grants support two principal staff positions:

Disabled Veterans' Outreach Program Specialists (DVOP)

Local Veterans' Employment Representatives (LVER)

This grant provides funds to exclusively serve Veterans, other eligible persons, transitioning service members, their spouses and, indirectly employers. The grant also gives the State the flexibility to determine the most effective and efficient distribution of their staff resources based upon the distinct roles and responsibilities of the two positions.

DVOP and LVER staff provide services to all Veterans that Title 38 indicates are eligible for their services, their efforts are concentrated according to their respective roles and responsibilities, on outreach and the provision and facilitation of direct client services to those who have been identified as most in need of intensive employment and training assistance. The DVOP and LVER staff, through outreach with employers, develop increased hiring opportunities within the local work force by raising the awareness of employers of the availability and the benefit of hiring Veterans.

# Disabled Veterans' Outreach Program Specialists

Disabled Veterans Outreach Program (DVOP) specialists provide intensive services to meet the employment needs of disabled Veterans and other eligible Veterans. The maximum emphasis is directed toward serving those who are economically or educationally disadvantaged, including homeless Veterans and Veterans with barriers to employment.

DVOP specialists are actively involved in outreach efforts to increase program participation among those with the greatest barriers to employment, which may include but should not be limited to: outplacement in Department of Veterans Affairs (VA) Vocational Rehabilitation and Employment Program\*offices; VA Medical Centers; routine site visits to Veterans' Service Organization meetings; Native American Trust Territories; Military Installations; and other areas of known concentrations of Veterans or transitioning service members.

The case management approach, taught by the National Veterans'Training Institute, is generally accepted as the method to use when providing vocational guidance or related services to eligible veterans identified as needing intensive services.

# **Local Veterans' Employment Representatives**

Local Veterans' Employment Representatives (LVER) conduct outreach to employers and engage in advocacy efforts with hiring executives to increase employment opportunities for veterans to encourage the hiring of disabled Veterans, and generally assist Veterans to gain and retain employment. LVER & staff conduct seminars for employers and job search workshops for Veterans seeking employment, and facilitate priority of service in regard to employment, training, and placement services furnished to Veterans by all staff of the employment service delivery system.

To meet the specific needs of Veterans, particularly Veterans with barriers to employment, the DVOP and LVER staff are thoroughly familiar with the full range of job development services and training programs available at the State Workforce Agency One-Stop Career Centers, Department of Veterans Affairs Vocational Rehabilitation and Employment Program locations.

# **Eligible Applicants**

Applications for funds under the Jobs for Veterans State Grants Program will be accepted only from the designated administrative entity that operates the employment service delivery system within the State.

#### **Veterans Civil Service Benefit**

The New Jersey Department of Military and Veterans Affairs is the agency that determines Veteran Preference for hiring in New Jersey civil service and Veterans Status for New Jersey civil service pension plans. War period Veterans who pass the civil service examinations are given absolute preference over non-veterans when applying for state, county or municipal employment. Absolute preference is not extended to promotions, but if a Veteran ranks highest on a promotional certification, a non-Veteran cannot be offered the appointment before the Veteran. Veterans with service connected disabilities (at least 10 percent) who pass the civil service examinations are given preference over other Veterans and non-Veterans. Eligibility requirements apply, e.g., specific time periods of active duty, discharge status etc. Spouses, widows and parents of deceased

or disabled veterans are eligible under certain circumstances. For information call Veterans Benefits Bureau at 1-609-530-6954.

There are additional retirement and pension benefits offered to Veterans who are members of the Public Employees' Retirement System (PERS). For more information call the New Jersey Division of Pension and Benefits at 1-609-292-7524.

