

Request for Proposals (“RFP”) to Develop a Regional Interactive Environmental Resource Inventory (“ERI”)

I. Request to Submit Proposals

The New Jersey Highlands Water Protection and Planning Council (“Highlands Council”) is soliciting proposals consisting of a Statement of Qualifications, Technical Proposals, and Rate Schedule & Budget from a Consultant (“Consultant”) with varied expertise in GIS and public policy to develop an interactive Environmental Resource Inventory (“ERI”). The ERI, or Index of Natural Resources, is a “compilation of text, tables, maps and other visual information about the natural resource characteristics and environmentally significant features of an area.”¹

The Highlands Council is seeking a Consultant with the following expertise and skills:

- GIS;
- Web development and design;
- Environmental Resource and/or Natural Resource Inventories;
- Knowledge of the New Jersey Highlands Water Protection and Planning Act, N.J.S.A. §§ 13:20 – 1, *et seq.* (the “Act”), and the Highlands Regional Master Plan (“RMP”) (See https://www.highlands.state.nj.us/njhighlands/master/rmp/final/highlands_rmp_112008.pdf).

II. Scope of Services

The selected Consultant will provide a web-based interactive ERI map with the following requirements:

- A. The ERI map shall be developed for the entire Highlands Region as defined in the Act and will display information and data about the Highlands region via a website that is accessible to end users free of charge.
- B. The interactive ERI shall include mapping of all Highlands RMP resources, aerial base mapping (including at a minimum the most recently available, 2015, 2012, 2007, 2002, 1995 and 1930), and other environmental resources regularly contained in a municipal ERI.
- C. The interactive ERI shall be designed to calculate datasets upon request at the parcel, multiple parcel, municipal, county, watershed (HUC14 and HUC11) and Highland region levels.
- D. Each of the municipalities located within the Highlands region shall be supplied with a customized interactive map portal with its own unique URL that can be accessed by end users free of charge.
- E. The interactive ERI shall include, at a minimum, the following functionality:
 1. Ability to query the Tax Parcel layer via a form and/or a mouse click to select one or multiple parcels. For example, user enters the Municipality name, block and lot and

¹ Association of New Jersey Environmental Commissions (ANJEC). “The Environmental Resource Inventory: ERI.” <http://www.anjec.org/pdfs/ERI2013.pdf>

the resulting selected parcel gets highlighted and zoomed to on the map (this functionality needs to include the ability to select multiple parcels).

2. Ability to click on a feature and have a small popup window or panel that displays the attribute information of that selection.
 3. Address search bar: User enters in an address and the application finds that location and zooms to it (ie. Google API or similar).
 4. Display of individual and multiple layers.
 5. Provide linked metadata for each layer within the application.
 6. The ability to derive attribute table reports from single and multiple parcels. This functionality extends to creating summarized reports of all spatial, tabular and graphical data in a municipality, county, watershed (HUC14 and HUC11) and at the scale of the entire Highlands region.
- F. Host and support the interactive map and supporting datasets and provide maintenance for a period of two (2) years with an estimated annual renewal cost.
- G. Award of any contract will be based upon an evaluation of the proposed application's speed, functionality, and reliability.
- H. The Highlands Council shall retain all rights to any applications developed and all data used to develop such applications.
- I. The Highlands Council shall retain the ability to add and remove datasets from the ERI interactive map.
- J. Training shall be provided to Highlands Council GIS staff on the maintenance and implementation of the application. This will include at least one on-site training and a written operations and maintenance manual.

Timeframe

The Highlands Council expects the timeframe to complete the tasks to be twelve (12) months. The Consultant shall prepare regular progress reports on a monthly calendar basis for the Highlands Council review.

The Consultant's ability to devote sufficient resources to these tasks in the expected timeframe should be reflected in its detailed schedule (see Section III, B.2), although Consultants may propose alternative timeframes that achieve a reasonable completion of the Scope of Services in an expedited manner. Instructions

Instructions for Completing “Contractor Certification and Disclosure of Political Contributions” Forms

Who Should Sign and Submit Certification and Disclosure Forms

Public Law 2005, Chapter 51 requires submission of a Certification and Disclosure form from each Bidder with which the State intends to contract, as well as other related individuals or entities, depending upon the Bidder’s organizational structure. The following provides a summary of the most common requirements:

Where the Bidder is a corporation or other business organization:

Submit separate Certification and Disclosure forms for each of the following:

- The Bidder, certified by an officer or other authorized representative; AND
- All “Principals” of the Bidder’s Business Entity; namely, any individual or entity owning or controlling more than 10% of the Bidder’s Business Entity; AND
- Any subsidiary controlled by the Bidder’s Business Entity; AND
- Any Political Organization (as defined above, under “Business Entity”) controlled by the Bidder’s Business Entity.

