ABOUT THE NEW JERSEY STATE COUNCIL ON THE ARTS
The New Jersey State Council on the Arts is a division of the New Jersey Department of State, created in 1966 by Public Law Chapter 214 and consists of 17 Governor-appointed members, and three ex-officio members representing the New Jersey Secretary of State, the Senate, and the Assembly. The Council’s volunteer members are supported by a professional staff who carry out the Council’s programs and services from the State Capital in Trenton.

WHAT WE BELIEVE
We believe the arts are central to every element we value most in a modern society including: human understanding; cultural and civic pride; strong communities; excellent schools; lifelong learning; creative expression; and economic opportunity.

OUR MISSION: GIVEN TO US BY THE PEOPLE OF NEW JERSEY
In 1966, the Legislature passed, and the governor signed, a bill creating the New Jersey State Council on the Arts, and directing us to do all that is necessary and appropriate to: support, encourage, and foster public interest in the arts; enlarge public and private resources devoted to the arts; promote freedom of expression in the arts; and facilitate the inclusion of art in every public building in New Jersey.

HOW WE ARE FUNDED
Public support for the arts in New Jersey comes from a dedicated, renewable revenue source - the Hotel/Motel Occupancy Fee - established in 2003. Under this law, 22.68% of the fees collected are annually allocated to the State Arts Council with a minimum appropriation of $16 million. Additionally, the Council receives an annual, competitive grant from the National Endowment for the Arts.

As the largest funder of the arts in New Jersey, the Council is committed to providing annual and multi-year grants to New Jersey’s nonprofit arts organizations, arts projects, and artists. Strategic, responsive, and responsible grantmaking is the Council’s highest priority, ensuring programs and services are equitable, accessible, and have the greatest possible statewide impact.

FY20 GRANT CYCLE: GRANT PROGRAMS FOR ORGANIZATIONS
General Operating Support (GOS), a three year grant program
General Program Support (GPS), a three year grant program
Arts Project Support (APS), a one year grant program

The Grant Period for all grants under this program runs July 1 to June 30.
APPLICATION ASSISTANCE AVAILABLE
The following assistance is available to help you compose and submit your application.
   1. Application workshops/webinars. Please check the Council’s website for details and schedules.
   2. Staff is available to help with questions specific to your application. Program Officers in each discipline are reachable by telephone and email, or you may schedule an appointment for in-depth application form questions.

WHAT IS AN ARTS PROJECT SUPPORT GRANT
Arts Project Support (APS) provides support for a project that meets the Council’s eligibility requirements. A project is defined as a public activity or event that occurs once during the year either as a single day or weekend presentation, or a series of the same presentation occurring within a very limited and specific timeframe (12-weeks or less). Priority will be given to projects that provide opportunities to engage new voices, reach new communities, or encourage innovation in the field.

This category does not support on-going or multiple programs or the general operations of an organization. The project must be wholly dedicated to the arts and the applicant should clearly demonstrate its commitment to the project. Applicants unclear about the distinction between GOS, GPS and APS grants should contact Council staff.

GOS and GPS grantees are not eligible to apply for APS grants except in Folk Arts. If you need more information about this opportunity, please contact Kim Nguyen at kim.nguyen@sos.nj.gov or 609/292-4495.

Applicants should consult the Frequently Asked Questions document for additional guidance and support.

HOW TO APPLY FOR A FY20 APS GRANT
A Notice of Intent to Apply (NOI) is the first required step in the Council’s APS grant process. The Council will not accept an application that was not preceded by a NOI.

To file an NOI form, an applicant must be registered in the SAGE system. The purpose of the NOI is to provide Council staff with the opportunity to assure potential applicants by previewing proposals and ensuring eligibility requirements are met. The NOI form is not binding.

Each organization that submits a NOI is required to schedule a meeting with Program Staff to discuss their organization, program or project prior to submitting an application. Its purpose is to assure that applicants meet all eligibility requirements and to screen for potential problems before submitting a full application. Organizations can expect to receive meeting requests from Program Staff in December/early January.

