Furthermore on May 20, 2010, copies of an additional written “Notice of Meeting” were posted and sent in a similar manner.
Commissioner Paula Voos called the meeting to order.

The first item for consideration was the minutes of the April 29, 2010 meeting. A motion to adopt the minutes was made by Commissioner Krengel and seconded by Commissioner Watkins. The motion was unanimously approved (Commissioners Eaton, Krengel, Voos and Watkins).

The General Counsel distributed his monthly and supplemental reports. He reported that the Wall Township Board of Education has filed an appeal in a case where there was a stipulated record and the Board moved for reconsideration arguing that their counsel was not their counsel at the time he agreed to stipulate the record. The Commission denied the request for reconsideration.

He continued by reporting on Stengart v. Loving Care Agency, Inc. This case was reported on as it went through each of the courts and has now finally made it to the New Jersey Supreme Court. The Court found that an employee’s electronic mail to her lawyer that was sent on the employer’s laptop through a web-based electronic mail system was protected by the attorney-client privilege.

He concluded with a case involving the FMBA and State of NJ. A Superior Court Judge denied interim relief in an action to try to prevent the implementation of the 1.5% health care contribution. The plaintiffs made a number of arguments,
constitutional as well as arguments under the Employer-Employee Relations Act. The Court, at least for interim relief purposes, rejected all of those arguments and the 1.5% has gone into effect for any employees who were not, at the time, covered by collective negotiations.
