New Jersey Department of Transportation Projects

ROUTE/PROGRAM	1	Project ID No.	TIP No.
31 202	Flemington Circle Elimination	403B	403B

This project will extend from south of Main Street to north of the Flemington Circle and will eliminate and reconstruct the existing Flemington Circle which is located at the junction of Routes 12, 31 and 202. Three structures will be constructed to channelize traffic. The mainline of Route 202/31 will be widened and resurfaced. The project will also consist of intersection improvements such as new/revised traffic signals, traffic stripes and improved signing. New sidewalks will be provided along Route 202/31 from Reaville Road to South Main Street. There will be crosswalks at intersections. Route 202/31 will have full width shoulders, and the new structures will also have full shoulders.

This is a multi-year funded project under the provisions of Section 13 of P.L. 1995, c.108. Total right of way cost is \$9,000,000; total construction cost is anticipated to be \$24,300,000.