Ownership Disclosure Forms

In order to determine whether all required “Principals” of the Bidder have submitted the necessary forms, the Bidder must submit a copy of an Ownership Disclosure form. This disclosure is required by statute – see N.J.S.A. 52:25-24.2. Generally, the contracting agency will provide the appropriate form to use for this purpose. Otherwise, please use the Ownership Disclosure form available at the Division of Purchase and Property’s website, at: <http://www.state.nj.us/treasury/purchase/forms/pbodf.pdf>.

ONE FORM may be used to submit compliance documentation on behalf of the Bidder *and* as a Principal (more than 10% owner) of the Bidder, as long as appropriate representatives have signed *both* in the space provided for signature on behalf of the company, as an officer or other authorized representative, *and* in the space provided for individual signature.

Where the Bidder is an individual (including a sole proprietor), not a corporation or other business organization:

Unless separate Certification and Disclosure forms are submitted, one Certification and Disclosure will be deemed to encompass all of the following persons or organizations:

- The Bidder; AND
- Any spouse or children of legal age, residing in the same household; AND
- Any Political Organization (as defined above) controlled by the Bidder’s Business Entity.

Instructions

Contractor Certification and Disclosure of Political Contributions

Examples

Scenario One: Two individuals each own 50% of the Bidder: Three signatures are required – one on behalf of the Bidder and one by each individual owner of more than 10% of the Bidder. NOTE: If one of the Principals (owners) signs on behalf of the Bidder, that Principal may also sign the same form, in his or her individual capacity. However, the other Principal must sign and submit a separate Certification and Disclosure form. Accordingly, either two or three separate Certification and Disclosure forms will be submitted.

Scenario Two: An individual owns 100% of a Bidder: Two signatures are required: the individual owner can submit one Certification and Disclosure form, provided he or she has signed in the space provided for signature on behalf of the Bidder (“ARROW #2”> “Certification on behalf of a company or organization”) and in the space provided for individual signature (“ARROW #3”> “Certification by an individual...”).

Scenario Three: Four individuals and one corporation each own 20% of the Bidder: six signatures are required – one by each individual and corporate owner of more than 10% of the Bidder, and one on behalf of the Bidder. NOTE: As in Scenario One, above, if one of the Principals (owners) signs on behalf of the Bidder, that Principal may also sign the same form, in his or her individual capacity.

Scenario Three: The Bidder is an individual, conducting business in his or her own name, or as a sole proprietorship: certification and disclosure by the Bidder applies to that person’s spouse and/or legal age child living in the same household, unless separate certification and disclosure forms are submitted.

Additional scenarios are the subject of some of the Questions and Answers posted on the Division of Purchase and Property’s website. Please refer to that site, at <http://www.state.nj.us/treasury/purchase/execorder134.htm> for additional information, or to submit questions regarding the completion of Political Contribution Compliance (EO 134) forms.

Continuing Disclosure Obligation

Pursuant to Public Law 2005, Chapter 51, all business entities which have been awarded a State contract on or after October 15, 2004, in an amount in excess of \$17,500, have a continuing obligation to disclose all Contributions made during the term of such contract.

Such disclosures are to be submitted by the business entity to the Agency or Agencies which awarded the applicable contract(s). The disclosures are to be made using the standard Certification and Disclosure form, which may be downloaded from the Division of Purchase and Property’s website.

IMPORTANT NOTICE

NEW “PAY-TO-PLAY” RESTRICTIONS TO TAKE EFFECT NOVEMBER 15, 2008

Governor Jon S. Corzine recently signed Executive Order No. 117, which is designed to enhance New Jersey’s efforts to protect the integrity of government contractual decisions and increase the public’s confidence in government. The Executive Order builds on the provisions of P.L. 2005, c. 51 (“Chapter 51”), which limits contributions to certain political candidates and committees by for-profit business entities that are, or seek to become, State government vendors.

