NJDMAVA announces Request for Proposals for the Veterans Memorial Homes

Trenton, NJ – The New Jersey Department of Military and Veterans Affairs today issued a Request for Proposals, seeking to engage up to three vendors with the expertise and capacity to provide interim supervisory staff and consulting services at the Menlo Park Veterans Memorial Home and consulting services at the Paramus and Vineland Veterans Memorial Homes. This is in accordance with New Jersey Governor Phil Murphy’s recent directive and aims to ensure the highest quality of care for the residents of the three veterans’ homes, including veterans, veteran’s spouses, and Gold Star family members.

“This is an important step forward for all of us at the Department of Military and Veterans Affairs,” said Brig. Gen. Lisa J. Hou, D.O., Commissioner for Veterans Affairs and the Adjutant General of New Jersey. “Our team welcomes third-party expertise and fresh eyes to help implement critical changes during a crucial time in our Homes’ operations.”

Hou explained that experience and communication are key.

“We are one team with one mission, and that is to protect our heroes’ health and well-being,” Hou added. “We want dedicated experts to join our team in working toward this goal.”