# Education and Grants

UNITED STATES MILITARY ACADEMS

# Operation College Promise (OCP) Backgrounder

Operation College Promise (OCP) is a national policy, research and education program based in Trenton, New Jersey. OCP supports the transition of military-affiliated students "To, Through and Beyond," their postsecondary advancement. Founded in 2008 as a web-based resource (<a href="www.OperationCollegePromise.org">www.OperationCollegePromise.org</a>), the project was launched under the New Jersey Association of State Colleges and Universities (NJASCU) to centralize comprehensive transition information. In 2009, OCP was one of 20 applicants awarded an ACE/Walmart Foundation "Success for Veterans" grant.

#### Education

The education of veterans, and those who serve them, is the linchpin of the OCP mission. In 2009, the program developed and published the nation's first resource manual for veterans' service providers in the Post-9/11 era. The *OCP Field Guide* provides a blueprint for local, state and national support services to aid veterans in transition.

The signature Certificate for Veterans' Service Providers (CVSP) program is the only nationally disseminated certificate program designed specifically for higher education professionals. To date, over 700 professionals from 40 states, representing more than 100,000 military-affiliated students, have been certified. The CVSP training has been offered at ten different locations including Stockton University (Pomona, NJ), Ramapo College of New Jersey (Lyndhurst, NJ), Texas State University (San Marcos, TX), the University of North Carolina (Charlotte, NC), Texas A&M (San Antonio, TX), Ashford University (San Diego, CA), CareerTech for Vets (Oklahoma City, OK), the Association of Independent State Colleges and Universities of Rhode Island (Providence, RI), Armstrong State University (Savannah), University of Maryland University College, Fairleigh Dickinson University (NJ) and St. Philips College (San Antonio). The rigorous, 2 ½ day curriculum includes seven modules taught by a cross-section of thought leaders in the field of military education, including: the American Council on Education (ACE); the American Association of State Colleges and Universities (AASCU); as well as representatives from the Chairman's Office on Reintegration (CORe), Soldier for Life, the National Association of State Approving Agencies (NASAA) and many others. Each presentation is tailored to meet the specific needs of the hosting agency and includes a tour with an "insiders look" at a local military installation.

OCP's direct outreach to veterans supports the dissemination of information to our veterans and service members. OCP staff has regularly participated in the New Jersey National Guard's "Yellow Ribbon" Post and Pre-deployment programming. Additionally, OCP provides updated information on existing and emerging resources through the OCP website, quarterly "Mail Call" e-newsletter, and social networking sites.

#### Research

Beginning in 2011, OCP developed a methodology – the Graduation Probability Indices (GPI) – to survey institutions on the progress of military-affiliated students toward degree. This landmark research "Completing the Mission: A Pilot Study of Veteran Students' Progress toward Degree Attainment in the Post-9/11 Era" was followed up in 2013 by an expanded study: "Completing the Mission II: A Study of Veteran Students' Progress toward Degree Attainment in the Post-9/11 Era" which increased the size of the study to 23 four-year institutions. Both research projects can be accessed at www.OperationCollegePromise.org.

# **Policy**

OCP staff has frequently testified before the New Jersey Legislature on policies affecting veterans and their transition. For its efforts, OCP was awarded a Senate Resolution recognizing the program as a national model. The project collaborated with the New Jersey State Senate to establish the first "Veterans' Education Awareness Week," which is recognized through a gubernatorial proclamation each year. This initiative was made annual as an ongoing effort to educate veterans on their education benefits as well as celebrate their service. OCP is also researching condensed degree programs that maximize the benefits of the Post-9/11 GI bill, while recognizing the skill sets of our military students in fields with potential for long-term employment. The first of these, "VETeach," a streamlined teaching degree plan, was signed into New Jersey Statute on April 5, 2012.

For more information on Operation College Promise (OCP), visit: <a href="www.OperationCollegePromise.org">www.OperationCollegePromise.org</a> or call 1-561-302-5282.

Garden State Equality (GSE) is New Jersey's largest lesbian, gay, bisexual, and transgender organization and one of the most successful statewide LGBTQ groups in the country. With approximately half a million LGBTQ individuals in NJ and over 150,000 GSE members, their mission is to provide services that meet the needs of the LGBTQ community and promote equality for all.