Executive Order No. 117 extends the provisions of Chapter 51 in two ways:

1. The definition of “business entity” is revised and expanded so that contributions by the following individuals also are considered contributions attributable to the business entity:
 - Officers of corporations and professional services corporations, with the term “officer” being defined in the same manner as in the regulations of the Election Law Enforcement Commission regarding vendor disclosure requirements (N.J.A.C. 19:25-26.1), with the exception of officers of non-profit entities;
 - Partners of general partnerships, limited partnerships, and limited liability partnerships and members of limited liability companies (LLCs), with the term “partner” being defined in the same manner as in the regulations of the Election Law Enforcement Commission regarding vendor disclosure requirements (N.J.A.C. 19:25-26.1); and
 - Spouses, civil union partners, and resident children of officers, partners, LLC members and persons owning or controlling 10% or more of a corporation’s stock are included within the new definition, except for contributions by spouses, civil union partners, or resident children to a candidate for whom the contributor is eligible to vote or to a political party committee within whose jurisdiction the contributor resides.
2. Reportable contributions (those over \$300.00 in the aggregate) to legislative leadership committees, municipal political party committees, and candidate committees or election funds for Lieutenant Governor are disqualifying contributions in the same manner as reportable contributions to State and county political party committees and candidate committees or election funds for Governor have been disqualifying contributions under Chapter 51.

Executive Order No. 117 applies only to contributions made on or after November 15, 2008, and to contracts executed on or after November 15, 2008.

Updated forms and materials are currently being developed and will be made available on the website as soon as they are available. In the meantime, beginning November 15, 2008, prospective vendors will be required to submit, ***in addition to the currently required Chapter 51 and Chapter 271 forms***, the attached Certification of Compliance with Executive Order No. 117.

APPENDIX D

**NEW JERSEY HIGHLANDS WATER PROTECTION AND PLANNING COUNCIL
CONTRACT STANDARD TERMS AND CONDITIONS**

Revised as of June 11, 2013

The following “Standard Terms and Conditions” shall become part of any contract(s) awarded or order(s) placed as a result of the New Jersey Highlands Council’s Request for Proposals (RFP), of which this is a part, unless specifically and expressly modified by reference in the Council RFP, or in a writing executed by the Executive Director of the Council or the designee thereof.

I. DEFINITIONS

As used in these Standard Terms and Conditions the following terms shall have the definitions set forth in this paragraph. These definitions shall also apply to the entire contract unless otherwise defined therein.

“Contract” means a mutually binding legal relationship obligating the Respondent to furnish services and the Council to pay for them, subject to appropriation where the Council derives its annual budget by means of appropriation from the State Legislature. The Contract shall consist of these Standard Terms and Conditions, the Council Request, the proposal submitted by the Contractor, the subsequent written document memorializing the agreement (if any), any amendments or modifications and any attachments, addenda or other supporting documents of the foregoing. In the event of a conflict between these documents, the following documents shall control in order of precedence from the most controlling to least: subsequent written document, if any, memorializing the agreement between the parties; Professional Services Contract Standard Terms and Conditions; Council Request; and Firm proposal.

The Contract and/or its terms cannot be modified or amended by conduct or by course of dealings. Thus, the “contract” does not include the aforementioned actions and such actions, or reliance thereon, afford no rights whatsoever to any party to the Contract.

“Contractor” or “Respondent” means the person or entity which submits a proposal in response to the Council Request (or RFP) and to whom (or which) the Contract is awarded.

“Council” means the New Jersey Highlands Water Protection and Planning Council.

“Council Request” or “RFP” means a request made by the Council for offers or proposals to provide the sought after services as specified herein.

“Designee” means the representative of the Executive Director, duly authorized by same to conduct specific activities and who also has the power to legally bind the Executive Director within the scope of the Contract. Actions taken by an unauthorized designee or which are beyond the scope of the designee’s authorization or beyond the scope of the Contract are ultra vires and have no legal or equitable effect.

“Executive Director” means the Executive Director of the New Jersey Highlands Water Protection and Planning Council or the Designee thereof.

“Project” means the initiative, enterprise, undertaking or services for which the Contractor was contracted, and which is detailed in the Request for Proposal of which this is a part.

“Shall” denotes a mandatory condition.

“State” means the State of New Jersey and its agencies.

