SYNOPSIS

The Public Employment Relations Commission remands an interest arbitration award to the arbitrator for a supplemental award. The City of Orange appealed from the award setting the terms of collective negotiations agreements for a police officer unit (PBA Local No. 89) and two fire fighter units (FMBA Local 10 and FMBA Local 210, Fire Officers Association). The Commission remands the award for explanation and clarification of the financial impact of the salary award, particularly to set forth calculations showing the total projected net economic changes for each year of the award resulting from all salary increases including salary guide advancement. The Commission also remands the award for specification of which evidence was relied upon and for a more thorough explanation of the statutory factors he considered relevant or not relevant.
