Palisades Avenue to I-95, rehabilitation and operational improvements

This project will include roadway rehabilitation and operational improvements for the I-80 and I-95 (local). The project will provide an auxiliary lane on I-95 Local South between I-80/95 to Route 46 off ramp. The project also will include the rehabilitation of four local overpass structures over I-80. The project will also include the construction of noise walls on I-80 and I-95.

This is a multi-year funded project under the provisions of Section 13 of P.L. 1995, c.108.