II. APPLICABILITY AND INCORPORATION OF STANDARD TERMS AND CONDITIONS

These Standard Terms and Conditions will apply to all services contracts made by the Council. These Standard Terms and Conditions are automatically incorporated into the Contract unless the Contractor is

specifically instructed otherwise in the Council Request or in any amendment thereto. These Standard Terms and Conditions are in addition to the terms and conditions set forth in the Council Request and should be read in conjunction with same unless the Council Request specifically indicates otherwise.

III. **CONTRACTOR'S STATUS AND RESPONSIBILITIES**

- A. **CONTRACTOR'S STATUS:** The Contractor's status shall be that of an independent contractor and not that of an employee of the State.

- B. **CONTRACTOR'S CERTIFICATION AS TO ITS REPRESENTATIONS:** The Contractor certifies that all representations made by it in its proposal or other related and/or supporting materials are true, subject to penalty of law. Further, the Contractor agrees that its violation of any statute or regulation related to public contracts and/or its misrepresentation or concealment of any material fact in the proposal, award or performance of the Contract may be cause for termination of the contract award. In addition, the Contractor's violation of any statute or regulation related to public contracts and/or its misrepresentation or concealment of any material fact in the proposal, award or performance of the Contract shall serve as a legal bar to the Contractor's enforcement of its rights under the Contract, including any and all claims at law or equity.

- C. **CONTRACTOR'S PERFORMANCE:** For professional services contracts, the Contractor, and any subcontractors engaged by Contractor, agree to perform all services in a manner consistent with that level of care and skill ordinarily exercised by other experienced professional consultants under similar circumstances, and in the geographic area(s) in which the services are to be performed, at the time of the provision of the services. For contracts for work other than professional services, the Contractor, and any subcontractors engaged by Contractor, agree to perform all services and work in a good, skillful and timely manner. To perform its services and/or work, the Contractor shall employ or engage the services of qualified persons and/or entities at its own expense except as otherwise specified in the Contract. The Contractor has an affirmative obligation to promptly notify, in writing, the Council of any changes in circumstances which might affect the Contractor's ability to be awarded or to timely perform its obligations under the Contract.

- D. **RESPONSIBILITIES OF CONTRACTOR:**
 - (1) The Contractor is responsible for the quality, technical accuracy and timely completion and delivery of all deliverables and other services to be furnished by the Contractor and/or subcontractors and/or consultants under the Contract. If circumstances beyond the control of the Contractor result in a late delivery, it is the responsibility and obligation of the Contractor to make the details known immediately to the Council.

 - (2) The Contractor shall, without additional compensation, correct or revise any errors, omissions, or other deficiencies in its services and deliverables furnished under the Contract. The approval of interim deliverables furnished under the Contract shall not in any way relieve the Contractor of fulfilling all of its obligations under the Contract. The acceptance or payment for any of the services rendered under the Contract shall not be construed as a waiver by the State or the Council, of any rights under the Contract or of any cause of action arising out of the Contractor's performance of the Contract.

 - (3) The acceptance of, approval of or payment for any of the services performed by the Contractor under the Contract shall not constitute a release or waiver of any claim the State or the Council, has or may have for latent defects or errors or other breaches of warranty or negligence.

 - (4) Should the Contractor hire, employ or otherwise engage subcontractors, the Contractor shall be considered the prime Contractor and the sole point of contact with regard to contractual matters. The Contractor assumes sole and full

responsibility for the complete performance contemplated by the Contract including the performance of all subcontractors.

- (5) When the Contractor intends to subcontract for any work under the Contract, the subcontractor must be approved by the Executive Director in writing. It is understood, however, that consent of the Executive Director for the subcontracting of any work under the Contract in no way relieves the Contractor from its full obligations under the Contract. In addition, the Contractor must notify and receive the approval of the Council's Project Manager before hiring any subcontractor for the Contract work. The Contractor shall at all times give due attention to the fulfillment of the Contract and shall keep the work under its control. Consent to the subcontracting of any part of the work by the Executive Director in writing shall not be construed to be an approval of said subcontract or of any of its terms, but shall operate only as an approval of the subcontractor. The Contractor shall be responsible for all work performed by the subcontractor, which shall conform to the provisions of the Contract and all requirements of law. The failure of any subcontractor to adhere to the terms of the Contract or requirements of law may, in the Council's discretion, be cause for termination of the contract award.
- (6) All payments for services under the Contract will be made only to the Contractor. The Contractor assumes sole and full responsibility for any payments due to its subcontractors under the Contract.
- (7) Nothing herein or in the Contract shall be construed as creating a contractual relationship between any subcontractor and the State and/or the Council.
- (8) The Contractor's obligations under this clause are in addition to the Contractor's other expressed or implied assurances under the Contract or law and in no way diminish any other rights that the State or the Council may have against the Contractor.

