<b>NUMBER:</b> 2	<b>INSURANCE – WAIVER OF SUBROGATION</b>	03/22/11
<b>CATEGORY:</b> Office		

The Certificate of Insurance form DC-175 provides a check box for a waiver of subrogation endorsement to the Owner's and Contractor's Protective Liability Insurance. This endorsement is not necessary, and a Baseline Document Change has been issued to eliminate this requirement in future Contracts. On existing Contracts, RE's should accept the DC-175 without this endorsement being checked. There are no costs or savings as a result of this change.

The Department is not currently issuing a revised DC-175 form to reflect this change, because the Department is considering other changes to the insurance provisions and the Department wants to minimize the number of versions of the DC-175 in circulation.
