**Licensing Centers and Vehicle Centers**

**What are “Licensing Centers” and “Vehicle Centers”?**

In order to maintain social distancing, some agencies have been designated as Licensing Centers and some as Vehicle Centers.

In Vehicle Centers, we are processing vehicle transactions only:

- New registrations/titles (including transfers) for individuals.
- Dealer & Salvage registrations/titles in bulk.
- License plate transactions.
- Renewals for registrations that expired more than 6 months ago or are ineligible for online renewal.

All Vehicle Centers are open by appointment only. No walk-ins are allowed at Vehicle Centers.

In Licensing Centers, we are processing license transactions only:

- First-time licenses, non-driver IDs, and permits (REAL ID is an option for first-time licenses/IDs).
- Out-of-state transfers
- REAL IDs, CDLs, TVRs (temporary visa restricted licenses), and license renewals not eligible for online renewal

Currently, walk-in services are only available at Licensing Centers for name and gender marker changes, and purchase of red decals.

All other transactions at Licensing Centers are available by appointment only.

To help identify whether a transaction is available online, by walk-in, or by appointment, use our transactions Cheat Sheet.

**Everyone who enters an MVC facility will be required to wear a face covering. If a customer cannot wear a face covering, MVC will make other arrangements for their transaction.**