E. **INVESTIGATION:** By submitting a proposal in response to the Council Request, the Respondent certifies and warrants that it has satisfied itself, from its own investigation, of the conditions to be met and that it fully understands its obligations and if awarded the Contract agrees that it will not make any claim for, or have right to, cancellation or relief from the Contract without penalty because of its misunderstanding or lack of information.

F. **PRICE FLUCTUATION DURING CONTRACT:** Unless otherwise set forth in writing by the Executive Director, all rates and costs quoted shall be firm and not be subject to increase during the duration of the Contract. However, in the event of a manufacturer's price or Contractor's rate or cost decrease during the Contract period, the State shall receive the full benefit of such reduction on any undelivered purchase order and on any subsequent order placed during the Contract period. The Executive Director must be notified in writing of any rate or cost reduction within five (5) days of the effective date. Failure to report and/or pass on reductions may result in the termination of the contract award for cause.

G. **COST LIABILITY:** Neither the Council nor the State assumes any responsibility or liability for costs incurred by the Respondent prior to the award of the Contract and thereafter only as specifically provided in the Contract.

H. **INDEMNITY/LIABILITY TO THIRD PARTIES:**

- (1) The Contractor shall assume all risk of and responsibility for, and agrees to indemnify, defend and save harmless the State of New Jersey and the Council, and their employees from and against any and all claims, demands, suits, actions, recoveries, judgments and

costs and expenses in connection therewith on account of the loss of life, property or injury or damage to the person, body or property of any person or persons whatsoever, which shall arise from or result directly or indirectly from the work and/or materials supplied under this contract.  - (b) the State and the Council assume no obligation to indemnify or save harmless the Contractor, its agents, servants, employees or subcontractors for any claim which may arise out of its performance of the Contract; and
 - (c) the provisions of this indemnification clause shall in no way limit the Contractor's obligations assumed in the Contract, nor shall they be construed to relieve the Contractor from any liability, nor preclude the State or the Council from taking any other actions available to it under any other provisions of the Contract or otherwise at law or equity.

I. **INSURANCE:** The Contractor shall procure and maintain at its own expense, until at least three (3) years after the completion of all work and/or services performed under the Contract, extensions and/or modifications thereto, liability insurance for damages imposed by law and assumed under the Contract, of the kinds and in the amounts hereinafter provided, from insurance companies admitted or approved to do business in the State of New Jersey, and with an A.M. - I. **COMPLIANCE WITH N.J.S.A. 19:44A-20.13 et seq.** The Contractor is required to comply with the "pay to play" disclosure requirements set forth in the statutes. Compliance requires the Contractor to submit the Executive Order 134 Certification and Disclosure (DPP134-C & D). In addition, the Contractor is under a continuing duty to disclose during the time of the Contract all contributions made during the term of the Contract covered under the statute. Towards satisfying that duty, the contractor shall submit the Continuing Disclosure of Political Contributions (DPP134-CD) when required under the statute. - (3) BREACH OF CONTRACT: A SHIFT TO OUTSOURCED SERVICES DURING THE TERM OF THE CONTRACT SHALL BE DEEMED A BREACH OF THE CONTRACT.
 - (4) If, during the term of the Contract, the Contractor or subcontractor, who had on Contract award declared that services would be performed in the United States, proceeds to shift the performance of the services outside of the United States, the Contractor shall be deemed in breach of the Contract, which Contract shall be subject to termination for cause pursuant to Section VII B (3) (c).

- L. **STANDARDS PROHIBITING CONFLICTS OF INTEREST:** The following prohibitions on Contractor activities shall apply to all contracts and purchase agreements made with the State or Council:
- (1) No Contractor shall pay, offer to pay, or agree to pay, either directly or indirectly, any fee, commission, compensation, gift, gratuity or other thing of value of any kind to any State officer or employee or special State officer or employee, as defined by N.J.S.A. 52:13D-13b and e, in the Department of the Treasury or any other agency with which such Contractor transacts or offers or proposes to transact business, or to any member of the immediate family, as defined by N.J.S.A. 52:13D-13i of any such officer or employee, or partnership, firm or corporation with which they are employed or associated or in which such officer or employee has an interest within the meaning of N.J.S.A. 52:13D-13g.

