Salvage Inspection Information and Instructions

Inspection Services
Enhanced I/M Unit
P.O. Box 680
Trenton, NJ 08666

IMPORTANT: Follow salvage inspection instructions below AFTER a New Jersey Salvage Certificate of Ownership has been issued and you wish to have the vehicle repaired and subsequently inspected.

If the salvage inspection is passed and all requirements are met, the vehicle will be eligible to be converted to an operable salvage title.

Note: The inspection may take one hour. You may not observe the inspection. **DO NOT** bring children.

Below is a detailed list of requirements for a salvage inspection. All documents must be emailed to your preferred inspection site and reviewed/approved before an appointment for inspection can be made. If you have any questions, please visit our website at www.njmvc.gov or contact the inspection site directly (specialty site information listed on Page 1).

1. **Photographs before and after repairs are required.** After a new owner of a salvage motor vehicle takes possession of the vehicle, the **first** step is to take color photographs of the vehicle. The photos must be clear and cannot cut off any portion of the vehicle. These photos must include the following:
 - At least 1 photo of the entire front and left side of the vehicle (before and after repairs).
 - At least 1 photo of the entire rear and right side of the vehicle (before and after repairs).

Note: If repairs were started before pictures could be taken, a damage report from your insurance company is required. This report will substitute only for the before photos. **It is the responsibility of the current owner to obtain a damage report. The NJMVC cannot provide this information to Salvage Inspection customers.**

2. **Bill of sale** is required for each *major component part used in the reconstruction, rebuilding, or repair of the vehicle. Each bill of sale must include the name and address of the buyer and seller, the date of purchase, and the sale price of the part. Whether **New** or **Used**, part(s) must contain the following:

If **new parts** are used, the bill of sale must contain a description of the part and the part number.

If **used parts** are used, the bill of sale must contain the following:

- A description of the part.
- The date the part was dismantled or removed (if applicable).
- The name and address of the person or business that removed the part.
- The year, make, model, and the vehicle identification number (VIN) from the vehicle the part was removed from. If the VIN is not available, you must supply a statement from the part(s) seller as to why the VIN is not available.

3. **If used, *major component parts**, the full and correct VIN from the vehicle(s) which parts were removed is required. All VIN's must be listed on the next page of this form.

****ALL required documents listed in this packet MUST be emailed to your preferred inspection site for review and approval BEFORE an appointment for inspection can be made.**

Salvage Inspection Information and Instructions

4. **Email your preferred inspection site attaching copies of your NJ Salvage Title, OS/SS-3 "Salvage Inspection Fee Application", and all other required documents listed below.** You will receive a confirmation email containing a record ID number. Upon review and approval of your documentation, you will be notified that you may call the inspection site to make your appointment. **When you call for your appointment, you will need to provide the record ID number as a reference.** You may be requested to bring documents to your appointment as well. In accordance with NJAC 13:21-22.10(f), cancelling an appointment must be done at least five days prior to the appointment. If you are late or miss your scheduled appointment, your inspection and fee will be forfeited, and you must reschedule the inspection. **The inspection fee is non-refundable and expires in one (1) year.**
5. **Required documents for your inspection:**
- The NJ Salvage Title issued in your name.
 - Your copy of the OS/SS-3 attached to the NJ Salvage Title.
 - Bills of sale for each major component part used.
 - Before and after color photographs (Damage report if no before photos).
 - Work order showing all repairs made.
 - VIN numbers of new and used parts, with detailed description of work performed on work order.
 - If flood vehicle, a damage report from the insurance company is required.
 - If theft recovery vehicle, a theft report from the law enforcement agency which recovered the stolen vehicle is required (NJAC 13:21-22.15(b)3).

The Motor Vehicle Commission requires before and after photos of the vehicle. These photos must clearly show all four sides of the vehicle. The requirements and restrictions of the photos are as follows:

- The vehicle must be clean and free of any debris or snow.
- Color photos are required.
- Photos must be clear.
- Photos cannot cut off any portion of the vehicle.
- Photos must be standard size or larger (2 ¼ X 4 ¼).
- Polaroid photos are acceptable.
- Photo quality paper is required if pictures are self-printed.

NOTE: If you do not have before photos, you must contact the previous owner. If you are unsuccessful in obtaining acceptable before photos, a damage report from the insurance company is required. **It is the responsibility of the current owner to obtain the damage report.** This will only substitute for the before photos.

A

B

C

D

E

F

G

A, B, & C are all acceptable photos

D is an unacceptable photo and will be rejected because the rear bumper is cut off.

E & F are acceptable photos. This is an example of taking a photo that captures two sides of the vehicle in a single picture.

G is an unacceptable photo because it does not show the entire vehicle (top is down).