Programs fall under two main categories: education/youth development (Teach and Affirm) and health/wellness (Map and Expand, which targets the entire LGBTQ community, and Pledge and Protect, which addresses the unique needs of LGBTQ seniors). Issues facing the LGBTQ community, including housing, healthcare, education, and more, are addressed under these programs and through our legislative and policy work.

GSE also serves the community by providing referrals for healthcare and legal services and intervening in cases of harassment and discrimination. If you are looking for a referral please reach out. If you have faced discrimination in New Jersey because of your sexual orientation, gender identity or gender expression, tell Garden State Equality by contacting them at the email address or phone number above, or by filling out the report discrimination form on our website: <a href="https://www.gardenstateequality.org/report\_discrimination">https://www.gardenstateequality.org/report\_discrimination</a>

#### Changing DD-214s and Other Discharges

Servicemembers who were discharged because of the policy known as Don't Ask Don't Tell (DADT) or the prior policies regarding gays and lesbians in the Armed Forces may want to have certain changes made in the discharge paperwork.

The discharge characterization for those discharged under DADT or the prior policy should accurately reflect the character of their service. This is not always the case.

Servicemembers who were discharged under DADT generally received an Honorable or General Under Honorable Conditions discharge based on their service records. However, a service member discharged for a "Homosexual Act" that involved a so-called "aggravating factor" might have been given an Other Than Honorable (OTH) discharge characterization. Most of the factors on the list (such as acts involving minors, prostitutes or coercion) constituted unacceptable behavior and should have resulted in an OTH. But there were two "aggravating factors" that did not inherently constitute misconduct and that should not necessarily have resulted in OTH discharges. These were acts committed openly in public view (e.g., holding hands at a restaurant) and acts committed on base or on post (e.g., a quick hug while being dropped off).

In addition, the Navy and Marine Corps gave those discharged for "marriage" or "attempted marriage" an OTH, while in the Army and the Air Force, members discharged for same conduct received Honorable or General Under Honorable Conditions discharges, based on their service record.

Servicemembers discharged under the pre-DADT policy were very likely to receive discharges that were less than Honorable.

Less than Honorable discharge characterizations can have lifelong consequences, such as limiting the veteran's access to the GI Bill or Veterans Administration healthcare.

Former servicemembers who received a less than Honorable discharge characterization that is not reflective of their service are eligible to apply to have that discharge upgraded to mirror their service.

For more information on how to upgrade a discharge, please contact a New Jersey Department of Military and Veterans Affairs Veterans Service Office (see page 15).

## **New Jersey State Bar Association**

The New Jersey State Bar Association (NJSBA) through its Military Law and Veterans Affairs Committee, in conjunction with McCarter & English, LLP has established the Military Legal Assistance Program, a pro-bono - i.e., free - program to provide assistance to New Jersey residents who have served overseas as active duty members of Reserve components of the Armed Forces after September 11,2001. Many returning Veterans have been adversely affected by reason of their status, change of status, or long deployment. It is anticipated there is a need for legal assistance for these military personnel in civil matters. The program can offer assistance in Family Law, Employment Law and Debtor-Creditor Law. The program will refer members of the military who contact NJSBA to volunteers qualified to assist with their specific needs. Volunteers who accept the case must agree to handle such case from inception to resolution without compensation or reimbursement for expenses.

# **Professional or Occupational Licenses**

Signed into law by Governor Jon Corzine on August 12, 2008

Any license issued by a professional or occupational board designated in section 2 of P.L.1978, c.73 (C.45:1-15) and any registration issued under the "New Jersey Controlled Dangerous Substances Act," P.L.1970, c.226 (C.24:21-1 et seq.), will not expire while the licensee or registrant is an active member of the Armed Forces of the United States and will be extended for up to 120 days after the licensee's or registrant's return from active service. If the license or registration is renewed during the 120-day period after the licensee's or registrant's return from active service, and the licensee or registrant submits documentation verifying his or her active military service, the licensee or registrant will only be responsible for normal fees and activities relating to renewal of the license or registration and will not be charged any additional costs, such as, but not limited to, late fees or delinquency fees.

