PROCEDURES FOR VEHICLES ABANDONED ON PRIVATE PROPERTY IN ACCORDANCE WITH N.J.S.A. 39:4-56.6

This procedure is for vehicles abandoned on New Jersey private property. By law, all vehicles must be put up for public sale/auction. However if a sale cannot be completed through an auction the property owner may apply for a title in their name only. If the vehicle is titled to a NJ dealer, documents must display a completed New Jersey dealer tax stamp.

Each case is handled on an individual basis and additional documents **may** be required. This procedure applies to New Jersey residents only.

The following required documents must be mailed to the below address for processing and approval, which will permit the issuance of the "Application for Certificate of Ownership for a Vehicle Abandoned on Private Property" (OS/SS-137). ***This form will allow the sale/auction to be held and the vehicle to be subsequently sold and titled to the purchaser or property owner, as applicable.***

Completed: Please use the below check boxes as a guide to show which steps are completed.

1. Proof of ownership / lienholder information must be furnished by the New Jersey MVC. Lien Search Application (DO-22) with a \$15.00 check or money order is required to be submitted to this office. . If there is no record in New Jersey, we require a certified title search from the known state as well as certified searches from the five states that surround New Jersey; New York, Delaware, Pennsylvania, Connecticut and Maryland.
2. **A detailed notarized statement** indicating when and how you came into possession of the vehicle is required to be submitted to this office. The statement must indicate all steps taken to establish authority to sell the vehicle including the year, make and VIN. This must also state your name, address and a daytime telephone number.

STOP HERE: Once step 1 & 2 have been completed, please mail the DO-22 form **ONLY** to P.O. Box 146 Trenton, NJ 08666. ***DO NOT CONTINUE*** until you receive the title/lien search information back from the NJ Motor Vehicle Commission. Once a response is received, you may continue to follow the remainder of this procedure in the outlined order.

3. Original Certified Affidavit of Newspaper Publication is required to be submitted to this office (See enclosed sample of publication #1).
4. Publication notice sent to the local police department in the municipality in which the vehicle is located. Notice must be sent by Certified Mail, Return Receipt Requested. The original signed receipt is required to be submitted to this office.
5. **Abandoned Vehicle 90 Day Notice (OS/SS-139)** must be sent by Certified Mail, Return Receipt Requested, to the owner and lienholder (if applicable) stating your intent to sell the vehicle if it is not claimed within 90 days of the letter and payment is received for reasonable cost of towing, garaging, storing, parking etc. The pink copy of the 90 Day Notice and the original signed return receipt(s) is required to be submitted to this office. If certified notice is undeliverable or unclaimed, then notice must then be sent by regular mail.
6. **Abandoned Vehicle 5-Day Notice (OS/SS-140)** must be sent by Certified Mail, Return Receipt Requested, to the owner and lienholder (if applicable), notifying them of your intent to sell the vehicle at auction, including the time and location of sale. The pink copy of 5-Day Notice and the original signed receipt(s) must be submitted.

Important Note for Steps 4, 5 & 6: Regarding steps 4, 5 & 6, if any notice(s) are returned as undeliverable, the original unopened, undelivered envelope(s) with U.S. Postal Service notation showing the reason(s) for non-delivery is required to be submitted to this office. Photocopies are not acceptable.

7. **Publish a notice in a newspaper** circulated in the municipality where the property is located 5 days before the sale/auction. The notice must include a complete description of the vehicle including the vehicle identification number, date, time and location of auction. The notice must be published a minimum of two times over two consecutive weeks and must appear at least once each week. You must obtain a Certified Affidavit of Publication from the newspaper (see attached sample of publication #2).
8. **Pencil tracing or a photograph of VIN** (vehicle identification number) from the VIN plate. If you are unable to obtain a pencil tracing or photograph of the vehicle identification number, you must include a notarized statement explaining the circumstance. Also, you must state that you physically examined the vehicle and provide the vehicle identification number shown on the VIN plate.
9. **Four photos of the vehicle** are required (front, back, passenger and driver side).

STOP HERE: Please forward all documents to the below address. A sale/auction cannot occur until all required documents have been approved and you have received form OS/SS-137 "Application for Certificate of Ownership for a Vehicle Abandoned on Private Property." This form contains an assignment which, when executed by the property owner or licensed dealer, will result in the issuance of a title to the purchaser. **DO NOT** sell the vehicle without the OS/SS-137.

10. **Original notarized affidavit** of the property owner or licensed dealer who conducted the auction/sale, identifying the people who attended the auction, providing an accounting of the proceeds and the costs of the sale, describing any existing lien, and indicating any other costs incurred by the property owner. This must be given to purchaser with the completed Application for Certificate of Ownership for a Vehicle Abandoned on Private Property (OS/SS- 137).

After the sale/auction has occurred, fully complete the OS/SS-137 with purchaser information and a copy of the purchaser's driver license. A check or money order in the amount of \$60.00 made payable to "NJMVC" for the title fee (\$85.00 fee is required if there is a lien), plus sales tax on the purchase price of the vehicle and must be mailed to the NJMVC. There will be a \$25 penalty fee, in addition to the title fee, if the vehicle is not titled within 10 days of the date of sale. The title will be mailed to the purchaser. If there is a lien, then it will be mailed to lienholder.

*****SS-58 Abandon on Private Property No Interest Applicants***** If a property owner wishes to release their interest in the vehicle to the towing facility, the property owner must fill the SS-58 form out completely and the form must be submitted with the rest of the of application documents. Failure to complete the SS-58 will result in rejection.

****NOTE**** If no one attends the auction and no bids are received then the property owner may obtain a title in their name. The property owner must fill in their information in the purchaser section of the OS/SS-137. Once the OS/SS-137 is fully completed it must be submitted to the "NJMVC" along with a letter on the property owner's letterhead stating that an auction was held but no bids have been received and no one attended. Any person applying on behalf of the property owner must be given a power of attorney to apply and sign any or all documents associated with the abandoned on private property procedure.

Additional Information: The proceeds of the sale shall be applied to payment of any perfected liens and expenses incurred for storage and sale of the vehicle. Any remaining new proceeds are to be turned over to the owner of the vehicle. If the owner of record of the vehicle cannot be located, the property owner will be required to hold the proceeds in escrow for 60 days and then remit same to the municipality in which the property is located. The details of the escrow account should be provided in the accounting.
