Know the facts about "REAL ID"

GET STARTED

Effective **October 1, 2020**, you must have a **REAL ID** compliant driver license/ID, U.S. passport, or military ID to fly commercially. UNTIL THAT DATE, a Standard New Jersey driver license is valid for domestic air travel.

What is REAL ID? Do I need one?

REAL ID is the new federal standard for identification.

If you intend to fly within the U.S. or enter certain federal facilities, your New Jersey driver license or ID will need to be a **REAL ID**.

If you intend to use a passport for those purposes, you do not need **REAL ID** and you can still get a standard driver license or ID.

Don't need **REAL ID**? Find out if you can "Skip the Trip" with an [online transaction](#).