As defined in this bill, "active member" means an individual or member of an organized unit ordered into active service in the Armed Forces of the United States by reason of membership in a reserve component of the Armed Forces of the United States or any branch of the Armed Forces of the United States. The reserve component of the Armed Forces of the United States includes the New Jersey National Guard and naval militia.

The bill also makes a technical amendment to section 18 of "The State Plumbing Law of 1968," P.L.1968, c.362 (C.45:14C-18), to remove a provision of that law that would conflict with the new provisions of the bill, which have general application to all professions and occupations regulated by Title 45 of the Revised Statutes.

# 45:1-2.1 Applicability of act.

1. The provisions of this act shall apply to the following boards and commissions: the New Jersey State Board of

Accountancy, the New Jersey State Board of Architects, the New Jersey State Board of Cosmetology and Hairstyling, the Board of Examiners of Electrical Contractors, the New Jersey State Board of Dentistry, the State Board of Mortuary Science of New Jersey, the State Board of Professional Engineers and Land Surveyors, the State Board of Marriage and Family Therapy Examiners, the State Board of Medical Examiners, the New Jersey Board of Nursing, the New Jersey State Board of Optometrists, the State Board of Examiners of Ophthalmic Dispensers and Ophthalmic Technicians, the Board of Pharmacy, the State Board of Professional Planners, the State Board of Psychological Examiners, the State Board of Examiners of Master Plumbers, the New Jersey Real Estate Commission, the State Board of Court Reporting, the State Board of Veterinary Medical Examiners, the Radiologic Technology Board of Examiners, the Acupuncture Examining Board, the State Board of Chiropractic Examiners, the State Board of Respiratory Care, the State Real Estate Appraiser Board, the State Board of Social Work Examiners, the State Board of Examiners of Heating, Ventilating, Air Conditioning and Refrigeration Contractors, the State Board of Physical Therapy Examiners, the Orthotics and Prosthetics Board of Examiners, the New Jersey Cemetery Board, the State Board of Polysomnography, the New Jersey Board of Massage and Bodywork Therapy and any other entity hereafter created under Title 45 to license or otherwise regulate a profession or occupation.

## **New Jersey Property Tax programs**

#### **Income Tax Exemption for Veterans**

You are eligible for a \$6,000 exemption on your Income Tax return if you are a military veteran who was honorably discharged or released under honorable circumstances from active duty in the Armed Forces of the United States on or any time before the last day of the tax year. Your spouse (or civil union partner) is also eligible for an exemption if he/she is a veteran who was honorably discharged or released under honorable circumstances and you are filing a joint return.

This exemption is in addition to any other exemptions you are entitled to claim and is available on both the resident and nonresident returns. You cannot claim this exemption for a domestic partner or for your dependents. Note: This exemption can only be claimed by qualifying veterans, it does not pass through to a surviving spouse. <a href="https://www.state.nj.us/treasury/taxation/military/vetexemption.shtml">https://www.state.nj.us/treasury/taxation/military/vetexemption.shtml</a>

## **Property Tax Exemption for Veterans**

The New Jersey Property Tax Exemption/Deduction requires a Veteran to serve during a specific war time period. New Jersey amended wartime service criteria for the 100 percent Disabled Veteran's Property Tax Exemption effective January 16, 2018. Wartime service in a specified geographic location for a minimum number of days is no longer required. If the veteran was on active duty during any of the statutory service periods listed on the form, he or she meets the wartime service criterion for exemption. Other requirements, such as honorable discharge, property ownership, disability, etc., are unchanged. This amendment does not apply to the \$250 Veteran's Property Tax Deduction.