SAGE System: The System for Administering Grants Electronically (SAGE) is the State of New Jersey's grant management system. This system requires authorization for access. If you do not have a username and password please click the New User link to request access to the site. Please contact Patricia Hamilton-Ross at patricia.hamilton-ross@sos.nj.gov or 609/633-1273 for technical assistance in SAGE.

APS ELIGIBILITY REQUIREMENTS

To be eligible to receive an APS grant, an applicant must:

1. be incorporated in the State of New Jersey as a non-profit corporation or be a unit of government, college or university;
2. be tax-exempt by determination of the Internal Revenue Service in accordance with Sections 501(c)3 or (c)4;

Apart from all other provisions of law, particularly the requirements of the Americans with Disabilities Act, which bear upon all Council grantees, those grantees whose Council grant is composed all or in part of funds derived from the National Endowment for the Arts will be required to be in compliance with Section 504 of the Rehabilitation Act of 1973 at the time of and as a condition of receipt of the grant under penalty of rescission and any others set forth under law.

If less than 30% of the audience currently served is from outside the county, the organization is classified as “local impact.”

Those organizations that have “local impact” or cannot meet all the Council’s eligibility requirements are encouraged to apply for Council support through their respective County Arts Agency, which receives a Local Arts Program grant for this purpose. If you would like more information regarding this opportunity, please contact Mary Eileen Fouratt at Mary-Eileen.Fouratt@sos.nj.gov or 609/984-6815.

**APS APPLICATION COMPONENTS**

**Organizational Profile Form:** This form provides the essential information about the organization.

**Application Form:** This form provides the essential information about the request for funding.

**Purpose of Funding:** This statement is limited to approximately 50 words or 300 characters. It will be used in press releases and for other public inquiries. It should contain the basic “who, what, where, and when” information.

Sample Statement: “This grant will help support the Sample Theatre Company’s main stage season of four productions serving an estimated audience of 13,000 northern NJ residents; a six-play summer reading series for an invited audience of 3,000; a Youth Conservatory serving 75 young people and a Saturday Children’s Series.”
Narrative: This statement is limited to 5 pages or approximately 20,300 characters. It should clearly and concisely communicate your organization’s story to the panel and provide context for the other materials in the application. The narrative should directly address the Evaluation Criteria through the “Narrative Topics.”

Board Chart: This chart identifies who is on the organization’s current board and advisory board. Current grantees, check for accuracy if the chart is already completed in SAGE.

Staff Chart: This chart identifies the organization’s current staff.

Finance Charts: Provide two Project Income and two Project Expense Charts. Do NOT fill out the previous years’ columns unless the project has a prior history. Use the notes feature to describe or explain your finance charts. The panel expects accompanying budget notes to provide clear information about the organization’s complete financial picture.

In-Kind Contributions Chart (Optional): This chart documents any in-kind goods or services received/to be received by the organization. Remember, in-kind goods and services may not be counted toward the match. Detailing in-kind contributions is helpful for panelists to understand those costs not detailed in the Project Expense Charts. Contributions must be documented based on fair market value.

Charities Registration and Division of Revenue: Organizations must be in accordance with both Charities Registration Bureau requirements and Division of Revenue requirements, including any other state and federal requirements. Failure to provide proof may result in disqualification from the panel review process.

Project Accessibility (ADA) Checklist: This checklist applies only to the proposed arts project. Applicants must use the self-assessment survey and planning tool (link) available from the New Jersey Theatre Alliance to review the accessibility of facilities to be used for project and programmatic access. Failure to comply may result in the rescission of the grant, if awarded.

Required and Optional Support Materials: Support material requirements vary according to discipline. Detailed information is found in the Support Material section.

