

MOBILIZATION REPORT

NEW JERSEY DIVISION OF HIGHWAY TRAFFIC SAFETY

CLICK IT OR TICKET • MAY 21 - JUNE 3, 2007

2007 CLICK IT OR TICKET SUMMARY

Seat belt usage remains the most effective way for a motor vehicle occupant to avoid death or serious injury in a crash. It reduces the risk of fatal injury by 45% and moderate or critical injury by 50%. Clearly, seat belts save lives, so encouraging New Jersey residents to buckle-up is a top priority for the New Jersey Division of Highway Traffic Safety (NJDHHS) and its law enforcement partners.

NJDHHS' most recent statewide seat belt enforcement campaign, Click It or Ticket, was conducted May 21 – June 3, 2007. Key components of the campaign included targeted seat belt enforcement by municipal, county and state police agencies, 206 of which received \$4,000 overtime enforcement grants from the Division. Awareness about the campaign and the importance of wearing a seat belt was further

enhanced by the distribution of educational materials by partner agencies statewide, a Division press release and a radio PSA.

Several events were held to launch the 2007 campaign including high visibility enforcement details at the George Washington Bridge in Fort Lee, Bergen County; on South Broad Street, in Trenton, Mercer County; and on Route 73 in Pennsauken, Camden County. Click It or Ticket was also a key component of the state's annual "101 Days of Summer" Kickoff event, held May 23 on the Boardwalk in Atlantic City. The seat belt issue received additional coverage in the media as the result of Governor Corzine's serious car crash on April 12. The Governor subsequently became a national spokesman for seat belt use appearing in a televised public service announcement that aired during the campaign.

THE RESULTS

For the first time, 100% participation was achieved as all 496 police agencies in New Jersey took part in the mobilization (187 agencies in the Division's North Region, 171 agencies in the Central Region, 137 agencies in the South Region, and New Jersey State Police).

The 496 agencies issued 58,170 seat belt citations during the two-week campaign, up from 56,360 citations written during the 2006 mobilization. Other important categories included 1,099 child restraint citations, 5,396 speed citations, and 643 DWI arrests.

Most importantly, the annual statewide seat belt usage survey conducted by the New Jersey Institute of Technology (NJIT) immediately following the campaign, found that the state's seat belt usage rate has risen to **91.4%**, a 1.6% increase from 2006. This is the eleventh consecutive year that seat belt usage has risen in New Jersey. The three counties with the largest increase in usage rate from 2006 to 2007 are: Essex, up 4.9% to 91.9%; Middlesex, up 4.3% to 92.8%; and Union, up 3.5% to 93.7%.
