

Logic Model

Resources/Inputs	Activities	Outputs	Outcomes	Impact
Certain resources are needed to operate your program	If you have access to them, then you can use them to accomplish your planned activities	If you accomplish your planned activities, then you will hopefully deliver the amount of product and/or service that you intended	If you accomplish your planned activities to the extent you intended, then your participants will benefit in certain ways	If these benefits to participants are achieved, then certain changes in organizations, communities, or systems might be expected to occur
