

High School Voter Registration Week, April 25-29!

Calling all 17 and 18 year olds to take part!

Democracy is not a spectator sport. It requires continual work to protect it and keep it strong. As a citizen, your active civic participation as a voter is essential in that process. In New Jersey as a 17 year old you can register to vote now and your voter registration will become active on your 18th birthday. If you are 18 register now, so you can participate in the Primary Election on June 7th.

This High School Voter Registration Week, make a plan to register and be a voter!