Any relationships subject to this provision shall be reported in writing forthwith to the Executive Commission on Ethical Standards which may grant a waiver of this restriction upon application of the State officer or employee or special State officer or employee upon a finding the present or proposed relationship does not present the potential, actual or appearance, of a conflict of interest.

- (4) No Contractor shall influence, or attempt to influence or cause to be influenced, any State officer or employee or special State officer or employee in his official capacity in any manner which might tend to impair the objectivity or independence of judgment of said officer or employee.
- (5) No Contractor shall cause or influence, or attempt to cause or influence, any State officer or employees or special State officer or employee to use, or attempt to use, his official position to secure unwarranted privileges or advantages for the vendor or any other person.

VII. **PROJECT SUSPENSION AND TERMINATION OF THE CONTRACT AWARD**

- A. **SUSPENSION OF PROJECT:** If, for any reason, the Project for which the Contractor's services were contracted should be suspended, the Council may suspend this contract upon seven (7) days written notice to the Contractor. Upon receipt of such notice, unless otherwise directed in writing by the Executive Director, the Contractor shall immediately discontinue all work under the Contract. Upon such notification, the Contractor shall be paid a proportion of the fee which the services actually and satisfactorily performed by it shall bear to the total services completed under the Contract, less payments previously made. The State may order that the work on the Project be stopped temporarily, and upon seven (7) days written notice from the Executive Director, the Contractor shall cease all work on the Project except as necessary to properly secure the Project. If the State directs that the work on the Project resume within six (6) months, the Contractor shall be obliged to complete the Project for the basic fee provided for in this Contract, plus additional compensation for any work necessitated by the stop order as approved by the Executive Director in writing.

However, in the event that services are scheduled to end either by Contract expiration or by termination of the contract award by the Council, it shall be incumbent upon the Contractor to continue the service if requested by the Executive Director to do so, until new services, if any, are completely operational. At no time shall this transitional period extend more than ninety (90) days beyond the expiration or termination date of the existing Contract, except by agreement of the parties. The Contractor will be reimbursed for this service at the rate in effect when this transitional period clause is invoked by the Executive Director.

- B. **TERMINATION OF THE CONTRACT AWARD:** The Council may terminate the contract award at any time during the duration of the Contract, without penalty, subject to the following provisions:
- (1) **Change of Circumstances:** Where circumstances change and/or the needs of the State or Council change, or the Contract is otherwise deemed by the Council to no longer be in the public interest, the Council may terminate the contract award upon no less than thirty (30) days notice to the Contractor. In the event of such a termination of the contract award, the Contractor shall furnish to the Council, free of charge, such close-out reports as may reasonably be required.
 - (2) **For Convenience:** Notwithstanding any provision or language in this contract to the contrary, the Council may terminate at any time, in whole or in part, any contract entered into as a result of the Council Request for the convenience of the State, upon no less than 30 days written notice to the Contractor.