Disabled Veteran Exemption requires a 100 percent VA Certificate of Disability. The exemption should be permanent and total, partial or temporary is non-qualifying. The property must be owned and occupied by the claimant, and must be their legal residence in this state.

An annual \$250 Veterans Property Tax Deduction requires citizenship, state residency, active wartime service in the U.S. Armed Forces, honorable discharge, property ownership, and the timely completion of an application. If living, the Veteran must own the property in whole or in part to qualify for the deduction. Surviving spouse qualifies if all criteria are met. Eligibility for the deduction is established as of October 1 of the pre-tax year. The application can be filed at the local tax assessor's office with appropriate documentation.

#### License to Vend

Honorably discharged veterans may obtain a no–fee license to vend any goods, wares, or merchandise, or solicit trade within the state. Licenses are procured from the county clerk's office and regulated by municipalities. Contact your county clerk for an application.

### **New Jersey Veterans Memorial Homes**

The New Jersey Department of Military and Veterans Affairs operates three modern long-term care nursing homes located in Paramus, Menlo Park, and Vineland. These homes are inspected and licensed annually by the New Jersey Department of Health and the U.S. Department of Veterans Affairs.

Comprehensive services and a deep concern for the residents go hand-in-hand at New Jersey's three state-operated veterans' nursing homes. Around-the-clock medical and nursing care is provided by a full-time staff of physicians, nurse practitioners, registered nurses, licensed practical nurses and certified nursing assistants.

Rehabilitative services, such as occupational and physical therapies, speech therapy, and recreational activities are provided under the supervision of contracted licensed therapists.

Resident accommodations are assigned based on level of care required and availability. In spacious dining rooms, residents are provided with wholesome meals prepared under the supervision of licensed dietitians. Tray service is available when necessary and special care is given to individually prescribed diets.

For the convenience and comfort of the residents, the homes feature fully equipped beauty and barber shops, lounges for socializing and watching television, outdoor patios and recreation areas, picnic grounds, and chapels for religious services for all faiths.

Recreational activities available include gardening, ceramics and other arts and crafts, cooking, bingo, shopping trips, music, art and pet therapy programs, movies, dinner trips, fishing excursions, billiards, and trips to sporting events.

### Eligibility

The facilities are open to veterans of all wars who served on active duty and were honorably discharged, the veteran's spouse, and to spouses and parents of members of the military who were killed in action during a period of war (Gold Star Parent).

Preference is given to applicants who were state residents for at least two years immediately prior to application for admission. Residents pay according to ability based on income.

# Brigadier General William C. Doyle Memorial Cemetery

The facility was funded jointly by the state and federal governments and is managed by the New Jersey Department of Military and Veterans Affairs. It is open to eligible New Jersey Veterans, residents who are members of the Armed Forces or reserve units on active duty at the time of death, certain dependents, and certain merchant marines and civilians who have been awarded veteran's status. Rules and eligibility requirements were established within the guidelines of the U.S. Department of Veterans Affairs (VA), Washington, D.C.

The cemetery is in North Hanover Township, Burlington County on Province line Road, which intersects Route 664 to the north of the cemetery and Routes 537 and 528 to the south. Its location is easily accessible from the New Jersey Turnpike, the Garden State Parkway, and Interstates 195 and 295.

Professional, compassionate service to the bereaved is the concern of the experienced staff who are ready to provide assistance and comfort to the family in their time of need.

There is no finer tribute or more appropriate final resting-place for New Jersey's Veterans than in a cemetery dedicated to them. For general information, grave location and interments, call 1-609-738-2400.

### **New Jersey State Medal Program**

"So our record of living our values and letting our values be an inspiration to others I think is clear. And I don't think I have anything to be ashamed of or apologize for with respect to what America has done for the world. We have gone forth from our shores repeatedly over the last hundred years and we've done this as recently as the last year in Afghanistan and put wonderful young men and women at risk, many of whom have lost their lives, and we have asked for nothing except enough ground to bury them in, and otherwise we have returned home... to live our own lives in peace."
