Content Note

These files contain correspondence of the company (under the authority of the Department of Conservation and Development), generally dating from the 1920s to the 1970s. The files were apparently kept by John A. Waters and C. P. Wilber of the State Forrester's Office. The majority of the material relates to leasing and improvement of the canal property retained by the state at Cranberry Lake, Greenwood Lake, Lake Hopatcong, Lake Musconetcong, the Little Basin, and Saxton Falls. Arranged by subject.