EVALUATION CRITERIA
Review and reference the Evaluation Criteria in preparation of the narrative. Successful narratives are clear and convincing and are supported by budgets and links to support materials. Panels look for evidence of solid program planning and implementation in accordance with the following criteria:

1. High artistic quality throughout the project in pursuit of project goals that provide/create public benefit and value.
2. Significant public benefit and broad accessibility based on a sound understanding of who is/will be served by the organization that is clear, measured, and documented.
3. Adequate and appropriate strategic planning, including governance, management and human resources as they relate to the project.
4. An appropriate organizational budget that includes sufficient resources and appropriate compensation to the artists.
5. Commitment to arts education and to providing opportunities for meaningful arts learning.
6. Commitment to raising **public awareness**, appreciation, support and advocacy for the arts, artists and arts education through diversity, equity, inclusion and access.

**NARRATIVE TOPICS**
The Narrative Topics are the framework for writing the narrative. Compose a narrative that will provide a panelist, who does not know your organization, the ability to understand it in relation to the Council’s criteria. If you have unusual or unique circumstances that are not specifically queried, present them in the appropriate section. Use the required and optional support materials to reinforce specific narrative topics.

It is a good idea to craft the narrative in a Word document and copy and paste it into the SAGE narrative screen. Topic headings help panelists follow the narrative, which should also specifically reference any uploaded or linked support materials. Please also refrain from the excessive use of acronyms.

**Mission/Project Goals/Background**
Put the project in context by briefly stating the mission of the organization and describing how the project serves that mission. State the goals of the project including the intended outcomes, who will be served, and how the project will be assessed.

- How did you identify and engage new communities? How was the community involved in the planning?
- Distinguish between those who will attend the event(s) and those who may be served through secondary means, i.e. radio, television, publications, etc., if applicable.

Special Note: For performing arts projects, it is important for the panel to understand the number of seats filled by ticket buyers versus those occupied as a result of complimentary tickets or ticket giveaways. It is important to clearly describe the basis for the audience attendance figures you have achieved and/or project.
Diversity, Equity, Access, and Inclusion (DEAI)
The Council is dedicated to making the arts accessible and engaging for people of all ages, abilities and backgrounds. DEAI policies and practices in the nonprofit arts sector vary from organization to organization based on influences from audiences, members, staff or specialty. - Explain efforts undertaken to understand and eliminate barriers to participation, and to increase access for underserved communities, including but not limited to persons with disabilities.

- What are the lessons learned outside the traditional indicators of “success?”

Financial Resources
In conjunction with the information provided on the Finance Charts, describe the current financial status of the applicant organization, and explain the financial planning for this project.

- Describe the plans and methods used to earn and raise all funds necessary to accomplish the project.
- If this is a project with a prior history, discuss any significant upward or downward income or expense figures. Be clear about the percentage of a staff member’s time that is devoted to the project when pro-rating salaries.

Arts Education/Arts Learning
Describe how the project contributes to arts education.

- Describe any specific arts education/arts learning activities of this project that help audiences and the public to better understand the art form(s) presented, the cultural context for the work, and/or the artistic process.
- Distinguish between in-school, curriculum-based arts education programs; community arts learning activities that are sequential and hands-on such as workshops and classes; and enrichment learning activities such as gallery talks, docent tours, and pre- and post-performance talks.
Public Understanding/Advocacy
Describe how this project will promote greater public understanding, awareness and appreciation of the arts and the role the arts play in the community.

- Detail the ways the project will connect to public officials, educators, corporate and community leaders.

- Describe specific strategies or plans for increasing public understanding and appreciation of the arts.
- If you receive support from the Council, details how you make the public aware of that fact.

SUPPORT MATERIALS
Required and optional support materials play a significant part in the evaluation process by reinforcing what is presented in the narrative. The support materials are important tools that provide the panel with a complete picture and basis for evaluation.

Applicants are required to submit specific support materials and have the option of submitting up to five additional pieces of support material that are from the past 18 months. Provide a link to your organization’s website.

Artistic quality demonstrated through support materials is important. The links and/or uploaded files submitted should present samples of the organization’s and associated artists’ best work; panelists will assume what you show are the best possible samples.

Support Material Formats: The maximum file size you can upload is 13 MB. There is no size restriction for linked work samples. Do not submit links to password protected sites or pages.

Required Support Materials
1. Brief Bios of Key Personnel/Artists Credentials