- (3) For Cause:
- (a) Where a Contractor fails to perform or comply with the Contract and/or fails to comply with the complaints procedure set forth in N.J.A.C. 17:12-4.1, et seq., the Council may terminate the contract award upon ten (10) days notice to the Contractor with an opportunity to protest said termination and/or request an informal hearing. If the Contractor protests, the Council will complete the informal hearing, if necessary, and issue a final agency decision regarding termination of the Contract.
 - (b) Where a Contractor continues to perform a contract poorly as demonstrated by one or more formal complaints resolved against it, the Council may issue a Notice of Intent to Terminate the Contract Award with a ten (10) day opportunity for the Contractor to protest such termination and/or request an informal hearing. If the Contractor protests, the Council will complete the hearing, if necessary, and issue a final agency decision regarding termination and related issues including, but not limited to, damages payable to the State, subject to Paragraph VII B(5).
 - (c) The Council's right to terminate the contract award for cause includes any reason set forth in any other provision contained in the Contract.
 - (d) The failure of a Contractor to respond to the Council's notice of intent to terminate the contract award within the ten (10) day period automatically converts said notice into a final agency decision without further action of the Council.
 - (e) The Council's right to terminate the contract award for cause includes the Contractor's performance on any other State contract, a violation of state or federal law (as demonstrated by the Contractor's admissions of same or a final decision of an appropriate decision-making body), or any reason related to the ability of the Contractor to fulfill its contractual obligations. The Council may also terminate any contract with a federally debarred contractor or a contractor which is presently identified on the list of parties excluded from federal procurement and non-procurement contracts.
- (4) In cases of emergency, the Council may shorten the time periods of notification and may dispense with an opportunity to respond.
- (5) Upon a termination of the Contract award under this or any other paragraph herein, the Contractor shall be entitled to receive as full compensation for services rendered to the date of termination that portion of the fee which the services actually and satisfactorily performed by it, as determined by the Executive Director, shall bear to the total services contemplated under this contract, less payments previously made.
- (6) Except for termination of the contract by the Council for convenience, upon termination of the contract award, the Council may acquire the services which are the subject of the Contract from another source and may charge the Contractor whose contract award has been terminated the difference in price, and the said Contractor shall be liable for same.
- (7) All protests of the Council's intent to terminate a contract award must be accompanied by a statement of the factual and/or legal basis of the protest and copies of all documents which the Contractor believes support its position.

- (8) If Council determines that an informal hearing is required, said informal hearing shall be conducted by the Council, prior to the issuance of the final agency decision regarding the interpretation of the Contract, Contractor performance and/or termination of the contract award.

VIII. CONTRACTOR COMPENSATION

- A. **INVOICING AND PROGRESS REPORTING:** The Contractor shall submit monthly invoices for work satisfactorily completed. Invoices must specify in detail the costs incurred, must be in strict accordance with the hourly rates and costs agreed to by the Council, and shall otherwise be in accordance with the terms of the Contract. The Contractor shall also submit any other supporting documentation necessary for the Council to determine that costs incurred during invoiced period have in fact been incurred.

In addition to monthly invoices, the Contractor shall submit a monthly Progress Report in the form attached hereto, which report shall set forth the Contract number; Contractor contact information; a detailed description of work conducted during the reporting period, including a list of tasks performed and percent completeness for each task based upon overall Scope of Work; percentage of Contract budget expended to date; and a list of critical issues or problems encountered during the reporting period.

- B. **PAYMENT TO CONTRACTOR:** Payment for services purchased by the Council will only be made upon the submission of monthly invoices along with adequate supporting documentation substantiating that the work has been satisfactorily completed as required in Section VIII A. Notwithstanding Section VIII C, payment will not be made until the Executive Director has approved payment.
- C. **NEW JERSEY PROMPT PAYMENT ACT:** The New Jersey Prompt Payment Act, N.J.S.A. 52:32-32, et seq. requires State agencies to pay for goods and services within sixty (60) days of the Agency's receipt of a properly executed New Jersey Payment Voucher or within sixty (60) days of receipt and acceptance of goods and services, which ever is later. Properly executed performance security, when required, must be received by the Council prior to processing any payments for goods and services accepted by the Council. Interest will be paid on delinquent accounts at a rate established by the State Treasurer. Interest will not be paid unless it exceeds \$5.00 per properly executed invoice. A good faith dispute creates an exception to the Prompt Payment Act. Except as noted above, cash discounts and other payment terms included as part of the original agreement are not affected by the Prompt Payment Act.
- D. **AVAILABILITY OF FUNDS:** The Council's obligation to make payment under the Contract is contingent upon the availability of appropriated funds from which payment for contract purposes can be made. No legal liability on the part of the Council for payment of any money shall arise unless and until funds are made available each fiscal year to the Council by the State Legislature.
- E. **RETAINAGE:** If retainage is required on the Contract, the State and/or Council will retain the stated percentage or retainage from each invoice. Payment of retainage will be authorized after satisfactory completion and submission of all services, deliverables or work products by the Contractor and acceptance by the Council of all services, deliverables or work products required by the Contract.

For ongoing term contracts, the Council will retain the stated percentage of each invoice submitted. At the end of the three (3) month period after payment of each invoice, the Council will review the Contractor's performance and if performance has been satisfactory, the Council will release the retainage for the preceding three (3) month period. Following the expiration of the Contract, retained fees will be released to the Contractor after certification by the Council's project manager, if any, that all services have been satisfactorily performed.
