

## MISSION

The mission of the New Jersey Office of Faith Based Initiatives (OFBI) is to eliminate barriers to funding and other resource opportunities, create greater access for partnership and enhance the capacity of Faith and Community Based Organizations (FCBOs) to create and implement innovative approaches that are designed for community and economic transformation.

## GOALS

- Develop grant opportunities designed to support Faith and Community Based Organizations (FCBOs) to develop, design, create, innovative solutions that address conditions that negatively impact those that are socially and economically disenfranchised;
- Create greater access to funding and other resource opportunities;
- Provide innovative capacity building, training and technical assistance opportunities designed to improve the day to day implementation of programs and enhance organizational efficiency;
- Nurture an environment that allows for the development of revenue generating models designed to address social issues and position FBCO's to gain access to private capital for scale.
